1 - Title

Community Survey to Measure Trust and Confidence

2 - Purpose

The role of the Board of Police Commissioners (BOPC) is to provide civilian oversight and to reflect the needs and values of the community. Community members need to be consulted *annually* so the BOPC can gain a better understanding of what trust and confidence in police means to community members. The BOPC is committed to gaining a better understanding of community needs and values and recommending policies to enhance trust and confidence. This policy outlines the BOPC commitment to fulfilling its role to reflect the needs and values of the community by working with HRP, RCMP and potentially a research firm to survey the community attitudes to policing services in HRM.

3 - Scope

The Halifax Board of Police Commissioners (the Board) is established as an independent authority pursuant to the *Police Act*, NS 2004, c. 31 as amended. The Board has dual roles: provide civilian governance to the Halifax Regional Police (HRP) on behalf of Halifax Regional Council (Council) (s 55) and function as an advisory board regarding the Royal Canadian Mounted Police (RCMP) in its role as a contractual policing service with the Halifax Regional Municipality. (s 68(1)).

1. The Board is created by the *Police Act* which gives it the responsibility to provide civilian oversight and to reflect the needs and values of the community.

3. The research questions may be designed in collaboration with HRP, RCMP, BOPC and a consultant experienced in conducting community research.
4. Once responses are evaluated and reported to the BOPC, policies may be recommended to respond to the results and if necessary, address concerns raised by the public.
