[This email has been received from an external person or system]

Hello,

My name is Don Chapman and I am the Vice Chair of the Friends of Sir Sandford Fleming Park Society. We want to continue our work with the HRM in terms of restoration/rehabilitation of Fleming Cottage located within Fleming Park.

To that end we are requesting presentation time on the upcoming September meeting of the Community Planning and Economic Development Standing Committee.

Based on the guidelines for requesting a meeting, I am providing the following information:

Topic to be discussed: The future rehabilitation of Fleming Cottage

Presenters: Two members of the Society

Length of presentation: Maximum of a 10 minute powerpoint presentation

Desired outcome: That the Rehabilitation of Fleming Cottage be placed on the 24/25 budget for capital projects

Additional information on the presentation:

Tentative topics to be discussed in the 10 minute presentation:

Information on Sir Sandford Fleming and his achievements locally, nationally and internationally.

*The importance of Fleming Cottage as a physical link to Sir Sandford Fleming
How Fleming Cottage is one of the last remaining links to the early history of the North West Arm*

The purpose(s) which a rehabilitated Cottage could serve

*Our request: That funding sources be pursued with a view to rehabilitation
of the Cottage in the 24/25 budget year*

Appreciation and thanks for support

We are looking forward to this opportunity to discuss the future of Fleming Cottage with the Community Planning and Economic Development Standing

Committee. If you have questions or need further information to process this request, you can reach me at [REDACTED] landline [REDACTED] or by email.

Kind regards
Don Chapman
