

## DISTRICT 2

# Gary Stronach

Gary has volunteered at all of our Mineville Community Association events and organized the community cleanup for the last several years. He puts up the tree and installs the lights for the Christmas tree lighting ceremony each year. He has utilized his carpentry skills to build decks, fix the community building, construct a fire pit, install bike racks, build a pickleball racquet stand and many other valuable projects for the community. He has also assisted in organizing pickleball events at Bennett Park. His dedication to making Mineville a better place to live is greatly appreciated by the residents.
