

COUNCILLOR TRISH PURDY
 DISTRICT 4 NEWSLETTER
 COLE HARBOUR - PRESTON - WESTPHAL - CHERRY BROOK

DEAR RESIDENTS,

Happy February, District 4!

Winter has certainly made its presence known with these cold days and snowfall. While this time of year can feel long, I'm hopeful that we're moving past the harshest weather and will soon be able to enjoy brighter, warmer days.

While I normally host a drop-in session during February, this month is exceptionally full with budget deliberations and other important meetings. As a result, my next Councillor Coffee Drop-In will take place on **Friday, March 6, from 10 –11 a.m. at Tim Hortons**. I hope you'll join me—it's always a pleasure to meet and chat with residents in person.

As Council continues its budget discussions, I want to encourage everyone to get involved. Each budget meeting begins with an opportunity for public participation, and your input is always valued.

And as always, please don't hesitate to reach out to me with any municipal questions or concerns—I truly appreciate hearing from you.

Trish Purdy

February 2026

COUNCILLOR COMMUNITY DROP-IN

Please feel free to drop by to discuss any municipal concerns or questions, I would love to see you!

Friday, March 6 at Tim Hortons - Forest Hills Parkway from 10 - 11 a.m.

COUNCILLOR TRISH PURDY

COLE HARBOUR - WESTPHAL - LAKE LOON - CHERRY BROOK

COMMUNITY CORNER

Caldwell Road – Potholes and Recapitalization Update

I've been receiving many questions about the potholes along Caldwell Road, and I want to share some information on what's happening.

This winter has created an unusually high number of potholes across the municipality, and crews are working hard to keep up. On Caldwell Road, most of the current potholes fall into a Priority 2 (P2) category because they are shallow—generally 3–5 cm deep. At this depth, the only asphalt product available in winter, Aquaphalt, does not adhere well. As a result, repairs often pop out within a short time, sometimes even within a day.

Public Works has an inspector regularly patrolling Caldwell Road to track any worsening conditions so they can be addressed as soon as weather and materials allow. The volume of potholes this season has been unprecedented, and traffic control availability is also affecting repair timelines, especially for Priority 1 potholes on busy routes.

While these temporary repairs are limited by winter conditions, more significant work is on the way.

Caldwell Road Recapitalization – Background from January Newsletter

As shared last month, Caldwell Road is already in the queue for a full recapitalization. HRM's design team has been working closely with Nova Scotia Power and other utilities since 2022 to advance this project. The most time-consuming step has been easement negotiations with affected property owners—some agreements are in place, while others required design changes when permissions were not granted.

The project is still progressing, and the design team is currently exploring updated design options so the recapitalization can be prioritized. While this work is complex and involves multiple stakeholders, it remains a key municipal priority. I will continue to share updates as they become available, and I sincerely appreciate residents' patience as both short-term repairs and long-term improvements move forward.

FEBRUARY IS AFRICAN HERITAGE MONTH

February is the 30th celebration of African Heritage Month! Each year, African Heritage Month honours the experiences, achievements and enduring contributions of Black communities in Nova Scotia, while deepening our collective understanding of their history and impact on our society. Nova Scotia has 52 historic African Nova Scotian communities with a long, deep and complex history dating back over 400 years.

This year's provincial theme is "*Strength in Unity – Moving Forward with Purpose, Prosperity, Power and Progress.*" Unity is not passive, it is an active force that strengthens our communities, advances justice, and creates pathways for opportunity and growth.

This month, City Hall will be illuminated in black, green and red and the Pan-African flag will be displayed at some of our municipal buildings in honour of African Heritage Month. Keep an eye on our [website](#) for more details about how you can commemorate African Heritage Month and what we're working on to build strong relationships, partnerships, and alliances with African Nova Scotian communities across the municipality.

COLE HARBOUR ROAD STREAM DAYLIGHTING PROJECT

I'm very pleased to share that the Government of Canada recently announced funding through the Disaster Mitigation and Adaptation Fund (DMAF) for a major climate-resilience project here in Cole Harbour. The Cole Harbour Road Stream Daylighting, Naturalization and Pocket Park Project will restore a section of Bissett Run that is currently underground near John Stewart Drive, helping to reduce flood risk while enhancing our local environment.

This project includes:

- Removing aging and undersized stormwater infrastructure
- Daylighting and naturalizing the stream
- Installing a new cross-culvert under Cole Harbour Road
- Creating a new community pocket park following restoration

This is a significant investment in our district's long-term resilience and green space. The total estimated project cost is \$6.4 million, supported by federal DMAF funding, the municipality's Climate Action Tax, and Halifax Water.

I have been a strong and consistent advocate for this initiative, and I'm excited to see progress on a project that will benefit our community for decades to come.

Preliminary planning has already begun, with construction anticipated in future years.

The news release can be found [here](#).

MUNICIPAL TARTAN PUBLIC ENGAGEMENT

The Halifax Regional Municipality is inviting residents to share their thoughts on three proposed tartan designs to help select an official tartan for our region. Tartan is a widely recognized symbol of heritage and identity, and nearly 200,000 residents in the municipality identify as having Scottish or Irish heritage.

Input from residents will inform a recommendation to Regional Council in early 2026, when the final design will be selected and submitted to the Scottish Tartans Authority, the global authority for tartan registration managing the Scottish Register of Tartans. Once selected and registered, the official Halifax Regional Municipality tartan will be used in branding, ceremonial events and other municipal applications to celebrate and represent this part of our identity.

Visit [this webpage](#) by Feb. 11 to review the three proposed designs and provide your feedback.

COLE HARBOUR - WESTPHAL - LAKE LOON - CHERRY BROOK

DANGEROUS ANIMAL POLICIES

On Jan. 27, Regional Council unanimously supported my joint motion with Councillor Deagle Gammon to request Provincial action on strengthening animal control policies. We brought the motion forward in response to a presentation from a local family who survived a severe dog attack in November.

The Mayor will be writing a letter to the Minister of Municipal Affairs urging consideration of strengthened policies for dangerous animals, including:

1. Transferring dangerous dog legislation to the provincial level or mandating inter-jurisdictional communication on animal control to prevent relocation of dangerous dogs between municipalities.
2. Providing authority for immediate seizure of animals following a serious attack to ensure public safety during investigations.
3. Implementing stronger preventative measures, including higher penalties for owners who fail to control their dogs.

For more information, check out the motion [here](#).

WINTER OPERATIONS REMINDERS

We made it through another winter storm!

For timely updates on winter operations and more information on service standards for road and sidewalk clearing in your area, please check out our [website](#).

Don't forget to sign up for alerts when the winter parking ban is being enforced, ensure your property and sidewalks are clear of any obstructions and stay safe!

February 2026

PROFESSIONAL ARTS ORGANIZATION GRANTS

The Halifax Regional Municipality is now accepting applications for the 2026/27 Grants to Professional Arts Organizations Program.

This program supports the operating and artistic capacity of producing and presenting art organizations in the region that advance the profile of the local arts sector, with an overarching goal to foster broad public access to professional art. There are two funding streams:

- Operating assistance
- Project assistance

The municipality provides up to three-year funding agreements towards the operating funds of eligible groups and annual funding agreements supporting distinct artistic projects. For more information about the program or to discuss your project or eligibility, groups are invited to book a virtual meeting. Contact Lindsay Cory, Community Developer (Public Arts), at lindsay.cory@halifax.ca.

The deadline for the applications is Tuesday, March 31. To learn more and apply, visit [our website](#).

COLE HARBOUR - WESTPHAL - LAKE LOON - CHERRY BROOK

SAFETY AROUND EMERGENCY VEHICLES

The Nova Scotia RCMP is reminding drivers to slow down and move over for emergency vehicles. When an emergency vehicle is stopped on the side of a roadway and has lights flashing, other drivers must slow down to 60 km/h or drive at the speed limit if it is lower than 60 km/h. On a road with two or more lanes in the same direction, drivers must also move into another lane farther away from the stopped vehicle if safe to do so.

This requirement applies to a range of emergency vehicles, including ambulances, police and fire vehicles, tow trucks when they are operating at a scene, and vehicles of other peace officers like conservation officers, sheriffs, and vehicle inspection officers. For more information about slow down, move over laws in Nova Scotia, visit the [Nova Scotia Department of Public Works](#).

RIDESHARE OVERSIGHT

At the January 27 meeting of Regional Council, Council considered amendments to By-law T-1008 and Administrative Order 39 to

modernize fare regulations for taxis, accessible taxis, and limousines and the licensing of Transportation Network Company (TNC) drivers.

Halifax Regional Council voted down by-law changes and instead supported a motion to prepare a staff report with input from a temporary working committee composed of representatives from the Halifax Regional Municipality TNC Operators, and Taxi industry to review the Municipality's public policy objectives against the best practices from across Canada, with a particular focus on training, audit, approaches to licensure, and compliance models used by municipal and provincial regulators.

Council did approve changes in the regulations for fares, meter technology requirements, online applications.

You can find the staff report [here](#).

2026 YOUTH POET LAUREATE

The Halifax Regional Municipality is pleased to announce that Daniel Park has been selected as the municipality’s 2026 Youth Poet Laureate. The Youth Poet Laureate program provides young writers with mentorship, public platforms and opportunities to explore issues that matter to them and to residents across the municipality.

Daniel will serve a one-year term from January to December 2026 and receive a \$1,000 honorarium for the role. He will create new works of poetry, present at select Regional Council meetings, and advocate for poetry, language, arts and young writers through community events and speaking engagements.

Visit our [website](#) to learn more about the municipality’s Poet Laureate programs.

ATLANTIC ECONOMIC PANEL SURVEY

The Atlantic Economic Panel is looking to survey members of the local business community to determine their level of support for the various economic opportunities across Atlantic Canada and attitudes towards the future of the region. The Atlantic Economic Panel, launched in November 2025 is focused on identifying practical actions to improve productivity, competitiveness, and long-term prosperity across the region and presenting them to the federal government in the coming months. You can find the survey [here](#). The questionnaire remains open until early February. Every response strengthens the Panel's ability to develop practical, actionable recommendations that reflect the real challenges and opportunities facing Atlantic Canadian businesses.

February 2026

“ONE MEMBERSHIP” RECREATION ACCESS

Regional Council has directed staff to launch a pilot project to improve access to municipally operated and multi-district recreation facilities through a “One Membership” model.

The pilot will introduce a 75 per cent discounted day pass for residents who hold an active membership at any participating HRM or multi-district facility, allowing them to access other facilities on a pay-per-use basis. The approach responds to strong public feedback favouring flexibility without fee increases and reflects the municipality’s goal of equitable access under the Community Facility Master Plan.

Staff will monitor usage, financial impacts and member experience throughout the pilot and return to Regional Council with results and long-term recommendations following the Multi-District Facility governance review.

For more information, read the [staff report](#).

REPORTING POTHOLES

Potholes

Our road operations crews are always on the lookout for potholes, but we also rely heavily on residents to report any problematic potholes and sinkholes so they can be assessed

and fixed as soon as possible. To report a pothole in your area, just call 311 or you can report online. Depending on the location and depth of the pothole, the repair will be planned and prioritized. You can find out more about pothole repairs [here](#).

COUNCILLOR TRISH PURDY

COLE HARBOUR - WESTPHAL - LAKE LOON - CHERRY BROOK

BLASTING AND GRADING BY-LAWS REVIEW

On Jan. 27, Regional Council approved a motion to review by-laws B-600 and G-200 that includes:

- An evaluation of the overall effectiveness of both by-laws in achieving their intended policy goals;
- A summary of the number and nature of resident complaints received in relation to these by-laws over a reasonable timeframe;
- A comparison of enforcement outcomes versus the volume of complaints; and
- Recommendations for potential amendments, repeals, or enhancements to improve the efficiency and clarity of said by-laws.

Staff are also working on a report on a recent incident in Timberlea related to blasting and will be providing recommendations for a communications protocol for blasting incidents impacting community safety.

You can find the current blasting by-law [here](#).

WINTER GARBAGE COLLECTION

To help our Winter Operations crews keep roads and pathways safe and accessible, please remember to place waste for curbside collection in a spot that won't interfere with sidewalk or road

clearing. Placing waste at the edge of your driveway is the best option to ensure snow clearing goes as safely and smoothly as possible this winter

February 2026

PARKING BAN

The overnight winter parking ban is in effect every year from Dec. 15 until Mar. 31; however, it is only enforced during declared weather events and clearing operations. When

the ban is enforced, it restricts any on-street parking between 1 a.m. and 6 a.m. Vehicles in violation of the ban will be ticketed and/or towed.

Remember to stay informed about the status of the parking ban and please think before you park.

You can get notifications about the parking ban right to your phone by signing up for [HfxAlert](#).

SLED SAFETY

Keep sledding safe this winter season! Remember – municipal parks aren't set up, inspected or maintained for sledding, and obstacles can be hiding beneath the snow. Sledding in parks is at your own risk.

No matter where you sled, be sure to wear a helmet and watch for hazards like trees, rocks, fences, benches, and play equipment.

COLE HARBOUR - WESTPHAL - LAKE LOON - CHERRY BROOK

2026 – 2030 STRATEGIC PLAN

The Halifax Regional Municipality is pleased to introduce the [2026–2030 Strategic Plan](#).

This plan is the municipality’s overarching guide for everything we do. It defines our purpose, articulates

our vision, mission and values, and sets priorities that will shape projects, initiatives and service delivery over the next four years.

The Strategic Plan establishes five priority areas:

- **Enabling Prosperity** focuses on building inclusive, sustainable communities and a resilient economy.
- **Strengthening Communities** focuses on the quality of life of residents, and promoting safety, belonging and the protection of the natural environment.
- **Moving Better** focuses on creating a transportation system that safely, reliably, and efficiently connects residents throughout the region.
- **Responsible Administration** focuses on delivering quality services through a commitment to fiscal responsibility, environmental sustainability, and community engagement.
- **Our People** focuses on making the organization a place where employees feel engaged, safe, and proud of their work.

Accompanying the Strategic Plan is the [Action Plan](#) that outlines the major projects and initiatives the municipality will undertake to achieve the goals identified in the Strategic Plan.

The plan was developed by Regional Council, municipal employees and strategic partners, and was informed by the 2024 Resident Survey and existing municipal plans and strategies.

To learn more and access resources, including the Strategic Plan video, full document and summary, visit our [website](#).

REGIONAL PLAN UPDATE

The Regional Plan sets out a common vision, principles, and long-range planning policies that guide how future growth and development should occur across the region. To meet the Province’s Minimum Planning Requirements, HRM prepared amendments to support housing and provincial interests. After review, the Provincial Director of Planning advised on December 31, 2025 that some Regional Plan policies appeared to affect a provincial interest, requiring a decision by the Minister of Municipal Affairs.

Under the *HRM Charter*, the Minister had 30 days to decide. As no decision was made, the amendments were deemed approved on January 31, 2026, and the Notice of Approval was issued on February 2, 2026. With this, the updated planning documents are now in effect. Staff continue to work with the Province regarding next steps for the Interim Planning Area Order and its timing for revocation.

You can find updates on the Regional Plan [here](#).

COUNCILLOR TRISH PURDY

COLE HARBOUR - WESTPHAL - LAKE LOON - CHERRY BROOK

LAKEWATCHERS PROGRAM

Last month, Regional Council received a report from our LakeWatchers team on the state of our lakes.

The municipality is home to over 1,000 lakes, each with their own challenges and surrounding land use patterns. Lakes are not only popular destinations for swimming, hiking, canoeing, fishing and other recreational activities, but play an essential ecological role and provide many ecosystem services including wildlife habitat and flood mitigation.

LakeWatchers gathers water quality data that helps us understand the health of our lakes and how they are changing. Data collected will inform planning policies for future growth and development. We're always looking for more volunteers for the program. Please contact the LakeWatcher Program Coordinator at water@halifax.ca to find out more about roles and expectations of LakeWatcher Monitoring Teams and when the next round of training and sampling will take place.

You can find the report [here](#).

HALIFAX REGIONAL MUNICIPALITY NAMED TOP EMPLOYER FOR YOUNG PEOPLE

[Canada's Top Employers for Young People](#) is an editorial competition that recognizes the employers across Canada that lead their industries in offering exceptional workplaces and programs for young people starting their careers. We were recognized for our Bridging the Gap 18-month internship program, an opportunity for recent grads to learn about government policy, administration, operations, services and planning. Congratulations to the Bridging the Gap team for this special honour. We're grateful for all our amazing interns and the fresh perspective they bring to our team! Check out our current postings [here](#).

COMPREHENSIVE LITTER STRATEGY

At the Jan. 13 meeting, Council supported a review of relevant municipal by-laws and administrative orders to identify updates that would enable a more coordinated and effective approach to litter prevention and management. We will also be exploring opportunities to collaborate with provincial agencies for enforcement.

In addition, Council directed staff to develop an Adopt-A-Street pilot program for implementation in 2026/27, aimed at encouraging shared responsibility and increased community participation in keeping neighbourhoods clean.

Staff were also asked to prepare a briefing note for Regional Council's consideration on the potential need for additional enforcement resources as part of the 2026/27 budget process.

For more information, read the [staff report](#).

COLE HARBOUR - WESTPHAL - LAKE LOON - CHERRY BROOK

CARE COMMUNITY CRISIS SERVICE NOW 24-7

Residents in Dartmouth (within the Highway 111 boundary), Woodlawn and Cole Harbour will now have 24-7 access to the CARE – Crisis Assistance and Response program. CARE is a pilot program that provides in-person support for people 16 years and older experiencing non-emergency, non-violent crises related to mental health, substance use and personal well-being. Launched in October 2025, the CARE program was initially offered between 8 a.m. and 9 p.m., Monday to Friday. The service offers a safe, trauma-informed alternative to calling police or other first responders when they may not be the best fit.

CARE staff are specially trained in trauma-informed care, harm reduction, mental health first aid, suicide prevention and cultural humility. They are prepared to respond respectfully and effectively to people from diverse communities, including African Nova Scotians, Indigenous Peoples, 2SLGBTQIA+ and neurodiverse residents. The team provides in-person support and will help to connect people to other community supports after the crisis.

To access CARE, call 211. A trained navigator will assess the situation and, if it qualifies for CARE, dispatch the CARE mobile team. The CARE Mobile Team will then come in-person to provide support. For more information about the CARE program, visit our [website](#).

February 2026

THE PEOPLE PROJECT – COMMUNITY MEDIATION PROGRAM

United Way Halifax, part of United Way Maritimes, and the Halifax Regional Municipality are proud to be offering The People Project, a local community mediation program designed to empower

neighbours to navigate and resolve conflicts together with the support of a trained mediator.

Available to all residents in Halifax Regional Municipality, this project focuses on facilitating conflict resolution on issues like noise, parking, trees, fencing, snow removal, garbage, nuisance lighting, pets and shared driveways.

It's easy to take part:

- Fill out an intake form with basic information regarding the situation.
- If the situation fits the program criteria, a trained community mediator will be assigned to you and contact you.
- With guidance from the mediator, participants will work toward an agreeable solution that resolves the issue and builds understanding.

To learn more about the process or program, please visit [United Way Halifax's webpage](#).

COUNCILLOR TRISH PURDY

COLE HARBOUR - WESTPHAL - LAKE LOON - CHERRY BROOK

MAJOR SPORTING EVENT GRANTS

HRM BUDGET 2026/27

Regional Council has approved funding support for two major sporting events in 2026

through the Marketing Levy Special Event Reserve Grants Program. The Marketing Levy Special Event Reserve is funded by a levy on overnight accommodations such as hotels and short-term rentals. Regional Council agreed to support the 2026 U SPORTS Men’s University Cup at Saint Mary’s University in March with a \$90,000 grant and support the 2026 ICF Junior and U23 Canoe Sprint World Championships at Lake Banook in July with a \$1 million grant, pending approval of the 2026/27 budget.

Both events are expected to attract national and international visitors, generate significant economic activity, and enhance Halifax’s profile as a host city for major sporting events. For more information, read the [staff report](#).

HALIFAX WATER RATE INCREASES

Halifax Water’s proposed rate hikes for January and April have been approved by the Nova Scotia Regulatory and Appeals Board. The rates will increase by 12.1 per cent starting January 2026 and an additional six per cent increase in April 2026. The original proposal included a 15.8 per cent increase in January and a 17.1 per cent increase for April. This was rejected by the board, recommending Halifax Water adjust their revenue requirements.

The increase is expected to up the average household bill by \$9.28 per month in January and an additional \$5.11 per month in April. Find out more on their [website](#).

February 2026

Over the next few months, Regional Council will be reviewing each business unit’s budget and business plan and providing feedback to shape the final 2026/27 municipal operating and capital budgets.

You can attend any budget meeting and take part in the public participation section of the meeting. You can pre-register by 4:30 p.m. on the business day prior to the meeting or show up and elect to step forward when the Mayor calls for public participation. Virtual participation is also available. Below are the key dates for the 2026/27 municipal budget process:

- **Feb. 11–13:** Public Safety (Community Safety, Fire & Emergency, Police, RCMP)
- **Feb. 18–19:** Corporate Services & Other (CAO’s Office, Finance, HR, IT, Libraries, Mayor’s Office, etc.)

In March, we will be reviewing the Budget Adjustment List (BAL) where Council will consider additional items beyond proposed budgets, including add-ons (“overs”) and subtractions (“unders”) and provide final budget approval.

*These dates are subject to change.

For more information on the 2026/27 municipal budget process, visit our [website](#).

COUNCILLOR TRISH PURDY

COLE HARBOUR - WESTPHAL - LAKE LOON - CHERRY BROOK

SUBURBAN PLAN

We need your feedback on the development of our Suburban Plan. The Halifax Regional Municipality is developing a Suburban Plan, a new planning document that will guide growth and change in our suburban areas. Residents will have opportunities to share their ideas and help influence the Suburban Plan throughout the planning process at open houses and through an online survey.

The open house for our area will be held at the following date and time:

- **Cole Harbour, Dartmouth, Westphal and Lake Loon**
 - Date: Feb. 11
 - Time: 2-4 p.m. and 5:30-8 p.m.
 - Location: Cole Harbour Place

The goal of the suburban planning process is to update land use policies under one plan while respecting each community's unique history, characteristics and aspirations.

The survey will remain available until June 15, 2026.

Learn more and fill out the survey by visiting our [website](#).

RECREATION ACCESS PROGRAM

Changes to the Recreation Access Program

Including multi-district facilities

Multi-district facilities (MDFs) are now included in the Recreation Access Program.

The Recreation Access Program offers subsidies of 25, 50 or 100 per cent of the costs for most recreation programs and facility memberships.

Previously, MDFs such as the Canada Games Centre, Cole Harbour Place, St. Margarets Centre and Zatzman Sportsplex operated their own affordable access programs

Are you a member of one of these facilities looking for affordable access? Learn more and apply in 2026 on our [website](#).

COUNCILLOR TRISH PURDY

COLE HARBOUR - WESTPHAL - LAKE LOON - CHERRY BROOK

2026 COMMUNITY GRANTS PROGRAM APPLICATIONS

PROPERTY ASSESSMENTS

At the Jan. 13 meeting of Regional Council, the Property Valuation Services Corporation (PVSC) presented the 2026 assessment roll to Council.

The PVSC is a non-profit governed by a board of directors who completes property assessments for the entire province.

The report is an important part of our budget process, as municipal tax rates are charged on assessed values.

To discuss your property assessment or lodge an appeal, please contact PVSC 1-800-380-7775 or inquiry@pvsc.ca. Appeals must be received by February 12. You can find more information about PVSC and assessments on their [website](#) or view the presentation to Council [here](#).

2026 CENSUS JOB OPPORTUNITES

The Government of Canada will be conducting the next Census of Population in May 2026. To support this important project, Statistics Canada is hiring for supervisory and non-supervisory positions. Approximately 32,000 jobs are available across Canada!

We are looking for local people to help us collect accurate data in your community. These data are vital for planning and evaluating programs and services such as education, health care, child care, housing, emergency services, roads, public transportation and job training.

Check out their website for more [information](#).

The Halifax Regional Municipality is now accepting applications for the 2026 Community Grants Program.

The Community Grants Program provides annual cash grants to registered non-profit organizations and charities located

throughout the region. The program ensures organizations across the municipality have equal opportunities to seek funding for projects that help make their community a great place to live and work for all residents.

There are two types of grants available: a project grant of up to \$5,000 and a capital grant of up to \$25,000. Funding is available for projects in the following categories:

- Community arts
- Diversity and accessibility
- Environment and climate change
- Emergency assistance and public safety
- Community histories
- Leisure
- Recreation

Applicants are encouraged to review the [Program Guidebook](#) before applying. First-time applicants should contact staff for guidance prior to submission. The deadline to apply is Tuesday, March 31, 2026.

For more information, including how to apply, visit our [website](#).
