DISTRICT 1 NEWSLETTER
WAVERLEY – FALL RIVER – MUSQUODOBOIT VALLEY

WELCOME JULY!

Happy Canada Day! So happy to be welcoming July, and to celebrate our wonderful country Canada. A country I was able to appreciate and value more by attending both the Federation of

Canadian Municipalities and Nova Scotia Federation of Municipalities conferences in April and May. The discussions and workshops I attended have given me a deeper understanding of shared issues and the importance of networking with our neighbouring municipalities and provinces. Have an amazing, fun-filled summer!

Keep reading for more information on the Municipality's strategic planning process, Wildfire risk assessment, Natal Day Parade applications, and many more interesting articles on what's going on in the community!

Contact me if you have questions regarding municipal programs/services by phone at 902 717-2718 or by email at deaglec@halifax.ca.

Regional Council:

Tuesday, July 8 at 10:00 a.m.

NorthWest Community Council:

No scheduled meetings

Standing Committees:

Environment and Sustainability Standing Committee

- No scheduled meetings

Audit & Finance Standing Committee

- No scheduled meetings

Community Planning & Economic Development Standing Committee

- No scheduled meetings

Executive Standing Committee

- No scheduled meetings

DID YOU KNOW...

The month of July was named to honor Roman dictator Julius Caesar (100 B.C.– 44 B.C.) after his death. Julius Caesar made one of his most significant contributions to history - With the help of Sosigenes, he developed the Julian calendar, the precursor to the Gregorian calendar we use today. July is Juvenile Arthritis Awareness month, Recreation and Parks month and Independent Retailer month.

July 1 - Canada Day

July 4 to 13 – Calgary Stampede

July 11 - International Town Criers Day

July 15 - World Youth Skills Day

July 17 to 27 - Halifax Pride Festival

July 18 - International Nelson Mandela Day

July 20 - World Chess Day

July 25 - International Day of Women & Girls of African Descent

July 25 to 27 - Africville Reunion

July 30 - International Day of Friendship

July 30 - World Day Against Trafficking in Persons

CANADA DAY (JULY 1)

Join us for KANA'TA: Canada Day 2025 celebrations on Tuesday, July 1, 2025. This re-envisioned format for Canada Day offers a variety of new and refreshed cultural, musical, and family-oriented

events to enjoy. Developed in close collaboration with Indigenous communities, KANA'TA: Canada

Day 2025 offers programming that honours the traditions of the Mi'kmaq Nation and celebrates pan-Indigenous communities that call the municipality home.

KANA'TA: Canada Day 2025 programming will include the Mawio'mi on the Halifax Waterfront, ANSMA Free Concert on the Dartmouth Waterfront, a Multi-Stage experience on the Halifax Waterfront featuring multiple genres of music and at night the July 1 Fireworks Show returns!

KANA'TA: Canada Day 2025. The Halifax Citadel National Historic site will also offer free admission on Monday, July 1 as well!

HALIFAX PRIDE WEEK (JULY 17 - 27)

The 2025 Halifax Pride Festival is just around the corner, taking place July 17 to 27 across our municipality! For 11 days, we'll come together to celebrate the strength, spirit,

and vibrancy of our 2SLGBTQIA+ communities through more than 30 Signature Festival Events and 100+ community-led gatherings.

The Halifax Pride Parade will take place on Saturday, July 19 at 12 p.m. This parade is one of the city's most cherished community events, bringing people together to celebrate identity, show solidarity, and stand up for equity. If you're part of a group that wants to join in, I encourage you to get involved and help make this incredible day even more powerful.

This festival is about connection, activism, and creating spaces where people of all sexualities and gender identities can flourish. Halifax Pride's guiding principles – community, self-expression, and growth – are a reminder of the ongoing work we all share in building a more equitable society, free from oppression.

WORLD DAY AGAINST TRAFFICKING IN PERSONS (JULY 30)

On July 30, we pause to reflect on the devastating impacts of human trafficking, a crime that continues to thrive in the

shadows, even within our own communities. As we mark World Day Against Trafficking in Persons 2025, we're reminded that this global crisis is ongoing and growing in scale, reach, and violence.

This year's campaign, "[Human Trafficking is Organized Crime – End the Exploitation](#)," shines a light on the powerful criminal networks driving this exploitation. From 2020 to 2023, more than 200,000 victims were identified globally, yet we know that's only a fraction of the true toll.

Victims are trafficked farther, held longer, and subjected to greater harm, all in pursuit of profit.

Organized crime is at the root of this crisis, using migration routes, global supply chains, digital

JULY 2025

HALIFAX

halifax.ca | 311

COUNCILLOR CATHY DEAGLE GAMMON

WAVERLEY - FALL RIVER - MUSQUODOBOIT VALLEY

platforms, and economic loopholes to fuel forced labour, sexual exploitation, and coercion into criminal activity.

Despite growing awareness, we must do more. The campaign calls on governments, law enforcement, civil society, and citizens to take stronger action through cross-border cooperation, tougher laws, smarter technology, and victim-centred supports. We need justice systems that hold traffickers accountable while protecting survivors with dignity and care.

As community members, we also have a role to play: learning the signs, supporting awareness efforts, and sharing reporting resources. By doing so, we help build a future where every individual can live free from exploitation.

<https://www.un.org/en/observances/end-human-trafficking-day>

UPDATE ON COUNCIL VOTE REGARDING BIKE LANE CONSTRUCTION

At the June 11 meeting, Regional Council considered a motion brought forward by Mayor Andy Fillmore regarding upcoming bike lane projects.

The motion proposed that the municipality temporarily pause awarding any new bike lane design or construction capital project contracts until Council received a supplementary staff report outlining:

1. A list of bike lane projects proposed in the current four-year capital plan that could

reduce vehicular traffic capacity and/or increase traffic congestion; and

2. An assessment of the feasibility of alternative network solutions that could achieve active transportation goals while maintaining or improving current traffic flow.

The motion was defeated in a 12–5 vote.

Following the vote, Council considered and approved a separate motion related to the [Morris Street project](#) directing staff to provide alternatives that would allow two-way traffic on Morris Street while still meeting the project's transportation goals. That report is expected to come forward at the July 8 meeting of Regional Council.

A Brunswick Street alternative motion, which sought to maintain vehicular lanes while delivering a protected bike lane, was defeated.

At the June 25 meeting, Council voted in favour of a new motion requesting a staff report outlining:

- A list of AAA bike network capital projects proposed for the 2026–2029 fiscal years and their estimated budgets;
- An assessment of alternative network solutions that could reduce future costs; and
- Opportunities for additional external funding sources.

The motion also included a request to break down project budgets by general traffic, public space, pedestrian, and bike lane components. A proposed amendment to include a full cost-benefit analysis was not adopted.

JULY 2025

HALIFAX

halifax.ca | 311

COUNCILLOR CATHY DEAGLE GAMMON

WAVERLEY - FALL RIVER - MUSQUODOBOIT VALLEY

The requested staff report is expected to return to Council in December.

For more information on Council decisions or to review meeting materials, visit halifax.ca/council.

COUNCIL APPROVES NEW REGIONAL PLAN TO SUPPORT GROWING POPULATION

Halifax Regional Council has approved a new Regional Municipal Planning Strategy to guide development as the municipality prepares

for a population that could reach one million by 2050.

The updated plan replaces the 2014 version and sets policies for how and where growth should occur, aiming for 75 per cent of new development in serviced urban areas. It also expands environmental buffer zones, supports commercial solar projects in rural zones, and allows short-term rentals on rural lots.

The plan includes changes required by the province's Minimum Planning Requirements, such as allowing residential uses in most zones and lifting bedroom mix requirements until 2027.

With the plan now approved, staff will move ahead with suburban planning work and a strategic growth and infrastructure plan to assess future servicing needs.

HRM MOVES TO BLUESKY

As directed by Regional Council, and following a recent staff report, the municipality will be phasing out its use of X (formerly Twitter) and moving to Bluesky, a growing platform where

users can view short posts that include text, images, and videos.

This change reflects feedback from the public, emerging trends in other jurisdictions, and input from provincial and partner organizations.

The following official Bluesky accounts are now active:

- [@hfxgov.bsky.social](https://bsky.social/hfxgov.bsky.social) (main municipal account)
- [@hfxtransit.bsky.social](https://bsky.social/hfxtransit.bsky.social) (Halifax Transit)
- [@hfx-fire.bsky.social](https://bsky.social/hfx-fire.bsky.social) (Halifax Regional Fire & Emergency)
- [@hfxevents.bsky.social](https://bsky.social/hfxevents.bsky.social) (Halifax Events)
- [@hfxrec.bsky.social](https://bsky.social/hfxrec.bsky.social) (Halifax Parks & Recreation)
- [@hfxplanning.bsky.social](https://bsky.social/hfxplanning.bsky.social) (Planning & Development)

Content on Bluesky will mirror what has traditionally been posted to X—such as updates on programs, services, events, disruptions, and emergency notifications. While an account is not required to view content on Bluesky, residents can follow and engage more actively by signing up.

Municipal X accounts will be discontinued by July 14, 2025.

COUNCILLOR CATHY DEAGLE GAMMON

WAVERLEY - FALL RIVER - MUSQUODOBOIT VALLEY

This change does not affect Halifax Water, Halifax Regional Police, or Halifax Public Libraries, as they manage their own social media platforms independently.

Residents are encouraged to stay informed through a variety of channels:

- Sign up for hfxALERT for emergency and operations notifications
- Download the HFX Recycles app for solid waste info and reminders
- Use the HFX GO app for transit fare payments and service updates
- Visit halifax.ca/news for the latest PSAs and news releases
- Explore Shape Your City Halifax to participate in municipal engagement
- Subscribe to the municipality's RSS feeds
- Call 311 with any questions

FREE WILDFIRE RISK ASSESSMENT FROM FIRESMART

Wildfires are becoming more frequent and severe, especially in areas where homes meet natural vegetation.

To help reduce this risk, Halifax Regional Fire & Emergency is offering free, voluntary FireSmart property assessments to residents.

As part of this service, trained staff will visit your home, identify potential wildfire hazards—like flammable materials or overgrown vegetation—and provide personalized tips to help you make your property safer.

Request your free assessment today at halifax.ca/firesmart or call 311 to learn more. Taking action now can make a big difference in protecting your home.

WAVERLEY - FALL RIVER - MUSQUODOBOIT VALLEY

RURAL TRANSIT INITIATIVE APPROVED BY TRANSPORTATION STANDING COMMITTEE

The Transportation Standing Committee has approved a set of recommendations to help strengthen transit service in rural communities

across Halifax Regional Municipality.

The recommendations follow a review of the Rural Transit Funding Program, which was first implemented in 2014 to provide financial support to non-profit providers that serve areas outside Halifax Transit's main service boundary.

The report was based on extensive community engagement, a gap-and-needs analysis, and consultation with stakeholders, service providers, community members, and members of Regional Council.

Key initiatives include creating a Rural Transit Advisory Group to guide implementation, adding a new capital grants funding stream, developing a professional training and support program for providers, exploring fare integration with Halifax Transit, and preparing a Microtransit Service Plan to address gaps in service delivery.

This work is expected to proceed in phases starting in the 2025/26 fiscal year, with funding already approved in the current budget. Additional funding may be considered in future reports as initiatives move forward.

URBAN FOREST MANAGEMENT PLAN

Urban Forest Management Plan

Discover how the municipality is growing a greener, more climate resilient Halifax

Halifax's updated Urban Forest Management Plan has been approved by Regional Council. The plan outlines a long-term strategy to grow, protect, and care for the region's urban forest over the next 25 years.

Originally developed in 2013, the updated plan reflects current environmental priorities, equity considerations, and the needs of a growing population. It includes five objectives, 17 strategies, and over 100 actions—such as planting at least 1,000 net new trees annually.

The plan was shaped through extensive public engagement in 2024, including input from historically underrepresented communities. It emphasizes climate resilience, community health, and inclusive stewardship of the urban forest. Learn more and view the plan at [Shape Your City Halifax](#).

HRM'S NATURALIZATION EFFORTS

In mid-May, the municipality worked with Helping Nature Heal Inc. to facilitate a community-based planting workshop along Penhorn Lake's shoreline. The initiative relates to the municipality's naturalization efforts.

COUNCILLOR CATHY DEAGLE GAMMON

WAVERLEY - FALL RIVER - MUSQUODOBOIT VALLEY

WEEKLY GREEN CART COLLECTION

Weekly green cart collection returns across the municipality starting Monday, July 21, and will continue until Friday, September 12.

This enhanced summer service is a helpful way to manage food waste during peak heat months.

While in previous years it ran through the full summer, Regional Council approved a slightly shorter collection period this year as part of the 2025–26 municipal budget process.

To ensure pickup, please have your green cart at the curb by 7 a.m. on collection day—and remember to keep items secured from wildlife.

The easiest way to confirm your schedule is by checking the Halifax Recycles app or by visiting halifax.ca

Here are a few simple tips to keep your green cart clean and odour-free during the heat:

Wrap wet food waste in boxboard or newspaper

Use paper liners in your mini-bin and green cart

Empty your mini-bin daily

Place your cart at the curb even if it's not full

Freeze food scraps until collection day

Store your cart in a shaded, well-ventilated area

Please note: Printed collection schedules distributed before June 10 are no longer accurate. For the most up-to-date information, always refer to the app or municipal website.

Bi-weekly collection will resume starting Monday, Sept. 15.

Thank you for doing your part to keep our community clean and green!

CAMPFIRES IN MUNICIPAL PARKS

While the municipal Open Air Burning By-law allows campfires in wooded areas, this does not apply to the region's parks.

The Parks By-law clearly states that there are to be no campfires at any time. Learn more at:

<https://brnw.ch/21wSHu5>

HELP KEEP PARKS CLEAN

Municipal staff are working hard to keep park spaces clean. Did you know we service more than 1,400 litter receptacles across the municipality?

NATURAL PLAYING FIELDS OPEN

Game on! Natural ball diamonds and playing fields are now open for play.

Find up-to-date information on field conditions at:

<https://brnw.ch/21wT4xx>

ADAPTIVE EQUIPMENT AVAILABLE

We have a variety of adaptive equipment available to borrow to help you get out and about this spring and summer.

Hippocamps

Beach chair

GRIT chair

For further information please email inclusion@halifax.ca

OFF-LEASH DOG PARKS

Select playing fields are available as off-leash dog areas from June 1 to Nov. 1.

Please note that dogs must be on leash in municipal parks unless signage indicates otherwise.

For more information, call 311.

TICK CHECKS

As we spend more time outdoors, it's important to be aware of ticks and how to protect yourself. Ticks can be found in wooded

areas, tall grass, and shrubs — even in urban parks and backyards. To reduce your risk:

Wear light-coloured clothing to spot ticks more easily

Tuck pants into socks and shirts into pants

Do a full body check after being outdoors — on yourself, children, and pets

Shower within two hours of coming inside

For more information on tick safety and prevention, click [here](#).

REQUEST PARK REPAIRS

Notice a hazard in a municipal park or green space?

Report hazards and request maintenance, or repairs by calling 311 or emailing

contactus@311.halifax.ca.

NATAL DAY PARADE APPLICATIONS

The 128th Pepsi Natal Day Parade is scheduled for 10:30 a.m. on Monday, August 4, 2025. Float registration is now open and applications will be accepted until Friday, July 18.

Learn more and apply for the parade at <http://halifax.ca/natalday>

FREE SWIMMING LESSONS

The Halifax Regional Municipality is offering residents free swimming lessons at rural beaches and lakes this summer for children and youth. The new weekly swim programs include general swimming lessons and lifesaving programs (including Bronze Cross and Workplace First Aid). All lessons are free and ages for each program differ. For more information, including program schedules and registration, visit [our website](#).

HALIFAX SUMMER SERIES

Discover the exciting events happening in Halifax this summer! The Halifax Regional Municipality is hosting and promoting a variety of activities through its

Summer Series, running from June to early September. Events include live music, family-friendly activities and fireworks. Many events are free for residents. Plan your summer today: halifax.ca/SummerSeriesEvents

TEST DRIVE AN ELECTRIC VEHICLE THIS SUMMER

Curious about what it's like to drive an electric vehicle (EV)? Now's your chance to find out, right here in our community.

The municipality's Clean Energy team is once again partnering with Next Ride to offer free EV test drives across the region this summer. Last year, 338 residents had the chance to get behind the wheel, learning firsthand how EVs perform and how our growing charging network supports their use.

With more Level 2 and Level 3 fast chargers being installed across the municipality, it's easier than ever to consider making the switch to electric. Whether you're interested in reducing your emissions, saving on fuel, or just curious about the technology, this is a great opportunity to learn more. Sixteen events are scheduled for this year, and some locations do fill up quickly. If you're in a rural area like Musquodoboit Harbour, we'd especially love to see more local engagement, so please help spread the word! You can find full event details and learn more about the municipality's EV charging network at halifax.ca/ev.

COUNCILLOR CATHY DEAGLE GAMMON

WAVERLEY - FALL RIVER - MUSQUODOBOIT VALLEY

OUTDOOR POOLS AND BEACHES OPENING FOR 2025 SEASON

The Halifax Regional Municipality is advising residents that the Bedford and Cole Harbour outdoor pools, as well as all supervised municipal beaches (pending water testing results), will open for the season on Tuesday, July 1.

A full list of supervised beaches can be found on [our website](#). Please note that Taylor Head Beach will now be supervised and Malay Falls will no longer be supervised. The Halifax Common pool, as well as municipal splash pads, opened on Sunday, June 15. Please note these facilities will now have extended hours of operations for the summer.

The municipality will also begin testing water quality for bacteria levels and monitoring for blue-green algae at all municipally supervised beaches on Tuesday, July 1. Testing will continue until Sunday, August 31.

High bacteria levels can be caused by a number of factors, including dogs, birds, wildlife, heavy rainfall and impacts from climate change such as high temperatures, lower water levels and decreased rainfall.

In the event of a recreational water quality advisory due to high bacteria levels, staff will continue testing the water and lift the recreational water quality advisory when the results are within Health Canada guidelines for swimming. In the event of a closure due to a possible blue-green algae (cyanobacteria) bloom or mat, staff will investigate the bloom and reopen the beach when the risk of high levels of blue-green algae toxins has passed. For more information, visit [our website](#).

REC VAN VISITING COMMUNITIES ACROSS THE REGION

The Halifax Regional Municipality is advising residents that the Rec Van will once again be travelling across the region this summer. Starting Wednesday, July 2nd, the Rec Van will travel to different rural communities from Mondays to Thursdays every week. A range of recreation activities will be offered, including baseball, basketball, soccer, washer toss, giant checkers, archery, skipping and more. Rec Van services are free for residents and open to all ages. The final day of the Rec Van will be Friday, Aug. 22. For more information, including the complete Rec Van schedule, visit: halifax.ca/RecVan

STUDENT TRANSIT PASS PROGRAM TO CONTINUE IN 2025-26 SCHOOL YEAR

The Halifax Regional Municipality is announcing that the Student Transit Pass Program will continue for the 2025/26 school year, and 2024/25 passes are extended until Sept. 12, 2025. All students in grades 7 to 12 attending junior high and high schools registered at the Halifax Regional Centre for Education and Conseil scolaire acadien provincial will have access to free travel on all Halifax Transit services. Starting in September 2025, registered homeschooled students in grades 7 to 12 who live in the Halifax region will also be eligible to receive a free Student Transit Pass. Information on pass distribution for homeschooled students will be shared in early September. The continuation of the program has been made possible through a funding agreement between the Province of Nova Scotia and the Halifax Regional Municipality.

Clarification - In my print newsletter I stated in the Update: The all-weather turf field is scheduled to open in September 2025. While the field is anticipated to be done by the end of September 2025, the fieldhouse construction is expected to be complete by Spring 2026. Without the fieldhouse complete, there would be no field monitor, equipment storage or location to store the scoreboard controller. Public bookings would likely start after the fieldhouse is complete.

McDonald Sports Park Local contractors Corey Ronald Horrocks and Paul Fraser are hard at work in the park this week doing trail repairs and landscaping. Please respect trail closures and watch out for heavy equipment - give them the room they need to make our park better!

The Big Five-O Activity Challenge

Join us in the month of July as we celebrate our 50th anniversary with the big Five-O Activity Challenge! Open to all ages, you can complete one of the following challenges:

#1 - July Month Long Challenge:

Throughout the month of July, walk, run, bike, or paddle a total of 50km in McDonald park. If you don't have a fitness app to track your activity, an easy way to do it is a total of 10 laps of the park using the trails shown on the map below. If you're paddling (or swimming!), the length of Lake Thomas from our dock to the highway 102 bridge is approximately 1.5km.

#2 - The 50 Minute Challenge:

On the "Big Day" (July 26th, rain date July 27th) walk, run, bike, paddle, or swim for a total of 50 minutes in the park or in Lake Thomas.

#3 - The 50km Challenge: On the "Big Day" (July 26th, rain date July 27th) walk, run, or bike a total of 50km in the park in one day (you just might see some of the WAAA board members in this one! To register, send your name along to info@mcdonaldsportspark.com.

Let us know which challenge you'd like to participate in, and you'll receive a certificate of accomplishment on the "Big Day".

E-NEWSLETTER/SUBSCRIBE

The District 1 newsletters, are available on my [municipal website](#), or to request to be added to the distribution list, please contact my Council Constituency Coordinator, Nancy Viner at Nancy.Viner@halifax.ca.

LAND ACKNOWLEDGEMENT

The Halifax Regional Municipality honours and recognizes the importance of the Indigenous people (First Nation, Métis, and Inuit) and their cultural contributions to the tapestry of our region. The Halifax Regional Municipality is located in Mi'kma'ki, the ancestral and traditional lands of the Mi'kmaq people. The municipality acknowledges the Peace & Friendship Treaties signed in this Territory and recognizes that we are all Treaty People.
