HALIFAX REGIONAL
MUNICIPALITY

MUNICIPAL CLERK

[This email has been received from an external person or system]

Good afternoon,

I am writing to request to present to the CPED committee at their Nov 20th, 2025 meeting, as the coordinator for Our HRM Alliance. The Alliance is a coalition of 64 organizations across the HRM who are working to protect and expand greenspace, and advocate for the building of complete communities. One of the major issues we have worked on and continue to be invested in is the Halifax Green Network Plan. A progress report for the plan has been expected for a few months now, and continues to be delayed.

My purpose for speaking would be to give a brief, informative presentation, re-emphasizing the interests of residents and the importance of the HRM progressing on the Halifax Green Network Plan, a priority plan for the municipality. This is particularly relevant, as the Regional Plan approaches finalization, and plans for the Suburban Plan start to take shape. It would also be to give an update on what local communities are doing to support the goals of the HGPN.

Thank you for your consideration, and I look forward to hearing from you.

Best,

Jillian Ramsay (she/her) Sustainable Cities Coordinator Kijipuktuk, Unceded
