Four people sharing one room equals one room.

Room Block (Guaranteed Rooms) are the total number of rooms booked with the overnight establishment that the event organization books. This includes rooms for the event staff, contracts, artists, performers, athletes, board members, participants, etc.

Estimated Rooms are the total number of rooms estimated to be booked externally (e.g. by spectators). Estimated Rooms are not included with the Room Block booking.

Number of Nights are the total number of nights that the organization is planning to stay in the overnight establishment.

Total Overall Rooms is calculated based on the total number of rooms booked in the Room Block and the Estimated Rooms combined. The total number of rooms will be multiplied by the total Number of Nights your organization will be staying in the establishment (e.g., if the Room Block is 50 rooms, the Estimated Rooms is 20 rooms, and the total Number of Nights is three nights, the Total Overall Rooms will be 210, which is 70 rooms (50+20) multiplied by three nights.)
