Thank you, Sherry, for your quick reply.

In 2023, HRM funded, in conjunction with ACOA, a \$100K Spacial Plan, Business Plan and Feasibility Study for the proposed Sheet Harbour Waterfront Marina.

Attached is a summary. We are in the process of formulating our funding plan, which we intend to include HRM in the equation.

We would like to present the attached summary and do an update on what funding we will be asking of HRM.

Councillor David Hendsbee suggested we do a presentation to the Community Planning and Economic Development Standing Committee.

Let me know if you can open the PowerPoint or if you have any questions.

Good afternoon Marilyn,

Thank you for your email. To submit a request for presentation, please provide an outline for the proposed presentation, whether there is a desired outcome or if the presentation is simply intended to convey information. All requests for presentation will be considered during the agenda review process.

Please note that the agenda review committee is scheduled to meet tomorrow afternoon. If you are able to provide the information above before 9:00 a.m. tomorrow morning, that would be much appreciated.

Possible outcomes of your request include:

- placement on an agenda
- referral to a different meeting group (standing committee, community council, or other board/committee)
- referral to staff
- determination that only written submissions will be received on the topic
- if subject matter is outside the jurisdiction of the Halifax Regional Municipality, refusal of the request

The next Committee meeting is scheduled for December 14, 2023, with the following meeting to be held on January 18, 2024. If either of these dates would pose a scheduling conflict, please let me know. Following a decision by the Agenda Review Committee I will reply by email to let you know the outcome of your request to present.

Please note that if your request to present is approved, your request and any accompanying documentation (i.e. presentation slides, handouts etc.) will form part of the agenda and public record, including being posted on Halifax.ca. Further information regarding presentations is available on our website at: <https://www.halifax.ca/city-hall/regional-council/presentations>

Meetings are audio and/or video recorded for the purpose of creating a record of the proceedings. If you do not wish to be recorded, please do not place a request to present; you can provide a written submission instead.

Best Regards,

Annie Sherry
