

Neighbour Week 2025

Neighbour week: Plan on a page

Building community, one neighbour at a time!

Purpose: To celebrate community spirit, foster connections, and encourage neighbourly interactions within local neighbourhoods.

Goal: To build a stronger, well-connected community through fun activities, relationship building and collaborative events.

Key outcomes:

- encourage people to meet nearby neighbours
- strengthen community bonds to help create the capacity to address local priorities
- organize inclusive, fun and diverse activities for all ages
- promote a culture of kindness and mutual support
- create awareness of Neighbourhood & Volunteer Services Team and programs
- increased partnerships with other municipal BUs to promote existing community supports and resources

Possible actions:

- organize a potluck picnic in the local park to bring people together.
- block parties
- host an informal meet your neighbour event with coffee and snacks
- Organize a community cleanup to beautify the neighbourhood
- Plan fun family games and activities
- host an event to showcase hobbies or special skills
- invite local artists for performances or exhibits
