Dear Clerks Office,

I'm writing on behalf of Prescott Group to request an opportunity to present to the Audit and Risk Standing Committee at an upcoming meeting, if possible on September 17th.

We would like to share an update on our recent \$2.8 million development project on Clyde St, and highlight how our innovative, trauma-informed, and fully accessible space is supporting employment, inclusion, and meaningful community participation for vulnerable populations in Halifax. We will also be requesting support from the municipality to help complete and sustain this critical work.

Please could you let us know the next available opportunity to be added to the agenda. I would be able to send a full copy of the presentation early next week.

Thank you so much for your consideration,

Alice
