Date of Council Meeting: June 13, 2017					
Subject: Community Integration Fund					
Motion for Council to Consider:					
That Regional Council request a staff report on the merits of the development of a Community Integration Fund to compensate the affected communities around the Otter Lake Landfill.					
Reason:					
At past meeting of Regional Council, there were discussions held regarding an integration fund based on tonnage to the Otter Lake facility. It was understood due to the extension of the timeline for operation, community compensation would be forthcoming, however, that is not the case.					
Outcome Sought:					
Support for Community Integration Fund for communities affected by the Otter Lake Landfill.
