

## DISTRICT 2

# Grace Robinson Crawley

Grace embodies the spirit of a genuine volunteer. She continuously takes the initiative to seek out understanding and how best to move forward toward her goal of ending homelessness. She encourages other youth and community members to become more educated and to find their own ways of being involved in projects they believe in. Halifax Regional Municipality and the social advocacy community as a whole are enhanced by the passion and commitment Grace demonstrates through the organization she founded called Got Your Back!
