Hello,

I would actually like to present an idea to a board member(s) for consideration. If you could point me in the right direction that would be great.

Hi Tony,

Thank you for your email. This is to confirm that your request has been received by the Municipal Clerk's Office.

Are you looking to present to the Point Pleasant Park Advisory Committee or get connected to staff who can further help with your request? Just to note, the Point Pleasant Park Advisory Committee advises Halifax and West Community Council on the planning and management of Point Pleasant Park and the Committee does receive external presentation requests from members of the public. Further information on the Point Pleasant Park Advisory Committee is available here: <https://www.halifax.ca/city-hall/boards-committees-commissions/i-r/point-pleasant-park-advisory-committee>

If you could please provide me with more information, I can help get your request sorted.

Thank you,
Lama

Hello Lama,

My name is Toni Makhoul and I was recently awarded the bid for a mobile food vehicle at Point Pleasant Park.

I am very excited to bring back this amenity to the park that I frequent so often. I was recently meeting with Lois McNamara with HRM for our vending permit inspection and I was asking her how would I go about proposing a semi-permanent canteen structure at the park.

I would love the opportunity to tell you more about this idea or send over a proposal if you are open to the idea. It would be at the same location that we are currently set up, near Black Rock Point, and could replace the mobile vehicle we have there now for next year.

I look forward to hearing from you.

Thank you
