

## DISTRICT 9

# Mohamed Nashnoush

Mohamed's intense drive and determination to give back to his community has been unparalleled by any other person in my experience. His resilience and persistence have propelled him to take on new challenges as a volunteer and we as a community are so grateful. As a volunteer with many organizations such as Camp Hill Veterans Memorial, the STEM Fellowship, the Yarmouth Refugee Support group, and MEDLIFE, he has contributed to a caring and vibrant community.
