AUDITORS' REPORT

To His Worship the Mayor
and Members of Council of Halifax Regional Municipality

We have audited the Operating Fund, Capital Fund and Special Reserve Funds balance sheets of Halifax Regional Municipality as at March 31, 2003 and the statements of operations, equity in capital assets and capital financing for the year then ended. These financial statements are the responsibility of the Municipality's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of Halifax Regional Municipality as at March 31, 2003 and the results of its operations and the changes in its capital position for the year then ended in accordance with generally accepted accounting principles adopted for Nova Scotia Municipalities.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information included in the schedules is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such supplementary information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

HALIFAX REGIONAL MUNICIPALITY

Notes to Financial Statements

Year ended March 31, 2003
(In thousands of dollars)

1. Significant accounting policies:

These financial statements have been prepared to conform in all material respects to the accounting principles prescribed for Nova Scotia municipalities by Service Nova Scotia and Municipal Relations, the more significant of which are as follows:

(a) Non-consolidation:

As the Municipal Council has all pertinent information concerning the resources and results of operations of the various funds, boards, commissions and agencies which are under its control, a Resolution of Council has been passed that consolidated financial statements are not to be prepared.

(b) Revenue:

Major revenue items are recorded on an accrual basis. Certain sources of revenue are recorded on a cash basis.

(c) Expenditure recognition:

- (i) Operating Fund - the Municipality accrues outstanding purchase orders for goods and services received at the balance sheet date. The financial statements include expenditures of approximately \$ 4.8 million (2002 - \$3.6 million) in respect of this policy. The future liability for this amount is included in the balance sheet.
- (ii) Capital Fund - the Municipality accrues expenditures on capital contracts only to the extent for work which has been completed at the balance sheet date. At March 31, 2003, contracts outstanding totalled approximately \$16 million (2002 - \$12 million) for which work has not been completed and for which no provision has been made in the accounts.
- (iii) Interest on debenture debt is not accrued at period-end, but is recorded as an expenditure when paid. No interest payments were in arrears at March 31, 2003.

(d) Fixed assets:

Fixed assets and work in progress are recorded at cost. Funds received through capital assistance programs, cost-sharing arrangements or loan forgiveness are recorded as funding received until a project is complete, at which time, it is then treated as additions to the equity in capital assets. The Halifax Regional Municipality does not record depreciation on its fixed assets. The value of the Municipality's fixed assets is written to nil at the end of their estimated useful lives as prescribed by Service Nova Scotia and Municipal Relations.

HALIFAX REGIONAL MUNICIPALITY

Notes to Financial Statements

Year ended March 31, 2003
(In thousands of dollars)

1. Accounting policies (continued):

(e) Valuation allowances (note 13):

Uncollected taxes:

The Municipality provides an allowance for uncollected taxes which is based on a review of individual accounts plus a percentage of the remaining balances based on past collection experience as follows:

- 2% of commercial and residential taxes outstanding at the end of the current year which have been outstanding less than one year plus;
- 10% of commercial and residential taxes outstanding at the end of the current year which have been outstanding for one to two years plus;
- 20% of commercial and residential taxes outstanding at the end of the current year which have been outstanding greater than two years plus;
- 20% of business occupancy taxes outstanding at the end of the current year which have been outstanding less than one year plus;
- 100% of business occupancy taxes outstanding at the end of the current year which have been outstanding for over one year.

Other receivables:

The Municipality provides an allowance for all other receivables based on a review of the individual accounts outstanding at the end of the year. The amount is estimated taking into consideration all circumstances known at the date of the review.

Unresolved assessment appeals:

The Municipality provides a valuation allowance for unresolved assessment appeals. The amount is estimated based on experience reflecting the probable result of such appeals

(f) Deferred transition costs:

Expenditures incurred as a result of amalgamation are recorded at cost less accumulated amortization. Amortization is calculated on a straight-line basis over 10 years.

Machinery and equipment	110,808	108,023
	\$ 1,356,785	\$ 1,307,534

4. Long-term debt:

Principal payments required in each of the next five years on debt held as at March 31, 2003 are as follows:

2003/04	\$ 37,316
2004/05	37,643
2005/06	33,823
2006/07	30,871
2007/08	27,820

HALIFAX REGIONAL MUNICIPALITY

Notes to Financial Statements

Year ended March 31, 2003
(In thousands of dollars)

5. Obligations under capital leases:

The Municipality has long-term lease commitments with interest rates ranging from 7% to 12.125%. Future minimum payments including interest as at March 31, 2003 are as follows:

2003/04	\$ 2,003
2004/05	1,574
2005/06	1,639
2006/07	1,704
2007/08	1,752
2008/09	1,740
2009/10 to 2054/55	80,935
	91,347
Less interest	(76,653)
	\$ 14,694

6. Commitments:

- (a) The Municipality rents facilities under several long-term operating leases with aggregate annual payments approximating \$ 3.0 million (2002 - \$2.7 million).
- (b) The Municipality has entered into several long-term contracts for waste resources operations, with aggregate annual payments approximating \$ 27.4 million (2002 - \$24.6 million).
- (c) The Municipality has approved the Halifax Harbour Solutions Project with a current capital budget of \$333 million to be spent over 5 years. The project is to be financed by the Environmental Protection Reserve, funds provided by the Governments of Nova Scotia and Canada, and borrowed funds. It is anticipated that debt of approximately \$200 million to be incurred by the Municipality for this project which will be repaid over 25 to 30 years through the Environmental Protection Levy.

7. Contingencies:

- (a) As of March 31, 2003 there are a number of claims against the Municipality in varying amounts and for which provisions have been made in these financial statements as appropriate. It is not possible to determine the amounts that may ultimately be assessed against the Municipality with respect to these claims, but management believes that any such amounts would not have a material impact on the financial position of the Municipality.
- (b) The Municipality is the plaintiff in various proceedings which have arisen in the normal course of carrying on its operations. It is not possible at this time to determine the amounts the Municipality may receive with respect to these claims.

HALIFAX REGIONAL MUNICIPALITY

Notes to Financial Statements

Year ended March 31, 2003
(In thousands of dollars)

7. Contingencies (continued):

- (c) The Municipality guarantees debt issues of the Halifax Regional Water Commission for the Lake Major Facility to a maximum of \$57 million. As at March 31, 2003 this outstanding debt was \$ 50.4 million (2002 - \$52.1 million).

8. Landfill Closure Post Closure Costs:

(a) Sackville Landfill:

The landfill site closed during the year ended March 31, 1997. All costs related to the development and extension of the landfill site, in the amount of \$15.4 million have been written off against equity in capital assets.

A landfill closure plan and an environmental audit have been completed and a coordination and costing of landfill audit recommendations considered.

Management's current estimate for the closure and post closure costs of the landfill site is approximately \$20.5 million. It includes estimated costs associated with final cover, perpetual care, management and monitoring of groundwater and gas levels, necessary leachate treatment plan modifications and operations, removal of buildings, site - cleanup and general site maintenance.

These costs will be funded over a ten year period commencing January 1, 2000 through an annual transfer to a reserve fund, with \$1.6 million (2002 - \$1.6 million) being transferred in the current fiscal year.

The reserve funded \$1.1 million (2002 - \$1.1 million) in current year associated with the post closure costs.

(b) Otter Lake:

This landfill site opened during the year ended March 31, 1999 and is expected to accept waste until the year ended March 31, 2024.

Management's current estimate for the closure and post closure costs of the landfill site is approximately \$29.5 million. It includes estimated costs associated with final cover, perpetual care, management and monitoring of groundwater and gas levels, necessary leachate treatment plan modifications and operations, removal of buildings, site-cleanup and general site maintenance.

These costs will be funded over a 25 year period commencing January 1, 1999 through an annual transfer to a reserve fund, with \$1 million (2002 - \$1 million) being transferred in the current fiscal year.

9. Employees' retirement pension plans:

Effective April 1, 1998 the four individual defined benefit pension plans were merged into one pension plan referred to as The Halifax Regional Municipality Pension Plan. The date of the last actuarial valuation for the plan was December 31, 2000.

An extrapolation of the 2000 actuarial valuation to December 31, 2002 is as follows:

Actuarial value of plan assets	\$ 777,017
Actuarial value of plan liabilities	713,067
Funding surplus	63,950

The Town of Bedford plan and the Halifax County Municipality part-time plan are both defined contribution pension plans.

10. Retiring allowance and bridging programs:

A retiring allowance is paid to employees in accordance with the terms of the various collective agreements and HRM policy. The benefit is generally based on final annual salary and number of years of service. The date of the last actuarial valuation was March 31, 2001. The projected actuarial liability as at March 31, 2003 is \$10.9 million (2002 - \$10.1 million). Retiring allowances paid in the current year were \$0.5 million (2002 - \$0.4 million).

Payments are being made to former employees in conjunction with various retirement bridging programs that were in place at and prior to amalgamation. The present value of these liabilities included in the financial statements as at March 31, 2003 is \$7.6 million (2002 - \$4.3 million).

11. Miscellaneous Trust Funds:

Miscellaneous Trust Funds administered by the Municipality are reported on separately. The total trust assets under administration at March 31, 2003 are \$ 5.3 million (2002 - \$5.4 million).

Notes to Financial Statements

Year ended March 31, 2003
(In thousands of dollars)

12. Contributions to provincial boards and commissions:

(a) The Metropolitan Regional Housing Authority:

The Municipality shared in the operations of the Authority in the amount of \$2.1million (2002 - \$2.9 million).

(b) The Halifax Regional School Board:

The Municipality provided a mandatory contribution in the amount of \$64 million (2002 - \$60 million) and an optional contribution of \$21 million (2002 - \$20 million) to the Halifax Regional School Board.

13. Valuation allowance policy:

In accordance with the change in the Accounting Principle for Valuation Allowance as prescribed for Nova Scotia Municipalities by Service Nova Scotia and Municipal Relations (SNSMR), the Municipality has changed its policy for providing an allowance for uncollected taxes and other receivables as follows:

Uncollected taxes:

Previous calculations of an allowance for uncollected taxes were based on the following formulas prescribed by SNSMR:

- 100% of business occupancy taxes outstanding at year-end for prior years plus;
- 20% of the prior year's commercial and residential taxes outstanding at the end of the prior year plus;
- 60% of the immediately preceding year's commercial and residential taxes outstanding at the end of the prior year plus;
- 100% of the commercial and residential taxes outstanding at the end of the prior year which are past due for the second year or more.

This previous policy would have required a valuation allowance for uncollected taxes in the current year of \$11.8 million (revised policy – valuation allowance required is \$3.6 million) and a provision adjustment expense in the current year in the amount of \$1.8 million (revised policy results in a reduction of the valuation allowance in the amount of \$6.4 million and a resulting transfer of the reduction to the Operating Reserves).

HALIFAX REGIONAL MUNICIPALITY

Notes to Financial Statements

Year ended March 31, 2003
(In thousands of dollars)

13. Valuation allowance policy (continued):

Other receivables:

Previous calculations of an allowance for other receivables included all such receivables which were outstanding for more than one year. This previous policy would have required a valuation allowance for other receivables in the current year of \$15.7 million (revised policy – valuation allowance required is \$13.5 million) and a provision adjustment in the current year in the amount of \$2.6 million (revised policy provision adjustment is \$0.4 million).

14. Comparative figures:

Certain of the comparative figures have been reclassified to conform with the presentation adopted for the current year.

Chief Administrative Officer:	
George McLellan, Chief Administrative Officer	136

* Due to an administrative error Councilor Harvey continued to receive Deputy Mayor salary until January 2003, resulting in an overpayment of approximately \$2,000. This amount was corrected between January and June 2003 and as of the date of this audit report all outstanding adjustments from March 31, 2003 have been made. The effect of this repayment results in net remuneration to Councilor Harvey in the amount of \$46,000.
