

DISTRICT 2

Leah Stienburg

Leah is a natural leader and puts her heart into everything she does. She is adored by each organization she volunteers at and has earned that respect through hard work and dedication. She is passionate about her community and will find any way to lend a hand if possible. She is on her school Student Council, volunteers with the Musquodoboit Harbour Library, Memory Lane Heritage Village, the Anderson House and more. She is an asset to our community and we are lucky to have her.
