Subject: [External Email] Request for Presentation to HRM Environment and Sustainability Committee on August 7, 2025 – TCX Energy Solar Garden

[This email has been received from an external person or system]

Dear Municipal Clerk,

I hope this message finds you well. I am writing to request the opportunity to present to the Halifax Regional Municipality (HRM) Environment and Sustainability Committee during its meeting on August 7, 2025, regarding the TCX Energy Solar Garden project.

The presentation will outline the TCX Energy Solar Garden initiative, focusing on its potential to advance renewable energy adoption, enhance community sustainability, and support HRM's environmental goals. We believe this project aligns with the municipality's commitment to clean energy and would provide valuable insights for the committee's consideration.

Please advise on the process for securing a spot on the August 7 agenda, including any requirements for presentation format, duration, or supporting materials. We are happy to provide additional details in advance. If August 7 is not suitable, we are open to alternative dates that fit the committee's schedule.

Thank you for considering this request. We look forward to your response and the opportunity to discuss how the TCX Energy Solar Garden can contribute to HRM's sustainability objectives.

Best regards,

PULKIT GUPTA
CHIEF ENGINEER
