Hi James -

I would recommend that you make a request to make this presentation before the HRM Audit & Finance Standing Committee. Our next meeting is scheduled for Feb. 18/25 at 10 AM at Halifax City Hall.

HRM has helped a few other canoe clubs with their capital upgrades and this should be no different.

Best regards- David

[This email has been received from an external person or system]

Hi David,

Please see attached the Orenda Proposal cover letter and the Orenda Canoe Club Project Proposal. We have worked hard this fall to come up with a strong plan to bring the club to a strong position in the community.

When you have had an opportunity to review the proposal don't hesitate to contact me.

Thank you

James Braun

Commodore

Orenda Canoe Club
