(j) “Regional Centre Area” means the Regional Centre Area shown on the most recent version of Regional Centre Secondary Municipal Planning Strategy.

Purpose

3. The purpose of this Administrative Order is to provide grants to eligible organizations for the construction or rehabilitation of affordable housing dwelling units, building condition assessments, or the acquisition of buildings, dwelling units, or property.

Roles and Responsibilities

4. The CAO, or delegate, shall expend the funds contained in the Bonus Zoning Reserve for affordable housing in accordance with the policies contained in this Administrative Order.

Eligibility for Consideration for Affordable Housing Grant

5. To be eligible for consideration for a grant for affordable housing under this Administrative Order, an applicant must:

- (a) be a non-profit organization that has been incorporated for at least one year; and
- (b) be applying for a grant to
 - (i) rehabilitate existing dwelling units for the purpose of affordable housing,
 - (ii) construct new affordable housing dwelling units,
 - (iii) support building assessments, or
 - (iv) acquire buildings, housing units, or properties for affordable housing.

Eligible Costs

6. The following rehabilitation costs for dwelling units are eligible for a grant under this Administrative Order:

- (a) construction costs; and
- (b) design costs.

7. The following costs for new affordable housing dwelling units are eligible for a grant under this Administrative Order:

- (a) construction costs; and
- (b) design costs.

8. Construction costs for partnerships between a non-profit organization and a person may only be considered for a grant under this Administrative Order if there is an agreement between the non-profit and the person under which:

- (a) the person agrees to transfer ownership of the affordable housing dwelling units that are the subject of the grant to the non-profit organization prior to occupancy; or
- (b) the affordable housing dwelling units are owned by the non-profit organization.

Ineligible Costs

9. The following work and materials are ineligible for a grant under this Administrative Order:
- (a) private sector construction of affordable housing dwelling units, unless clause 8(a) applies;
 - (b) rehabilitation of affordable housing dwelling units that are not owned by a non-profit organization; and
 - (c) operating expenses of the non-profit organization, including wages of employees of the non-profit organization, debt payment, or losses from a previous fiscal year.

General Requirements

10. This Administrative Order operates on the Municipality's fiscal year.
11. There is one intake period per fiscal year.
12. Subject to section 13, applications under this Administrative Order will only be accepted between September 1st and December 1st in a given calendar year for the following fiscal year.
13. Where December 1st falls on a weekend or holiday, the intake period shall be extended until the end of the next business day.
14. All applications must be received by the Municipality by mail, in person, or by e-mail.
15. The address for submission of applications will be posted on www.halifax.ca prior to the intake period.
16. Subject to the amount in the Bonus Zoning Reserve and budget, there is no maximum annual amount of financial assistance per property.
17. The minimum annual amount of financial assistance per property is \$500.00.

Required Information For All Applications

18. All the items required under sections 19, 20, and 21 must be received by the Municipality by the application deadline under section 12.
19. All applications under this Administrative Order must include the following items:
- (a) proof, satisfactory to the CAO or designate, that the applicant is:
 - (i) a non-profit organization, and
 - (ii) has been a non-profit organization for more than 1 year;
 - (b) the amount of financial assistance requested;
 - (c) confirmation of ownership of the land containing the affordable housing dwelling units;

(d) in the case of a partnership under section 8, copies of all existing agreements between the non-profit organization and the person regarding ownership transfer to the non-profit organization of the affordable housing dwelling units;

(e) a summary describing the project, including:

(i) the total number of affordable housing dwelling units, and the approximate size and number of bedrooms,

(ii) who the affordable housing dwelling units are intended to serve, such as the targeted clients income levels, household composition, immigration status, or related health issues;

(iii) the address and location of the proposed development,

(iv) the ownership structure of the affordable housing dwelling units and the development, and

(v) how the project will achieve long term stability;

(f) a summary describing the non-profit organization, including who it serves and any examples of similar projects the organization lead or had participated in;

(g) all sources of funding, whether confirmed or unconfirmed, that will be used to purchase the property,

(h) if funding is being provided by

(i) the Province of Nova Scotia, including Housing Nova Scotia, or

(ii) the Government of Canada, including Canada Mortgage and Housing Corporation (CMHC),

then a letter from them confirming approval or eligibility for such funding;

(i) a valid email address for communication by the Municipality; and

(j) any other information that may be required by the CAO, or delegate.

Additional Content for Affordable Housing Rehabilitation Applications

20. In addition to section 19, applications for affordable housing dwelling unit rehabilitation costs must contain an overview of the rehabilitation project, including:

(a) a description of the work to be completed, such as the extent of required repairs, and a description of the importance of that work in maintaining the availability of the affordable housing dwelling unit to people in the low to moderate range income range;

(b) a description of how the project will improve the energy efficiency of the building; and

(c) estimates from two professional contractors for the proposed repairs or renewal work.

Additional Content for New Affordable Housing Construction Applications

21. In addition to section 19, for the construction of new affordable housing dwelling units, applications must contain an overview of the proposed affordable housing development, including:

- (a) confirmation that the development can be carried out under current land use regulations;
- (b) a description of how the project will meet or exceed the energy efficiency requirements of the *National Building Code*; and
- (c) a project proforma that
 - (i) identifies hard and soft costs associated with the development,
 - (ii) identifies all fees payable to the Municipality,
 - (iii) identifies all sources of financing, both confirmed and unconfirmed;
 - (iv) estimates the operational costs and rental income, and
 - (v) the names and experience of the project management team for the project.

Discretionary Information for All Applications

22. Unless the information is required by the CAO, or delegate, under clause 19(j), the following information is recommended to help with project evaluation and prioritization:

- (a) detailed building plans;
- (b) supporting information from a qualified professional that the proposed development exceeds accessibility and environmental requirements outlined in *the National Building Code*;
- (c) supporting information outlining how the non-profit organization currently provides housing for those in need of deep affordability;
- (d) copies of all existing agreements with the Department of Municipal Affairs, Housing Nova Scotia, and Canada Mortgage and Housing Corporation for the purposes of providing affordable housing;
- (e) copies of an order to comply with Municipal minimum standards; and
- (f) any further supplemental material that, in the opinion of the applicant, demonstrates how the project meets affordable housing.

Project Evaluation and Prioritization for Affordable Housing Incentives Grant

23. Submissions will be evaluated by HRM staff, who may seek input from members of the Housing and Homelessness Partnership.

24. Monies that have been collected through incentive or bonusing zoning program for affordable housing shall only be used for projects within the Regional Centre.

25. The following criteria will be used to prioritize applications:

- (a) projects that have applied and are eligible for funding by
 - (i) the Province of Nova Scotia, including Housing Nova Scotia, or

(ii) the Government of Canada, including Canada Mortgage and Housing Corporation (CMHC),

for the purposes of developing or restoring affordable housing units;

(b) projects that are required to provide a public benefit for incentive or bonus zoning pursuant to incentive and bonus zoning provisions of the Centre Plan, Downtown Halifax Plan or a development agreement;

(c) projects by those non-profit organizations who currently serve those in need of deep affordability;

(d) projects that exceed accessibility requirements of the *National Building Code*;

(e) projects that include energy efficient design and components that substantially exceed the requirements of the *National Building Code*;

(f) projects that have received an order from the Municipality to comply with By-law M-200, the *Standards For Residential Occupancies By-law*;

(g) projects that demonstrate financial self-sustainability;

(h) projects by applicants that demonstrate resources and capacity to support additional housing units;

(i) projects by applicants with experience in successfully managing existing affordable housing dwelling units; and

(j) balancing the allocation of money collected through the density and incentive bonus program to different areas of the Regional Centre.

Application Review Process

26. Applications will be screened by staff of the Municipality for basic eligibility as they are received.

27. Applicants will be notified if their applications are ineligible.

28. (1) Eligible applications will be evaluated and prioritized by staff of the Municipality.

(2) A report and recommendations will be prepared by staff for consideration by the CAO or delegate.

29. Council hereby delegates to the CAO the authority to:

(a) approve grants under this Administrative Order;

(b) determine the amount of such grants; and

(c) approve and execute contribution agreements under section 35 on behalf of the Municipality, including amendments to such agreements.

30. The CAO may further delegate any or all of the authorities granted by Council to one or more employees of the Municipality.

31. Final approval of all applications for a grant, and the amount thereof, is a decision of the CAO or delegate in their sole discretion.
32. Notification of the decision of the CAO will be e-mailed to applicants after it is made.
33. Due to limited funds, not all eligible applications may receive funding.
34. Staff of the Municipality will provide an information report annually to the Council on the grants approved by the CAO, or their delegate.

Conditions of Approval and Payments of Grants

35. A successful applicant must sign a contribution agreement with the Municipality prior to any funds being issued.
36. Financial assistance provided through this Administrative Order will be detailed in the Contribution Agreement.
37. The Applicant must agree in the Contribution Agreements to the following items:
 - (a) the amount to be received under this Administrative Order;
 - (b) the work to be completed and the timeframe by which it must be completed;
 - (c) the process for reporting to the Municipality;
 - (d) money received under this Administrative Order must be used for the purposes outlined in the recipients funding application;
 - (e) repayment or recourse if:
 - (i) the project is not completed,
 - (ii) the scope of the project is changed, or
 - (iii) any portion of the money received from the Municipality is used for any purpose other than the approved project;
 - (f) to complete a final report describing the impact of the funding received from the Municipality within the timeframe indicated in the Contribution Agreement; and
 - (g) to notify the Municipality if:
 - (i) there is a change in scope of the project from that description in the application,
 - (ii) the project does not proceed, or
 - (iii) the project is not completed.
 - (h) any other matter needed to ensure that the money received from the Municipality is used to support the proposed project.

Done and passed this 30th day of September, 2020.
