DISTRICT 4 ONLINE NEWS
COLE HARBOUR - WESTPHAL - LAKE LOON - CHERRY BROOK

DEAR RESIDENTS,

Happy February District 4!

Winter has certainly made its presence known with chilly days and snow. Here is hoping we are almost through the worst of it and can begin to shift our focus to brighter days ahead.

I hope you will join me at one of my upcoming drop-in sessions this month! I am always happy to chat and meet you in-person. Drop-in dates can be found on page three of this newsletter.

February is African Heritage Month. I encourage you to check out this year's events and activities and celebrate the rich culture of people of African descent. More information can be found below in this newsletter.

While Council is in the midst of budget discussions, I would like to take this opportunity to remind and encourage everyone to participate. There is an opportunity for public participation at the start of every budget meeting.

February 2023

As always, please feel free to reach out to me with your municipal questions or concerns. I love to hear from you.

Sincerely,

Trish Purdy

FEBRUARY IS AFRICAN HERITAGE MONTH

February is African Heritage Month. This year's provincial theme, "***Our Smiles, Our Joy, Our Resilience as African Nova Scotians,***" encapsulates the enduring spirit and resilience demonstrated by people of African descent throughout the centuries in our province. Our smiles tell stories, share our joy, and symbolize our resilience. As we celebrate our heritage and culture, we also align with the final year of the United Nations' International Decade for People of African Descent (DPAD) 2015-2024, aiming to strengthen global cooperation and increase awareness for people of African descent.

Nova Scotia boasts 52 historic African Nova Scotian communities, each with a profound and complex history spanning over two centuries. African Heritage Month provides a special opportunity to celebrate the culture, legacy, achievements, and contributions of our people, both past and present.

Celebrate the rich culture of people of African descent by participating in this year's events and activities. A list of events and details can be found [here](#).

AFRICAN NOVA SCOTIAN ROAD TO ECONOMIC PROSPERITY INFORMATION REPORT

An information report has been provided to Regional Council outlining key activities of the Road to Economic Prosperity for African Nova Scotian Communities from September 2022 to September 2023.

The report outlines activities around the Strategic Priorities, including:

- Build unity and capacity among African Nova Scotians
 - Through the guidance of the Advisory Committee, the outcome of this priority requires effective and culturally specific information sharing, collaboration with partners and establishment of a framework for supporting community capacity building efforts.
- Establish land ownership, develop infrastructure, and attract investment
 - This priority addresses historic and current issues related to land ownership and environmental racism, strengthens the revitalization of African Nova Scotian communities through investment and development, and supports the exploration of international economic and cultural opportunities.

- Increase participation in education, employment and entrepreneurship
 - The Advisory Committee continues to collaborate with its partners and stakeholders around opportunities to advance this action.

PARTICIPATE IN THE 2024/25 BUDGET

The municipality's [2024/25 Budget and Business Planning](#) process has now started and will continue until into the spring of 2024. Over the winter, municipal business units present plans to Regional Council with their intentions for the upcoming fiscal year and outlining the required budgets to achieve their goals. During this process, Regional Council will ask questions, discuss, debate, and consider each department's proposed priorities and budget. This can result in revisions to budget plans along the way.

The 2024/25 Budget and Business Plan approval date is scheduled for April 23, 2024, where Regional Council will finalize what next year's budget.

HAVE YOUR SAY ABOUT THE BUDGET

During every budget meeting, members of the public also have an opportunity to share their views on any aspect of the proposed municipal budget. You can speak directly to me as your Regional Councillor about budget priorities. During each meeting, time will also be set aside for the public to provide insight and comments. If you wish to make any presentations before HRM Council about the municipal budget, then please contact the Municipal Clerks Office at clerks@halifax.ca or call 902-490-4210. HOUSING ACCELERATOR FUND ANNOUNCEMENT

As part of the Housing Accelerator Fund, the municipality is collaborating with partners and other levels of government in a national effort to support housing. The municipality is proposing updates to planning policies to enable more density and flexible housing types in residential areas.

COMMUNITY CORNER

Update on 78 Sherwood Drive

Community consultation is taking place through the [Housing Accelerator Fund](#) email provided on the page dedicated to this new initiative. To share comments, questions, or concerns, please email haf@halifax.ca.

Information on the site specific development requests recommended to the Housing Accelerator Fund for 78 Sherwood can be found [here](#).

To access this information from the HAF page, scroll down to 'Enable Suburban Opportunity Sites' tab, and then scroll down to the sentence on the interactive map and click '**here**' in bold. The interactive map is also informative but takes a little getting used to.

The email is open until February 16 for residents to make their concerns known to planning staff, and then the next step is for this to come to Regional Council. If this is approved, the public hearing will be held, and that will be a chance for residents to speak to this development and have their comments go on record. From what I understand, the process is moving quickly. Staff would like to see this come to Council in March for first reading.

New Development Application for 1226 Cole Harbour Road and 77 Bissett Road:

There has been a Development Application for a long-term care facility and four apartment buildings for this location. The proposal can be found [here](#).

Melissa Eavis is the planner for this file and is available for questions and comments at 902.237.1216 or email at eavism@halifax.ca

There will be a community consultation event planned for this development at a later date. Stay tuned for more information.

Ross Road Realignment:

There has been no update yet on this one. Land acquisition negotiations are ongoing.
