NATIONAL DAY OF REMEMBRANCE AND ACTION ON VIOLENCE AGAINST WOMEN

The National Day of Remembrance and Action on Violence Against Women on **Dec. 6** serves as a platform to raise awareness, challenge misconceptions, and advocate for the rights and well-being of people with disabilities.

What is gender-based violence?

Gender-based violence (GBV) is committed against someone based on their gender identity, gender expression or perceived gender. GBV disproportionately impacts women and girls as well as Indigenous Peoples, 2SLGBTQ+, gender diverse, non-binary individuals, persons with disabilities, newcomers, children and youth, and seniors.

- According to the [Nova Scotia Domestic Violence Resource Centre](#), women in Nova Scotia are approximately 45 times more likely to be murdered by a spouse or intimate partner than they are by a stranger (57.9 per cent versus 1.3 per cent).
- Women who self-identified as lesbian or bisexual reported significantly higher rates of violence by a partner than heterosexual women.

How can you help?

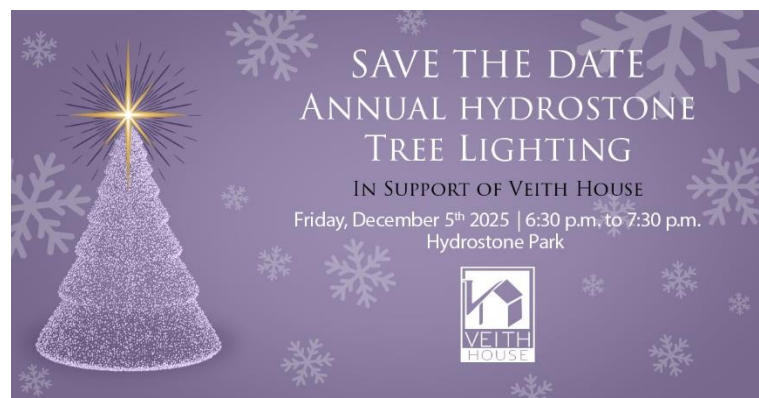

Preventing and ending gender-based violence is everyone's responsibility. You can be part of the solution when you:

- Listen to and support survivors of gender-based violence.
- Speak up when you see harmful behaviour and maintain confidentiality if someone in the workplace has experienced gender-based violence.

If you or a loved one is experiencing violence, speak with someone you trust about getting support.

- Call 911 if you or someone you know is in danger.
- To connect with community services including legal aid, counselling, family resource centres, housing, and accessibility support within the municipality, call 211 or [search online for community resources](#).
- See the Nova Scotia Advisory Council on the Status of Women's [Resource Map](#).

ANNIVERSARY OF THE HALIFAX EXPLOSION

Dec. 6 marks the 108th anniversary of the Halifax Explosion, one of the most devastating events in our city's history.

On the anniversary, residents are invited to gather at 9 a.m. at the Bell Tower in Fort Needham Memorial Park for the annual Halifax Explosion Memorial Service to honour the lives lost and the resilience of those impacted.

On Dec. 6, 1917, the collision of the French munitions ship Mont Blanc and the Norwegian relief ship Imo in the Narrows of Halifax Harbour caused a catastrophic explosion. The blast leveled much of north-end Halifax, killing over 2,000 people and injuring 9,000 more and buildings throughout Halifax and Dartmouth were significantly damaged.

At 9:04 a.m., naval ships across the Dockyard will sound their whistles for one minute in remembrance.

MUNICIPAL BUDGET CONSULTATIONS UNDERWAY

Halifax Regional Council has begun the 2026/27 municipal budget process with the release of the proposed Budget Direction on Nov. 19. The annual municipal budget funds all municipal operations and services, including transit, police, fire services, parks, snow clearing, waste collection, capital projects, and required contributions to reserves.

As is typical during the budget cycle, the initial figures presented are a starting point for Council's deliberations. Through the budget consultation and adjustment process, Councillors will have the opportunity to propose changes to the staff recommendations to find efficiencies while balancing the core services the municipality needs.

This year's starting Budget Direction reflects an estimated \$88.9 million increase needed to maintain service levels, meet contractual and inflationary costs, and support previously approved initiatives. Based on current projections, this would require an average residential property tax bill increase of approximately 10.5%.

Business units will present their proposed budgets to the Budget Committee over the coming weeks. Residents will have opportunities to follow deliberations online and participate directly during the public participation portions of each meeting. Members of the public may speak in person or virtually, and can register or submit written correspondence through the meeting agenda page on [Halifax.ca](https://halifax.ca), where instructions are posted for each session.

NORTH END COMPLETE STREETS ENGAGEMENT

The Halifax Regional Municipality is launching North End Complete Streets Phase 2, an Active Transportation planning project, to make North End streets safer, more comfortable and more accessible for residents.

This project focuses on improving sidewalks, pedestrian crossings, bikeways and public spaces, while respecting the area's history and identity. And we need your feedback.

Share your feedback in person at an engagement session on Thursday, **Dec. 4**, or complete a survey online.

PARKING BAN

The overnight winter parking ban is in effect every year from Dec. 15 until Mar. 31; however, it is only enforced during declared weather events and clearing operations. When the ban is enforced, it restricts any on-street parking between 1 a.m. and 6 a.m. Vehicles in violation of the ban will be ticketed and/or towed.

Remember to stay informed about the status of the parking ban and please think before you park.

WINTER GARBAGE COLLECTION

As the snow season approaches, please remember to place waste for curbside collection in a spot that won't interfere with sidewalk or road clearing. To help our crews keep pathways safe and accessible, place waste at the edge of your driveway, not on the sidewalk or road.

SNOW CLEARING

Snow clearing in our municipality is a big job and if stretched into a straight line, it would reach from Halifax to Winnipeg. Streets and sidewalks are prioritized based on commuter usage and access to key infrastructure.

OPERATION CHRISTMAS BEGINS

Operation Christmas, an annual province-wide campaign that aims to reduce impaired driving, has begun.

Operation Christmas was kicked off this morning on Citadel Hill, where law enforcement agencies and public safety partners from across Nova Scotia gathered to speak about the impacts of impaired driving.

Officers then set up checkpoints across Halifax Regional Municipality to conduct enforcement and hand out educational materials about the dangers of impaired driving.

This year, Halifax Transit supported Operation Christmas by donating hundreds of transit tickets for officers to distribute at roadside checkpoints. The donation served as an important reminder that there are always safe alternatives to driving impaired.

Operation Christmas will continue throughout the month of December with an increased number of roadside checkpoints across Nova Scotia.
