Linda Lawlor

Over the past three years, Linda has contributed over 1,200 volunteer hours to the CNIB Foundation, assisting at the front desk and many of our events. More impressive than the wealth of time she has contributed is the incredible impact this time has made. Linda goes above and beyond to make the CNIB office a better place to be. Her presence creates a positive experience for all at CNIB, making clients more likely to come back and refer clients in need, while increasing the productivity of staff. She is an incredible volunteer that CNIB is thankful to have!
