Chair of CPED,

As a parent of youth athletes and the President of the Bedford Skating Club, I'd like to share with CPED some of the impacts of ice allocation and availability on the provision of Skate Canada's recreational and competitive programs at the Bedford Skating Club.

The goal of the presentation is to impress upon the Committee the:

- impacts of HRM Rate Fee By-law for Spring and Summer on the season for skating athletes,
- challenges for the Bedford Skating Club created by the current ice allocation process and policy, and
- the need to consider whether HRM has and is planning for enough ice surfaces with appropriate availability to support local sports clubs.

The presentation would be provided by me and The Bedford Skating Club's administrator and Skate Canada National Level Coach, Becky Whalen.

You can learn a little bit more about the Bedford Skating Club, one of five clubs located in HRM at <https://www.facebook.com/BedfordSkatingClub/posts/pfbid02uteyfVUNfjFj7dmRouuNTkQMmQHHhaXKda8PLDfiyu1RZzeeK55SKnGvtuZCHe5l>

Thank you

-Marni
