CHRISTMAS TREE DISPOSAL

After the holidays, an option for disposing of natural Christmas trees is to place them curbside. They will be picked up on your regular green cart collection day. Remove all plastic, tinsel, ornaments, metal rings, nails, stands and plastic tree bags.

Did you know? Some no profit groups actively seek out natural Christmas trees for repurposing, such as for animal feed. Consider this disposal option before putting your tree to the curb.

For more on how to manage your waste download the Halifax Recycles app or click [here](#).

SHARED MICROMOBILITY PILOT PROGRAM PAUSE

The shared micromobility pilot program paused for the winter season on Monday, Dec. 15.

Bird Canada e-scooters and e-bikes will be removed from service until spring 2026.

Keep an eye out for updates on their return in spring 2026. For more details and information on the program please visit our [website](#).

WINDSOR STREET EXCHANGE LANE REALIGNMENT

Significant transit detours and traffic changes are now in effect as part of preparation work for the Windsor Street Exchange Redevelopment Project.

Transit Impacts

On Dec. 8, routes 135, 136, 137 and 138 went on a long-term detour (PM trips only) due to preparation work for the Windsor Street Exchange Redevelopment Project. This detour will be in place for approximately two years. Express Routes 135 and 138 will detour using Gottingen St., Novalea Dr., Duffus St., and Lady Hammond Rd. Service to 2 bus stops will be impacted.

Express Routes 136 and 137 will detour using Barrington St, Devonshire Ave, Duffus St, and Lady Hammond Rd. Service to 4 bus stops will be impacted.

Route 39 to Lacewood Terminal will detour using the Barrington St. Ramp, Barrington St., Duffus St., and Lady Hammond Rd. No bus stop service will be impacted.

Traffic Impacts

Highway 111 is being realigned between the Windsor Street Exchange and Massachusetts Avenue, and the continuous lane from the outbound Massachusetts Avenue ramp is being removed. Drivers from this ramp will now need to merge with traffic from the MacKay Bridge and Barrington Street. Expect delays in this area and consider alternate routes where possible.

AFRICAN HERITAGE MONTH OPENING NIGHT CELEBRATION

In 1984, Halifax Public Libraries and the Black History Month Association launched their inaugural Black History Month program in Halifax. More than 40 years later, we are looking back on the many moments, leaders, achievements, and struggles that have shaped where we are today.

The Halifax Central Library will be hosting the annual kick-off event on Wednesday, Jan. 28 from 7 p.m. until 9 p.m. The evening will feature performances, refreshments, and lots of memories (old and new!).

This year's African Heritage Month provincial theme is **"Strength in Unity: Moving Forward with Purpose, Prosperity, Power, and Progress."** The theme speaks to the power that comes when African Nova Scotians and people of African descent stand together with a shared sense of direction. It recognizes unity as an active force for change that strengthens communities, advances justice, and creates new opportunities.

To find out more information about the kickoff event and other African Heritage Month events being hosted by the Halifax Public Libraries can be found on their events page of their [website](#).

HOUSING ACCELERATOR FUND PROGRESS

The municipality is making strong progress under the Housing Accelerator Fund (HAF), a federal program that supports faster housing development across Canada.

Since signing its agreement in October 2023, Halifax Regional Municipality has:

- Achieved 77.5 per cent of its three-year housing permits target and is expected to surpass the goal before October 2026.
- Completed 10 of 11 initiatives outlined in its HAF Action Plan.
- Received \$39 million in funding so far, with another \$19.8 million expected by late 2025.

The federal program, administered by the Canada Mortgage and Housing Corporation, provides funding to municipalities that remove barriers and accelerate housing supply. The municipality's Action Plan sets a target of 15,467 new housing units over three years, an increase of more than 20 per cent compared to historical growth. This includes about 2,600 net new units over the life of the project.

The program runs until 2026 and rewards municipalities for meeting critical milestones. HRM's success means more housing options for residents and continued federal investment in the region.

For more information, read the [information report](#).

SUBURBAN PLAN FEEDBACK

The Halifax Regional Municipality is developing a Suburban Plan, a new planning document that will guide growth and change in our suburban areas.

Residents will have opportunities to share their ideas and help influence the Suburban Plan throughout the planning process at open houses and through an online survey.

The open house for Clayton Park and Fairview will be held on Jan. 28, from 2 to 4 p.m. and 5:30 to 8 p.m. at the Canada Games Centre

The goal of the suburban planning process is to update land use policies under one plan while respecting each community's unique history, characteristics and aspirations.

The survey will remain available until June 15, 2026. Learn more and fill out the survey by visiting the Engage Halifax [website](#).

SLED SAFETY

Sled safely this winter. Remember – municipal parks aren't set up, inspected or maintained for sledding, and obstacles can be hiding beneath the snow. Sledding in parks is at your own risk.

No matter where you sled, be sure to wear a helmet and watch for hazards like trees, rocks, fences, benches, and play equipment.
