Alexander Hancox

Alex is a role model for volunteerism – a true mentor! His goal is to see others supported and he believes in equality. Alex has served as the chair of the non-profit Memory Lane Family Place Association and the Sackville Lions Club. His continuous contributions to these two organizations, plus his time spent as a volunteer firefighter, total over 37 years.

Alex is 100% dedicated and committed to everything he does and he goes the extra mile, whether it was when he helped fight fires, worked in the Bingo hall, sold Christmas trees or danced with his lovely wife at Christmas parties. This 90-year old gentleman is a gem and is always ready to serve in any capacity. A true inspiration!
