Dear Municipal Clerk,

Please find attached HIAA's request to present at the October 19th meeting of HRM Council's Community Planning and Economic Development (CPED) Standing Committee.

If you have any questions, please do not hesitate to contact me.

Sincerely,
Joyce Carter

RE: Presentation to HRM Council's Community Planning and Economic Development (CPED) Standing Committee

Dear Municipal Clerk:

I'm writing on behalf of Halifax International Airport Authority (HIAA) to request the opportunity to present at an upcoming 2023 meeting of HRM Council's Community Planning and Economic Development (CPED) Standing Committee. HRM is one of the nominators responsible for appointing members to HIAA's Board of Directors and it has been a few years since HIAA has had the opportunity to present an update on airport activities to Regional Council or its various committees.

The purpose of this presentation is to provide background on HIAA's organizational structure, strategic priorities, economic impact, alignment with current and future HRM priorities and initiatives, and opportunities for HIAA and HRM to collaborate in support of accelerating economic growth for HRM citizens and businesses.

HIAA executive team members are available to present at the next scheduled CPED committee meeting on October 19, 2023.

Please let me know if you have any questions or require further information in relation to this request.

Thank you,

Joyce Carter, FCPA, FCA, ICD.D
President & CEO

cc: Cathie O'Toole, CAO, Halifax Regional Municipality
Cathy Gammon Deagle, HRM Councillor, District 1 – Waverley–Fall River–Musquodoboit Valley
