Subject: Use of Prospect Road Recreation Association governed Ball Fields as off-season dog parks	
Motion for Halifax and West Community Council to Consider: THAT the Halifax and West Community Council request a Staff Report with recommendations to address the Prospect Road Recreation Association's request that all local ball fields under their purview cease operation as off-season dog parks, due to the lack of care by dog owners, leaving waste to accumulate and allowing the destruction of the fields by the dogs. Reason: The ball fields were damaged greatly by their use as off-season dog parks, decreasing their quality as ball fields. Outcome Sought: Recommendations for how to address the damage caused by the use of ball fields as off-leash dog parks.
