OK! Here we go, again, thank you for your patience.

I am writing to request to present to the Transportation Standing Committee on March 27.

Co presenting will be Devon Smith and Ben Hammer (cc'd)

We will be requesting:

1. Staff report on reinstating the Northwest Arm Crossing ferry including adjusting bus routes to connect to the route.
2. A staff report on the costs of other small-scale public/private ferry options for HRM including but not limited to:
 - Wrights Cove to and from downtown
 - Herring Cove to and from downtown
 - Downtown to and from Bedford (a temporary ferry while the big one is being built)

Do let me know if you need further information.

Thanks again,

Ashleigh Boers (she/her), Senior Transportation Coordinator
