9. REPORTS/DISCUSSION

9.1 STAFF

9.1.1 Update on Portland Street Functional Planning Project

The following was before the Committee:

- Staff presentation dated July 18, 2024

Siobhan Witherbee, Project Manager, Transportation Planning gave a presentation and responded to questions of clarification from the Committee.

The Committee provided the following feedback:

- Support for transit priority in service areas and making them attractive;
- Concerned with loss of on-street parking;
- The need for shared bus-bike lanes;
- The need to reduce traffic speed as a solution to narrow the street and drive lanes to create more space for cyclists and pedestrians;
- A need for more public engagement;
- Concerned with roundabouts due to safety;
- Concerned with median transit safety, because kids might be in danger as many of them cross the traffic without looking at traffic signals; and
- The project should consider non-stop bike lanes that are well-protected, passing through streets as possible.

9.1.2 Active Transportation Update

David MacIsaac, Manager, Active Transportation spoke to the ongoing public engagement for the Alderney Drive Transit and Active Transportation planning project.

9.2 COMMITTEE MEMBER UPDATES

9.2.1 Peter Zimmer: Governance Review – Phase 1 and Active Transportation Advisory Committee Terms of Reference
