Petition On Behalf of The Former Residents of Africville

We the undersigned petition the city for the naming of the North End Community Park which is going to be placed in the former community of Africville.

It is the concensus of the undersigned that the park be named, "The Africville Memorial Park," because of the historical importance the community of Africville has played in the history of the Black Community in Nova Scotia

The following is a list of four different possible names for the park which is going to be located on the old Africville community. You are to pick one or more names that you would like to have the park called.

Because of the limited time available to submit this petition we were unable to survey all the former residents but we feel that those surveyed reflect the whole range of attitudes and ages of the community. If more names are necessary we will be glad to provide them. Your consideration in this matter will be deeply appreciated.

Thank You.
