MOTIONS OF RESCISSION

Alderman Sullivan Re: Rescission of Motion of City Council of July 29, 1978 re Fairview Cove Container Pier Lease and Negro Point Park

---

At the last regular meeting of City Council, Alderman Sullivan gave Notice with respect to the above noted matter.

Alderman Sullivan presented his reasons for the proposed Motion of Rescission and MOVED, seconded by Alderman Clarke that the action of City Council of July 29, 1978 with regard to the lease and sub-lease between the City and the Province of Nova Scotia, be rescinded.

His Worship noted that at the last regular Council meeting when Alderman Sullivan presented his notice, the Mayor drew attention to the Rules of Order to the effect that a Notice of Motion to Rescind would not delay the action authorized by Council and at that time, asked the Alderman if he wished to attempt to stay proceedings as provided for in the Rules of Order. His Worship noted that Alderman Sullivan did not pursue that course of action.

His Worship said he has been advised by the City Solicitor that the document has been fully executed by the City and sent forward on Monday saying the Council action authorized on June 29th has been carried out.

The Motion was put and lost with Deputy Mayor Shannon, and Aldermen Maley, Wooden, Hanson, Moore, and Lawrence against.
