Subject: [External Email] Request for Presentation at Harbour East - Marine Drive Community

[This email has been received from an external person or system]

Hi,

I would like to request to present at an upcoming Harbour East – Marine Drive Community meeting.

The Shubenacadie Canal Commission is pursuing nominating the [Shubenacadie Waterway to the Canadian Heritage River System \(CHRS\) program](#). The CHRS is a celebration of rivers and waterways across Canada. It is a Federal/Provincial program with no legislative authority. It is community-driven.

We are looking for a letter of support from HRM. There is no financial implication with our request.

Please let me know if you would like more information.

I look forward to hearing from you.

Thanks,

Claire Halpern (she/her)
