## EMANCIPATION DAY – AUGUST 1<sup>ST</sup>

Official Pan-African Flag in the Grand Parade.

I was honoured to bring forward the Emancipation Day Proclamation, developed by Ayo Aladejebi and read into the official record by

Deputy Mayor Tim Outhit, recognizing

August 1<sup>st</sup> as Emancipation Day.

August 1<sup>st</sup>, 1834 – the day the [Slavery Abolition Act](#) came into effect across the British Empire freeing nearly one million enslaved Africans and their descendants.

[Emancipation Day](#) provides us with the opportunity to learn about the history of slavery in our own country; to acknowledge the horrific treatment of enslaved peoples who were forced to reject their names, faiths, cultures and languages; and to celebrate the contributions of those who fought to eradicate slavery and their impact in shaping our region's vibrant and diverse communities.

We are committed to addressing anti-Black racism through the development of a municipal [Anti-Black Racism \(ABR\) Strategy and Action Plan](#).

You are invited to attend an evening variety show in celebration of Emancipation Day at Grand Parade on August 1<sup>st</sup>, from 6:00 p.m. to 9:00 p.m.

## ACCESSIBLE TAXI – PUBLIC SURVEY

**Help us shape the future of accessible taxis in Halifax!**

Share your **feedback and recommendations** for how a new accessible taxi-style service will operate.

Visit [shapeyourcityhalifax.ca/accessible-taxi-style-service](https://shapeyourcityhalifax.ca/accessible-taxi-style-service) and complete the online survey by August 13, 2021.

**HALIFAX**

For many years, residents and visitors have expressed concern about the lack of accessible vehicles for hire (i.e. taxis), making spontaneous travel a challenge for people requiring these vehicles. Past efforts to grow accessible taxi services in Halifax have been unsuccessful, largely due to the high cost of providing these services.

Based on Regional Council’s approval of February 23<sup>rd</sup>, 2021, to contract an accessible taxi-style service, municipal staff have created a survey to assess public feedback about the

# COUNCILLOR SHAWN CLEARY

HALIFAX WEST ARMDALE

requirements and standards that a service provider would have to meet, such as:

- How many vehicles should be available?
- How should customers be able to book a trip?
- What should the response time be?

**Residents are invited to complete the online survey by August 13, 2021.**

The survey is available at:

[www.shapeyourcityhalifax.ca/accessible-taxi-style-service](http://www.shapeyourcityhalifax.ca/accessible-taxi-style-service).

## HALIFAX BUSKER FESTIVAL 2021

[Halifax Busker Festival](#) presents Music & Magic! Saturday, July 31<sup>st</sup> to Monday August 2<sup>nd</sup> at the Salt Yard Too Stage on the Halifax Waterfront.

## FIREWORKS, CAN I OR CAN'T I?

Wondering if you can set off fireworks for Junior's 10<sup>th</sup> birthday party or for your 25<sup>th</sup>

anniversary or other special family event?

Well, there are regulations surrounding "consumer" or "family" fireworks in HRM.

Here are some facts regarding fireworks based on the [HRM Noise-By-Law](#) and Fire Services information:

- Consumer (family) fireworks are not illegal nor banned in HRM, however; their use is limited by:
  - the HRM Noise By-Law to New Year's Eve, Canada Day, Natal Day, recognized religious holidays and,
  - by Fire Services, Office of the provincial Fire Marshall, when the provincial Burnsafte Map shows it is "no burn" (not safe to have open fires) no fireworks are permitted.
  - Clearance: Most fireworks have a minimum clearance of 20m clear in all directions for ground displays and 30m for any aerial display. Individual fireworks often require larger clearances based on manufacturer specification due to the size or design of the effect.

## COUNCILLOR SHAWN CLEARY

HALIFAX WEST ARMDALE

- If you witness illegal fireworks use, **please call 911.**
- For general, non-urgent questions or concerns regarding the use of fireworks in our municipality, please contact **311** or non-emergency police at **902.490.5020.**
- Fireworks are not prohibited due to repealed legislation by the province which was never replaced.
- Provincially, there is no regulation for consumer (family) fireworks, however display (commercial) fireworks are regulated under the Fire Safety Act. The now repealed "Fireworks Act" regulated consumer fireworks it effectively prohibited their sale. There was nothing established to replace it.
- Between 2008 and 2021, Halifax Regional Fire & Emergency (HRFE) responded to 27 consumer fireworks related incidents. All 27 incidents violated at least one (but often multiple) sections of the Regulations.
- A recent [jurisdictional scan](#) by HRM staff indicates all provinces appear to allow the use of fireworks, with the exception of Prince Edward Island. For the provinces that allow consumer fireworks, none require permits, restrict dates or sale except British Columbia.
- Some municipalities like Moncton ban the use of fireworks, but do not ban or limit the sale of them. The underlying reason for municipal regulation is not always clear. In addition to fire and life

safety, some restrictions on consumer fireworks appear to be attributed to the noise and nuisance they generate as well as their impact on people, animals, and the environment.

- When examining limitations on the use of fireworks, Halifax appears to be in the middle of the Atlantic jurisdictions included in the scan. Halifax does not have a complete ban on fireworks or a specific fireworks by-law but does limit the dates where they can be used (as outlined in Schedule "B" of the Noise By-Law).

## PROVINCIAL WELLNESS FUND GRANTS 2021-22

Applications have launched for the 2021-2022 Wellness Fund grants! This provincial funding helps local groups and organizations tackle community health and wellness issues within

## COUNCILLOR SHAWN CLEARY

HALIFAX WEST ARMDALE

our communities. The funding must be used to help address the health priorities identified by the Community Health Boards (CHBs) in their current community health plan. This year, eligible organizations also include groups associated with municipalities.

Wellness Fund grants support the CHB Community Health Plan recommendations by funding local community projects that use a population health approach, addressing the Social Determinants of Health, such as income, education, social supports, early childhood development, etc. [This short video](#) helps to explain what this funding is available for, and what types of groups are eligible.

For the 2021-22 Wellness Fund cycle, community groups can apply for Wellness Fund **amounts up to \$5,000 but are typically awarded grants range from \$250-\$3000**. This funding can help kickstart small projects that may grow into community-wide initiatives to improve the health and wellness of residents.

**Community groups must apply for funding by October 15, 2021.** To find out if your non-profit qualifies, and to apply, visit the CHB website at [www.communityhealthboards.ns.ca/wellness-funds](http://www.communityhealthboards.ns.ca/wellness-funds). Further questions or ideas can be discussed with your local Community Health Board Coordinator: <https://www.communityhealthboards.ns.ca/central-zone>.

## DISTRICT 9 DISTRICT CAPITAL PARTICIPATORY BUDGETING

Each fiscal year, all districts are allocated District Funds that Councillors have the ability to designate for community benefit. District Capital Funds can provide a grant to any non-profit organization or charity or provide funding for HRM projects that are in the HRM departmental operating or capital budget or proposed by the Councillor. The amount of funding provided for 2021/22 District 9 District Capital Fund is \$94,000.

Usually, a public information session would be held to provide information on the Participatory Budget process to interested members of non-profit groups and the public. Due to COVID-19 restrictions, this public session will not be held.

### The Participatory Budget process is:

1. Non-profit groups submit a project proposal for a specific amount of funding toward their proposed community project. Submissions **must include** a letter from the non-profit group outlining the project and how it would benefit the greater community, confirmation of non-profit status, completed [District Capital Fund Request Form](#). Incomplete submissions will be returned.
2. Staff review the submission to ensure they meet the [District Capital Fund criteria](#).

## COUNCILLOR SHAWN CLEARY

HALIFAX WEST ARMDALE

3. If the project meets the District Capital Fund criteria for funding, the project goes forward for the Community Vote Night where residents will vote on the projects.
4. Non-profit groups set up their proposed project submission, science fair style, for residents to review and ask questions
5. Residents then vote on the project(s) they would like to see funded.
6. Votes are tallied and the winners announced.

### Proposal Submission Deadline:

**Friday, September 17th at 4:00 p.m.**

- Email submissions to [Chris.Newson@halifax.ca](mailto:Chris.Newson@halifax.ca)
- or mail via Canada Post to:  
Chris Newson, Council Support Office  
PO Box 1749  
Halifax, NS B3J 3A5

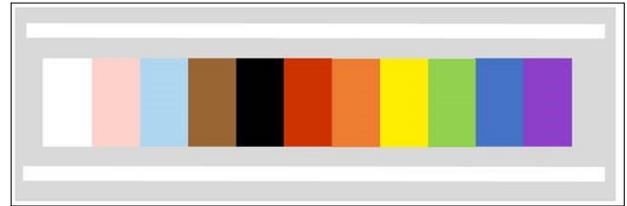

### Community Vote Night/Town Hall:

**Wednesday, September 29<sup>th</sup> from 6:30 p.m. to 8:00 p.m. at Bethany United Church Fellowship Hall.**

District 9 residents of all ages VOTE on their favourite projects in person (if public health authority permits). That's right! YOU decide which project gets funding. Winners are announced that night.

For more information on the District 9 District Capital Fund and to apply for funding, visit [the municipal website](#).

## RAINBOW CROSSWALK PAINTING PROGRAM

The Rainbow Artwork at Crosswalks Program has been expanded this year with 11 new sites for a total of 53 painted crossings.

This year, in consultation with the office of Diversity & Inclusion, the crosswalk design was updated to include the colours of the progressive pride flag – black, brown, pink, light blue and white.

The Halifax Regional Municipality has fully funded the repainting of the following three signalized intersections:

- Spring Garden Road and Queen Street (four at this location)
- Gottingen and Cornwallis streets (four at this location)
- Alderney Drive and Ochterloney Street (four at this location)

Councillors and Business Improvement Districts funded the painting of the additional crosswalks throughout HRM. **Crosswalks you may notice around District 9 and neighbouring communities are:**

- **Quinpool Road at Harvard Street**
- **Quinpool Road at Vernon Street**

Diverse ideas and inclusive actions create stronger communities. This fun and creative

approach to sharing the municipality's Pride as a community is just one way the municipality celebrates and supports Halifax Pride 2021. For upcoming activities, visit [halifaxpride.com](http://halifaxpride.com) or [halifaxpubliclibraries.ca](http://halifaxpubliclibraries.ca).

The municipality recognizes that many residents and business owners have a desire to express support for Halifax Pride 2021 through street art, however, **sidewalk painting is not permitted for residents**. Some materials, especially when applied to sidewalks, can become slippery in wet weather. It is in the best interest of public safety that material, other than chalk sticks, is not applied on the right-of-way by residents. Crews will remove artwork on sidewalks that violate municipal By-laws [S-300](#) and [S-801](#). The cooperation and consideration of residents and business owners is appreciated.

## NS ELECTORAL BOUNDARY CHANGES

In the fall of 2019, the House of Assembly legislated 55 electoral district boundaries as

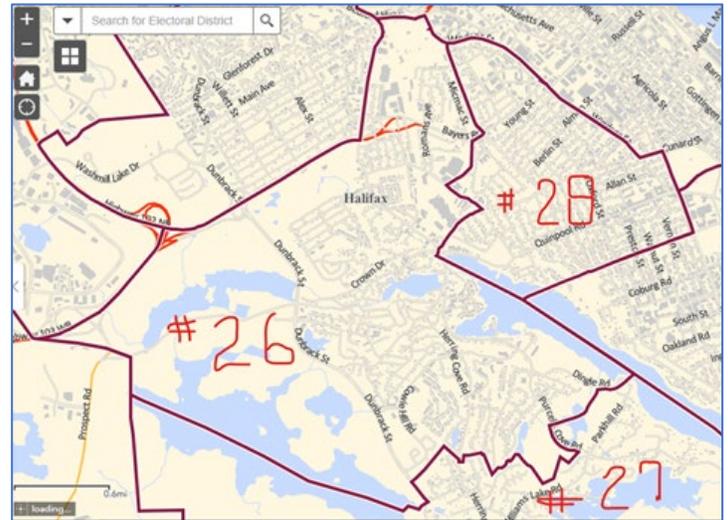

recommended by the Electoral Boundaries Commission. The 55 new district boundaries came into force for the next provincial general election (41st) after March 1, 2020.

The provincial boundary areas that impact municipal District 9 are:

**26 – Halifax Armdale**

**27 - Halifax Atlantic**

**28 – Halifax Chebucto**

### HALIFAX REGIONAL MUNICIPALITY'S LAND ACKNOWLEDGEMENT

## Land Acknowledgement

The Halifax Regional Municipality is located in Mi'kma'ki, the ancestral and traditional lands of the Mi'kmaq people. The municipality acknowledges the Peace and Friendship Treaties signed in this Territory and recognizes that we are all Treaty People.

Halifax is committed to strengthening its relationship with Indigenous communities and honouring the significant contributions of Indigenous peoples. Another way the municipality has demonstrated this is by formalizing the official Land Acknowledgement:

*"The Halifax Regional Municipality is located in Mi'kma'ki, the ancestral and traditional lands of the Mi'kmaq people. The municipality acknowledges the Peace and Friendship Treaties signed in this Territory and recognizes that we are all Treaty People."*

Historically, a Land Acknowledgment is a traditional practice shared amongst Indigenous groups to recognize the Indigenous land and territory they are visiting. Making a respectful Land Acknowledgement now, remains a way to express gratitude and respect to Indigenous peoples for being stewards of the land we live and work on. It is an important step in reconciliation.

In Nova Scotia, we are all Treaty People; with that comes roles and responsibilities.
