

## Together We Can Build Safe, Healthy, Active Communities

### ENJOYING JULY!

We are certainly enjoying a beautiful summer – I’m definitely thankful to be living in “the city of lakes” in this heat! I’m hoping you are all finding ways to cool down too. Make sure to keep children and pets safe by being mindful of the humidity and UV index. Our outdoor beaches, splashpads and pools are open – you can find out more about where to cool off in your neighbourhood [here](#).

In this newsletter, you’ll find information about the Halifax Pride Festival, updates on encampments, summer recreation and volunteer opportunities and much more. Please continue to reach out if you have questions or concerns about municipal programs or services – I’m happy to help in any way I can!

### PROFITONS DE JUILLET!

Nous profitons certainement d’un bel été; je me réjouis vraiment de vivre dans la « ville des lacs » vu la chaleur qu’il fait. J’espère que vous trouvez tous des moyens de vous rafraîchir également; assurez-vous notamment de rester à l’affût de l’humidité et de l’indice UV pour protéger vos enfants et vos animaux de compagnie. Nos plages, nos aires de jeux d’eau et nos piscines extérieures sont ouvertes. Vous pouvez trouver où aller vous rafraîchir dans votre quartier en cliquant sur ce [lien](#).

Vous trouverez dans ce bulletin de plus amples détails sur le festival de la Fierté d’Halifax, de même que des mises à jour sur les campements, les loisirs d’été, les possibilités de bénévolat et bien plus. Comme toujours, n’hésitez pas à communiquer avec nous si vous avez des questions ou des préoccupations concernant les programmes et les services municipaux. Je me ferai un plaisir de faire tout mon possible pour vous aider!

Congratulations to Sgt. Dayne Campbell of the Vancouver Police Department on his incredible solo bike ride across Canada to raise funds for pediatric cancer research!

Congratulations to the Woodlawn High School Graduating Class of 2024. Go Panthers!!!!

## ELECTRIC VEHICLE TEST DRIVE EVENTS

The Halifax Regional Municipality has partnered with Next Ride and the Clean Foundation to offer a number of free electric vehicle (EV) test drive events to residents across the municipality.

During each test drive event, residents can expect a free test drive in an electric vehicle and information on electric vehicles, electric vehicle rebates, and the Municipal Electric Vehicle Strategy.

Registration for each event will open approximately two weeks before the event date. Residents are encouraged to register online to guarantee your test drive. Limited walk-in spots may be available. Visit our [website](#) for the event schedule or see upcoming dates below:

- July 18 – Horizon Recreation Centre, 10 a.m. to 2 p.m.
- July 20 – RBC Centre, 10 a.m. to 4 p.m. (Electric Avenue event)
- July 23 – Musquodoboit Harbour Public Library and Recreation Centre, 10 a.m. to 2 p.m.
- July 26 - Halifax Forum, 10 a.m. to 2 p.m.
- July 27 – St. Margarets Bay Centre, 10 a.m. to 2 p.m.
- Aug. 12 – Centennial Arena, 10 a.m. to 2 p.m.
- Aug. 15 – Cole Harbour Place, 10 a.m. to 2 p.m.
- Aug. 19 – Greenfoot Energy Centre, 10 a.m. to 2 p.m.
- Aug. 22 – Alderney Gate, 10 a.m. to 2 p.m.

To schedule a test drive at one of these events, head to [Next Ride's website](#).

## ROAD SAFETY STRATEGY

Regional Council adopted the Road Safety Strategy 2024 on July 9 to reduce fatalities and injuries on roadways in the municipality.

Operating on the principles of Vision Zero and Safe System Approach, this strategy seeks to address road designs that have vulnerabilities and the potential for human error. The strategy identifies four priority areas: intersections, vulnerable road users, safe schools and data management.

Council has directed staff to provide annual reports regarding the actions outlined in the program. For more information, read the [staff report](#).

## HEAT SAFETY PRECAUTIONS

Extreme heat events can occur in Nova Scotia, typically between July and September, and are characterized by temperatures remaining high during the day and night for several consecutive days. Temperatures may also be hotter in tall structures, such as apartment and office towers and in direct sunlight. Everyone should take precautions when temperatures rise.

During extreme heat events people are at risk of overheating or other heat-related illnesses. Take precautions such as wearing loose layers of light coloured clothing and sunscreen, staying hydrated and limiting time outdoors or doing strenuous physical activity.

You can download the [municipality's Preparing for Extreme Weather and Climate Change Impacts guide](#) which includes a full page on preparing and mitigating extreme heat. [Visit this HalifACT webpage](#) to download the guide in additional languages and other useful information about climate change impacts.

### HALIFAX PRIDE FESTIVAL

Pride is a time to celebrate and demonstrate our continued allyship and support of the 2SLGBTQIA+ community. There are many barriers still faced by community members today.

This year's [Halifax Pride Festival](#) takes place from July 18 to 28. The festival honours the first Pride march in Halifax, which took place in July 1988. This year's theme is Then. Now. Forever.

See the full calendar of Halifax Pride Festival events on their website, [here](#).

### JULY ROAD SAFETY FOCUS

It's summer, which means it's also construction season. Summer's warm temperatures make it the ideal time for safety improvements to our streets and sidewalks. Watch for crews in construction zones and respect speed limits. The road safety theme for the month of July is **Construction Zones**.

Summer is a peak time for construction projects. Without a doubt, you'll come across a construction crew on our roads in your travels. Crews working on roads are counting on you to work with them to ensure everyone gets home safe at the end of the day.

Consider taking another route when possible and avoid the construction area and always obey the posted speed limit and signage when driving through construction zones. Speeding in a construction zone will result in a fine that is double that of a normal speeding ticket. Pay close attention to sign flaggers and obey their instructions and always be prepared to stop suddenly when driving through construction zones. Keep a safe distance between your vehicle and the construction workers' equipment and vehicle. Finally, stay calm and be flexible when encountering traffic delays.

A great morning hanging out at Camp Courage.

### RECREATIONAL WATER QUALITY ADVISORIES LIFTED

On July 4, water quality advisories were issued for Birch Cove Beach, Shubie Park Beach and Cunard Pond Beach. These advisories have now been lifted. These locations are supervised beaches, therefore municipal staff regularly test the water quality. Previous test results showed high bacteria levels in the water but follow up tests show the water is once again within Health Canada guidelines. For more information on municipal beaches and outdoor pools across the region, please visit our [beaches](#) page.

## COUNCILLOR TONY MANCINI

HARBOURVIEW - BURNSIDE - DARTMOUTH EAST

### HOUSING AND HOMELESSNESS UPDATE

As a temporary response to the homelessness crisis, on July 9, Regional Council approved the following list of nine potential designated locations for possible encampments:

- Bayers Road Windsor Street Park (Halifax)
- BiHi Park (Halifax)
- Bisset Road (Dartmouth)
- Chain Lake Park (Halifax)
- Cogswell Park (Halifax)
- Geary Street Green Space (Dartmouth)
- Glebe Street Park (Halifax)
- Halifax Common (berm) (Halifax)
- Point Pleasant Park (Halifax)

The municipality does not support encampments or tenting for those experiencing homelessness, but this list will allow us to adjust to the changing levels of demand. If any sites are opened as designated locations, it would be a temporary measure until appropriate sheltering and housing options become available from the Province of Nova Scotia.

If any of these sites are opened as designated locations, that information will be shared publicly, including the specific section or area permitted for sleeping rough. To open any of the potential designated sites, detailed site preparation will first need to be completed by municipal staff including preparation for supports to people sleeping rough and mitigating potential community impacts.

The municipality has also explored other options, including privately owned land and sought other space for encampments from provincial and federal governments.

Municipal staff continue to regularly visit the existing four designated locations to ensure the services are adequate and to mitigate issues where possible.

Municipal staff will also continue coordinating with the Province of Nova Scotia and their service providers to ensure those experiencing homelessness have access to the support they need.

### UPDATE ON BANCROFT AND MARKETPLACE POTENTIAL ENCAMPMENT SITE

Staff are currently preparing a new site in Dartmouth at the intersection of Bancroft Lane and Marketplace Drive. The new site will provide approximately 3000 square meters of space for tents and other site facilities such as toilets and garbage disposal. The project will involve clearing bushes and trees, grading the site, and preparing access roads and pathways. Concrete pads will be created for site structures such as porta pottie bathroom facilities. The location of the site provides easy access to Halifax Transit and other amenities. The site itself will be fenced on three sides with permanent fencing allowing access only from Bancroft Lane. Vegetative buffers will be left in place to provide privacy for the site and businesses that are nearby. Preliminary design is ongoing, and staff will be seeking a contractor to complete the work. It is anticipated that the site will be ready for use in mid-September or early October 2024. The preparation of this site as a designated location will also include \$50,000 of clean up to an adjacent site also owned by the Halifax Regional Municipality.

While the site at Bancroft and Marketplace has been examined by staff and contractors the possibility of encountering an unknown issue during the preparatory phase of this work exists. Staff will address these issues if they occur and will provide Regional Council with an update as the work continues.

Before that site becomes occupied, I'm prepared to organize a meeting with the community to provide more information.

## COUNCILLOR TONY MANCINI

### NATAL DAY PARADE REGISTRATION

The Halifax Regional Municipality is advising residents that registration has opened for participants in the annual Natal Day parade. The 127<sup>th</sup> Pepsi Natal Day Parade will take place on Monday, August 5 at 10 a.m. This annual event attracts hundreds of residents and is a key piece of the municipality's annual Natal Day programming.

Parade registration is now open! [Application forms](#) will be accepted until this Friday, July 19, 2024. For more information visit our [website](#).

### REC VAN

The Rec Van is stacked with equipment for more than 50 different activities and sports, including baseball, basketball, soccer, washer toss, giant checkers, archery, skipping and much more! It will be visiting communities throughout the municipality, each Monday through Thursday until August 23.

You can check out the full schedule and more details [here](#).

### PREVENTING INVASIVE SPECIES IN HRM

New invasive species are increasingly being detected in the Halifax region. These are species introduced from elsewhere that can have detrimental impacts on local ecosystems. This summer the municipality is focused on addressing invasions of hemlock woolly adelgid (HWA) and yellow floating heart (YFH). Both species are at a stage in their local introductions where they can be reasonably managed/contained, making them a high priority for treatment.

The municipality is conducting public engagement throughout the summer to inform the development of future invasive species treatment and management plans. You can attend the HWA Treatment and Canine for Clean Water event Saturday July 27 from 9 a.m. to 12 p.m. at Hemlock Ravine Park in the Heart Shaped Pond Parking Lot to talk to HRM's Environment and Climate Change team to discuss concerns about HWA.

On August 8, they will be hosting a nature walk at Little Albro Lake and a discussion and community engagement about Yellow Floating Heart management.

Finally, on August 22 from 6:30 p.m. to 9 p.m. there will be a screening of *In the Quiet and the Dark* with an expert panel discussion featuring Donna Crossland at the Fairbanks Centre in Shubie Park.

The survey will remain available until September 2024. For more information, see our [website](#).

### BURN BAN

Check before you burn! March 15 through October 15 is wildfire risk season. Help reduce wildfire risk by following all considerations within the municipality's Open Air Burning By-Law and reviewing provincial restrictions.

For more information, visit their [website](#).

## COUNCILLOR TONY MANCINI

### LAKE MICMAC DEVELOPMENT HEIGHTS MOTION

At Tuesday's July 9 Regional Council meeting I brought forward the following motion regarding Lake Micmac:

- That Halifax Regional Council direct the Chief Administrative Officer (CAO) to prepare a staff report:
1. Outlining the process and costs to undertake a Wind Impact Study for Lake Micmac, and further outlining the process to amend the Dartmouth Municipal Planning Strategy and Land Use By-Law and the Regional Centre Municipal Planning Strategy and Land Use By-Law to establish maximum height restrictions for development around Lake Micmac; and,
  2. Request that public participation be undertaken in accordance with the Public Participation Resolution adopted by Regional Council.

You can find the full motion [here](#).

### DARTMOUTH FESTIVAL SERIES

The Dartmouth Festival Series and Ferry Terminal Park is continuing this month! You can check out great shows including a Dartmouth Undersea Adventure with Spongebob and cultural performances between now and the end of August. Find out more and see the full schedule for performances [here](#).

### APPIAN WAY CONSTRUCTION

The Halifax Regional Municipality will be carrying out construction work on Appian Way starting this week and continuing until September 24. Work includes full street, gutter and curb recapitalization, the addition of new sidewalks and traffic calming measures, new signage and sign posts and more.

Parking may occasionally be restricted on the street which might require that homeowners consider temporary parking arrangements. Notice will be provided prior to parking restrictions. For any questions about the project, HRM project inspector [Amanda Benson](#) or at [902-943-0296](tel:902-943-0296).

### ELECTION WORKER RECRUITMENT

The municipality are recruiting election workers for over 1,200 temporary roles that will foster a fair, accessible and efficient municipal and Conseil scolaire acadien election this October.

Training will be provided between Monday, September 16 and Saturday, October 12.

For more information, including a list of available roles and applications, visit our [website](#). No resume or cover letter is required, applicants can simply complete the online application.

## YOUTH CLIMATE ACTION FUND

Are you part of a youth-led or youth-serving organization in the municipality? Do you have innovative ideas about how we can address climate change? Then you're invited to apply for financial support from the Youth Climate Action Fund!

When Bloomberg Philanthropies and United Cities and Local Governments launched the Youth Climate Action Fund back in April, the goal was to encourage cities to lift up the work of young people who are working to create real climate solutions today. The Halifax Regional Municipality was one of 100 cities across 38 countries chosen to participate in the program because of the progress we've made in acting on climate together through HalifACT, our plan for confronting the emergency.

As part of this initiative, municipalities received \$50,000 USD (\$68,206 CAD) to give out to youth-led groups in the form of small grants. These grants can be as much as \$6,821 CAD and will be distributed through a partnership with the Halifax Climate Investment, Innovation and Impact Fund (HCI3).

We are thrilled to have this opportunity to recognize the innovation and resourcefulness of our young residents in the face of the climate crisis.

Join the global movement for community-based climate action. Share your exciting ideas with the world. The application form is available [online](#).

## PROPERTY TAX REBATE FOR SENIORS

Applications are now officially open for the Provincial Property Tax Rebate for Seniors. If you or someone you know is eligible, be sure to take advantage.

The rebate amount is based on your municipal residential property taxes. The program provides eligible homeowners with a rebate of 50 per cent of the municipal residential property taxes they paid for the 2023 tax year, up to a maximum of \$800.

For more information, and to apply, visit their [website](#).

HARBOURVIEW - BURNSIDE - DARTMOUTH EAST

Royal NS International Tattoo is an amazing show.

## IMPAIRED DRIVING STATISTICS

Halifax Regional Police charged 42 drivers with impaired related offences during the month of June.

Of the 42 drivers, 25 were charged with impaired operation of a conveyance by alcohol, nine were charged with impaired operation of a conveyance by a drug. Of 42 drivers, 18 calls were received from people who suspected impaired driving. We thank the public for reporting suspected impaired drivers and encourage anyone to call 911 immediately if they suspect someone is driving impaired.

If you see a potential impaired driver, call 911 immediately and give the call taker your location along with a description of the vehicle, including the licence plate number, colour, make and model, the direction of travel for the vehicle and a description of the driver.

## ROAD SAFETY ACTION PLAN

Regional Council has approved the Road Safety Action Plan to address ten intersections in the municipality with the highest number of fatal and injury collisions.

Current data shows that half of all collisions resulting in fatalities and injuries take place at intersections, with the majority taking place at collector or arterial roadways. As outlined in the Road Safety Strategy 2024, intersections have been identified as a priority to improve road safety and achieve Vision Zero for collisions resulting in fatalities and injuries. These projects will be a major focus of the road safety program.

For more information, read the [staff report](#).

## MOBILE SPECIAL WASTE DEPOT

Residents looking to dispose of household special waste not acceptable for curbside collection can bring their materials to the following upcoming mobile Household Special Waste Depot events:

**When:** Saturday, July 20

**Where:** Horizon Community School, 168 Redoubt Way, Eastern Passage

**When:** Saturday, July 27

**Where:** George P Vanier Jr High School, 1410 Fall River Road, Fall River

The mobile drop-off depot will be in operation from 9 a.m. to 4 p.m. and will take place rain or shine. Business waste is not permitted. For more information on Halifax's solid waste program including updates on future depot events, please [visit our website](#), download the [Halifax Recycles app](#) or contact [311](#).

### NEW OPEN DATA SETS

The Halifax Regional Municipality has released seven new datasets on Open Data, as part of an ongoing commitment to provide public access to data created and managed by the municipality.

A wide range of data can be sourced for free through the catalogue, such as Halifax Transit routes and schedule data, solid waste collection schedules, and area rates.

The new datasets include:

- [Beach Water Quality](#)
- [Bonus Zoning Rate Districts](#)
- [Demographic Scenarios](#)
- [Maximum Building Heights](#)
- [Maximum Front and Flanking Yards](#)
- [Minimum Front and Flanking Yards](#)
- [Natural Inventory](#)

For more information on the municipality’s Open Data program, and to access all the datasets, visit the [Open Data](#) website.

**NEEDLE DISPOSAL**

Found a used needle in your community? Please follow these steps to dispose of it safely!

- 1 Call Mainline to make arrangements for pick up/drop off.  
Hi! Can you please help me make arrangements for needle disposal?  
 Mainline Office: 902-423-9991
- 2 Grab a strong plastic container, a pair of gloves and tongs (if available)
- 3 Using gloves/tongs, pick up the needle by the barrel and place it in the container with the needle facing down
- 4 Close and clearly label the container. Wash your hands.

**Mainline**  
 NEEDLE EXCHANGE - NOVA SCOTIA EST 1992

Mainline meets people where they are to provide non-judgemental harm reduction services.

Staff offer sterile equipment, education, needle disposal, testing supplies, and much more!

### HALIFAX & DARTMOUTH BUSKERS FESTIVAL

East Coast Amusements return to Alderney Landing this summer for Buskersfest 2024. See [eastcoastamusements.ca](http://eastcoastamusements.ca) to find the full schedule of this year’s amazing lineup of talent.

### DAY AGAINST HUMAN TRAFFICKING

July 30 is World Day Against Trafficking in Persons. Human trafficking is a global problem, and 1 in 3 victims are children. This year, the theme for the World Day Against Trafficking in Persons is “Leave No Child Behind in the fight against human trafficking.”

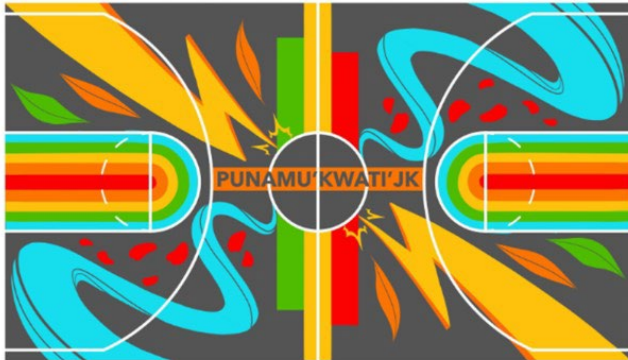

You can find out more about this initiative [here](#), and check out Halifax Regional Police’s [Human Trafficking information page](#) here.

## COUNCILLOR TONY MANCINI

HARBOURVIEW - BURNSIDE - DARTMOUTH EAST

### Come paint with your neighbours!

On August 10th, neighbours will gather to paint a design on the basketball court at Mount Edward Rd & Cranberry Cres. The artwork honours indigenous land, African Nova Scotians, and the 2SLGBTQIA+ community. Join our community paint day for music, food, and family fun.

To join us, visit [WoodlawnResidents.ca](http://WoodlawnResidents.ca) and click "join" or visit us on Facebook @WoodlawnRA and RSVP to our event!

### BLUE GREEN ALGAE

Blue-green algae, or cyanobacteria, are naturally found in freshwater environments like lakes, ponds, rivers, and streams. They thrive in warm water and can be harmful to people and fatal for pets. Algae blooms can look like fine grass clippings in the water, spilled paint, pea soup or sometimes like a thick scum on the surface. Algae mats can look like clumps of vegetation, and can appear black, brown, or dark green in the water. On the shoreline they may appear brown or grey.

People or animals that consume contaminated water are at risk of headaches, fever, diarrhea, vomiting, cramps, muscle, joint pain, and liver damage and the algae can be fatal to pets. When visiting a lake, river, stream, or pond, always scan the water and shoreline before entering the water or letting children or pets play in it. Report suspected algae contamination by calling 1-877-9ENVIRO (1-877-936-8476) and 311.

You can find current advisories on potential algae here, and you can learn more [here](#).

### LIBRARY BOARD AND AFRICAN DESCENT ADVISORY COMMITTEE RECRUITMENT

The Halifax Regional Municipality is seeking applications for volunteers to serve on the Halifax Regional Library Board and the African Descent Advisory Committee.

Municipal boards, committees, and commissions consist of councillors, residents and industry representatives. These groups provide recommendations to Regional Council, Community Councils, Standing Committees or municipal staff – and serve as an important part of the decision-making process.

Information on each board, committee and commission – including a terms of reference, meeting schedules, minutes, agendas and reports – can be found on our [website](#). Applicants are encouraged to review these resources before applying to learn more about the role and typical work performed by each board, committee and commission.

The municipality is seeking board, committee and commission members that are reflective and inclusive of residents from the municipality. The municipality encourages applicants from African Nova Scotians, racially visible persons, women, persons with disabilities, Indigenous persons and persons of the 2SLGBTQ+ community to self-identify.

Applications for the Halifax Regional Library Board will close on Monday, July 29 at 11:59 p.m. Applications for the African Descent Advisory Board will close on Monday, September 9 at 11:59 p.m. For more information or to apply, visit our [website](#).

Residents can also contact [serve@halifax.ca](mailto:serve@halifax.ca) or call 902-490-4210 for questions about the appointment process or to request accommodations.

## WEEKLY GREEN CART COLLECTION

The Halifax Regional Municipality is advising residents that weekly green cart collection has begun in all communities across the municipality. Weekly green cart collection will be in effect for the months until Monday September 30. Collection services can begin as early as 7 a.m. Residents can look up their collection schedules on our [website](#).

## LAND ACKNOWLEDGEMENT

### Land Acknowledgement

The Halifax Regional Municipality is located in Mi'kma'ki, the ancestral and traditional lands of the Mi'kmaq people. The municipality acknowledges the Peace and Friendship Treaties signed in this Territory and recognizes that we are all Treaty People.

Halifax is committed to strengthening its relationship with Indigenous communities and honouring the significant contributions of Indigenous peoples. In Nova Scotia, we are all Treaty People; with that comes roles and responsibilities. We also acknowledge the histories and legacies of the African Nova Scotian people and communities that have been here for more than 400 years.
