Application Deadline March 31st, 2024 (If the deadline falls on a weekend or holiday, the deadline will be the next business day)

Other municipal grants programs
The Community Grants Program is one of a number of programs offered by the Halifax Regional Municipality. If your project does not fit the Community Grants Program mandate, or if you have other projects on the horizon, be sure to explore our other opportunities at: www.halifax.ca/grants.

Support and recognition for volunteers - HRM’s annual Volunteer conference
The municipality’s Neighbourhood and Volunteer Services team offers an annual conference each November. Held once a year, this conference provides residents with an opportunity to network, celebrate and participate in workshops on relevant topics, like grant writing, fundraising, board governance, engaging youth, community event planning, marketing your organization, and volunteer recruitment and engagement. For information please see: www.halifax.ca/about-halifax/volunteering/volunteer-conference

Volunteer awards
Each year during National Volunteer Week, the Halifax Regional Municipality holds an award ceremony to acknowledge and honour the contributions of volunteers and volunteer organizations in our communities. For information please see: www.halifax.ca/about-halifax/volunteering/volunteer-awards

What is the Community Grants Program?
The Community Grants Program provides funding opportunities to support non-profit organizations and volunteers in providing a range of leisure, learning and recreational opportunities for residents and the provision of programs, services and amenities to enhance public safety and the well-being of individuals and families with special needs.

Applicants unsure which category applies to their project can email nonprofitgrants@halifax.ca or call 902.497.0479 for assistance.

About this guidebook
This guidebook is to help applicants understand the Community Grants Program. This program is provided under the direction of Regional Council as outlined in the Community Grants Program Administrative Order. In the event of a conflict between this guidebook and the administrative order, the administrative order prevails.

First-time applicants
First time applicants are strongly encouraged to contact Grants and Contributions staff to discuss their application before submission. Staff can be reached by email at nonprofitgrants@halifax.ca or telephone 902.497.0479.

Priority outcomes
Priority outcomes for each category can be found in the funding categories section of this guidebook. Requests may range between $500 – $5,000. An exception to this limit is made for capital grants, which may be funded up to $25,000.

Previously funded projects
Non-profit organizations are encouraged to view previously funded projects. This information is available online on the Halifax Regional Municipality grants website to learn more.
Eligibility of community groups
Organizations eligible to apply to the program must be registered under one of the following legislative acts:
- a non-profit society incorporated under the Nova Scotia Societies Act
- a non-profit association incorporated under the Nova Scotia Co-operatives Associations Act
- a not-for-profit corporation incorporated under the Canada Not-for-Profit Corporations Act
- a non-profit organization otherwise incorporated under an act of the Nova Scotia Legislature or an act of the Parliament of Canada
- a charitable organization registered under the Income Tax Act (Canada) and registered with the Canada Revenue Agency

Registration requirements
The organization must be registered for at least one year prior to the Community Grants Program application deadline. Registration must be in good standing meaning the registration status of the applicant has not been revoked or suspended.

Joint Applications
- Joint applications from two or more eligible non-profit organizations are acceptable but the maximum value of grant remains the same. Grants will not be issued to unregistered groups, except in the case of a joint application in partnership with a registered non-profit or charitable organization. Any award will be issued to the registered co-applicant.
- Each applicant party to a joint application must sign the application form and provide a financial statement showing revenues, expenses, assets and liabilities. If the unregistered group does not have a financial statement, this should be disclosed in the application. A simple statement of the unregistered group’s cash position may be substituted, as applicable.
- If a joint application is successful, payment will be made to only one, registered organization that is party to the joint application. The recipient of a grant shall submit a final report by the reporting deadline stated on the form provided by the Municipality, which shall include proof acceptable to the Municipality of expenditures funded using the grant. A grant recipient that fails to submit a final report by the stated deadline shall have its eligibility to apply for grants suspended for a term not to exceed three consecutive years. An applicant may have their eligibility restored prior to the end of the term of suspension upon the Municipality receiving the final report with proof to the satisfaction of the Municipality of expenditures funded using the Municipality's grant. Where eligibility is restored it will be effective for grant applications for the following fiscal year.

Late or incomplete applications will be deemed ineligible for consideration.

Only projects located within geographic boundary of the Halifax Regional Municipality are eligible for a grant. The Community Grants Program supports non-profits and charities which are located within the Municipality.
Ineligible grant expenditures

No portion of a grant awarded under this program shall be used for:

- an organization’s operating costs including but not limited to salaries, wages, insurance, utilities, rent, debt, or registration fees
- a stipend, bursary, scholarship, honoraria, prize, financial gift or item(s) for personal ownership
- leasehold improvements, repairs and/or fixed upgrades to a building, land or equipment that is not owned by the applicant(s)
  - An exception may be made for improvements to land leased from the provincial or federal government (public property) if the tenant has a lease agreement of five years or more, the owner has provided their written consent for the work and application has been made for provincial or federal funding in support of the same project in an amount equal to or greater than the municipal funding requested. If a grant is awarded funds will be held pending confirmation of successful provincial or federal funds.
- leasehold improvements to municipal or private property will not be considered
- housing or residential accommodations used for an institutional purpose, private ownership or any part of a dwelling provided as an employment related benefit
- costs associated with the purchase of surplus municipal property in accordance with Section 17, Schedules 1 and 2 of Administrative Order 50
- events including but not limited to a dinner, trade show, reunion, meeting, conference, festival, fundraising event, or tournament
- consumables including but not limited to office supplies, travel, admission or membership fees, food, utilities, or fuel
- academic or school-based projects or educational programs including preschool and childcare programs and facilities
- projects directly or indirectly serving the interests of a trade, profession, industry, commerce or business, including a sole proprietorship
- economic development or employment except for an inclusive employment project, program, service or amenity exclusively serving persons with a disability
- a medical/health program (e.g. group or individual counseling), service, amenity, facility or equipment
  - international development
- pre-paid expenses
- a project, program, service or facility that advances a political or religious doctrine

Contact staff for information on your project cost eligibility if required.
Type of grants

Project grants: the dollar value of a project grant ranges from $500 to $5,000.

Capital grants: the dollar value of a capital grant ranges from over $5,000 to a maximum of $25,000. Capital projects which request a grant of more than $5,000 must provide two competing quotes or, where it is not possible to obtain competing quotes, a statement explaining why only one quote is provided in the application. Applications without quotes may be declined. Applicants are not required to select the lowest priced quote.

For clarity, capital grants shall only be awarded towards the following:

- the purchase of real property
- construction, repairs, renovation, upgrade or improvements to real property owned by the applicant
- the purchase of a large or specialized item of equipment costing over $5,000 per item
- a public artwork, monument, or installation

An application for a capital grant will only be considered if the applicant is the owner of the asset. An exception can be made with respect to a capital improvement to land leased from the Government of Nova Scotia or the Government of Canada. Excludes a facility or building owned by the Government of Nova Scotia or the Government of Canada.

The following conditions apply:

(i) the applicant has a signed lease agreement with a minimum of five years remaining or a renewal option
(ii) the property owner has provided written consent
(iii) an application has been made for provincial or federal funding in support of the project in an amount equal to or exceeding the value of municipal grant requested

Preference may be given to amenities open to the public at no or low cost.

Capital improvements to municipal or private property will not be considered.
Application and decision-making process

The process usually takes five months from program launch to approval by Regional Council. Typically, the Community Grants Program begins accepting applications in January of each year. The intake period and application deadline will be established by staff and advertised in all print and digital media and stated in the application form and program guidelines.

If the application deadline falls on a weekend or a holiday the application deadline shall be the next business day. The application deadline might also be extended in the event of a major disruption to service. For example, a severe weather event.
The grant approval process
Staff will evaluate projects according to the scoring criteria for the applicable funding category. You can find the evaluation criteria in this guidebook accompanied with each funding category. A staff report is presented to the Grants Committee, which will make a formal recommendation to Halifax Regional Council. Halifax Regional Council makes the final decision.

Please note preference may be given to:

- organizations not in receipt of recurring municipal, provincial, or federal government funding
- by the type and scope of public benefit in terms of one or more of the following: accessibility, diversity, affordability, or inclusivity
- applicants ineligible for consideration under another municipal grant program
- geographic or interest-based communities with limited access to public amenities;
- or amenities open to the public at no or low cost.

Notification of awards
Staff will contact you with Regional Council’s decision. If approved a grant may be issued in full, in installments, or held-back pending confirmation that specific requirements have been met.

Responsibilities of grant recipients
Organizations receiving an award must submit a final report on or before March 31 of the following year. Instructions on reporting will be provided with your letter of notification. The recipient of a grant shall submit a final report by the reporting deadline stated on the form provided by the Municipality. A grant recipient that fails to submit a final report by the stated deadline shall have its eligibility to apply for grants under this Administrative Order suspended for a term not to exceed three (3) consecutive years. An applicant may have their eligibility restored prior to the end of the term of suspension upon the Municipality receiving the final report.

Acknowledgement
For guidance on acknowledgments or use of the Halifax Regional Municipality logo, please contact Grants & Contributions. The recipient of a grant shall submit a final report by the reporting deadline stated on the form provided by the Municipality.

Changes to projects
If the funded project cannot be completed as planned, or cannot be undertaken, please contact the Grants and Contributions office for guidance at 902.497.0479. In some cases, an extension may be permitted and funds may be carried forward to the next fiscal year. If an extension is approved, the term of an extension will be for up to 12 months and confirmed in writing.
Refund of ineligible expenses
Your letter of notification will specify the value of the grant and the expenditures supported by the grant. Use of funds towards expenses not approved by the grant may result in a request to repay the municipality and/or suspension of eligibility for up to three years.

Refund of grant balance
If it is necessary to refund all or a portion of a grant, a cheque payable to Halifax Regional Municipality may be sent to the Grants and Contributions office. If the unspent balance remaining in the municipality's grant is $50 or more the funds shall be returned to the municipality.

Funding Categories

Affordable Housing
Purpose
Enhance housing availability, suitability and affordability.

Priorities
• Housing in underserved, remote, rural or suburban communities located outside the regional center.
• Housing for persons who face barriers to tenancy based on income, age, race/ethnicity, disability, sexual orientation, gender identity, immigrant or refugee status
• Enhance building safety and state of good repair

Improvement or repair of buildings. Upgrades to address building code requirements.

Note
Grants for accessibility upgrades are addressed under the diversity and inclusion funding category. Energy efficiency is funded under the environment funding category.

Examples of eligible organizations include non-profit housing cooperatives and non-profit housing organizations. Organizations should confirm eligibility to HRM’s Affordable Housing Grant Program prior to applying to the Community Grants Program.

Ineligible for consideration: employment related benefit (manse, camp staff residence), private ownership residence (e.g., condominiums or houses).

Community Arts
Purpose
Encourage residents’ engagement in the arts as a learning or leisure activity.

Priorities
- projects that engage residents in the arts as a community engagement activity, or to preserve and express cultural identity
- broaden the inclusion and active participation of diverse identities, whether those identities are based in ability, culture or geographic location
- the production and presentation of works by non-professional arts organizations and organizations whose mandate is not arts based

Examples of eligible organizations include non-professional arts organizations (i.e. theatre, music, dance, literary arts, media arts or crafts). Groups whose mandate is not arts but would like to undertake an arts based project.

Community Histories

Purpose
Protect, interpret and present the region's culturally diverse histories.

Priorities
• broaden the inclusion and active participation of diverse communities
• engage residents in community-based research, interpretation and presentation
• encourage self representation

Restoration of heritage properties owned by registered not-for-profit organizations may apply in this funding sector. Applicants are required to have heritage planner approval for their projects before submitting their application. Contact information can be found on-line at halifax.ca/home-property/heritage-properties

Examples of eligible organizations include historical societies, an organization developing a project to commemorate an historical person, place or event.
Diversity and Inclusion

Purpose
Address barriers to participation based on physical or cognitive disability, race or ethnicity, sexual orientation or gender identity or income.

Priorities
• actions to identify and reduce barriers to access a program or service due to a physical or cognitive disability
• actions to address the representation and participation of persons, families, and communities based on race, ethnicity, sexual orientation, gender identity, geographic location or income
• projects that present the municipality as a welcoming community to immigrants, refugees, and newcomers.

If a Community Grant is approved by Council, the grant is subject to conditions that will be set out in the written notification to the recipient at the time of approval, including the following:

1. a grant awarded under this program shall only be used for the project as set out in the application and approved

2. the expenditures shall be made in the same fiscal year (April 1 – March 31) in which the grant was approved unless an extension has been approved in accordance with the Community Grants Program Administrative Order

3. no portion of a grant awarded under this program may be used for ineligible expenditures as set out in the Community Grants Program Administrative Order

4. the grant recipient shall submit a final report by the reporting deadline set out by the municipality, which shall include proof acceptable to the municipality of expenditures funded using the grant

5. any surplus funds of $50 or more remaining at the time of the final report shall be returned to the municipality when the final report is submitted
Failure to comply with the conditions of the grant may result in ineligibility for such a grant in future years in accordance with the *Community Grants Program Administrative Order*.

**Waiver**

We submit this application for approval of a community grant with the full knowledge and authorization of the applicant organization and hereby certify that we are the authorized signing officer(s) of the applying organization (at least one of which is a member of the Board of Directors) and that this application is true and accurate to the best of our knowledge. We have read and understood this form and agree to the conditions of approval.
