14.7 MEMBERS OF COUNCIL

14.7.1 Councillor Zurawski – Climate Emergency

The following was before Council:

- A Councillor request for consideration form dated January 29, 2019
- Correspondence submitted by Linda Scherzinger, Ruth Gamberg, Helga Guderley, Elenore Klure, Angela Riley, Nancy Hunter, Walter Reagan and Greg Muzzatti.

MOVED by Councillor Zurawski, seconded by Councillor Craig

THAT Halifax Regional Council request that staff prepare a report and recommendations and return to Council within 90 days with respect to:

- 1. The recognition by HRM Council that the breakdown of the stable climate and sea levels under which human civilization developed constitutes an emergency for HRM.**
- 2. Opportunities to increase ambitions and/or accelerate timelines to:**
 - i. add new actions to help HRM achieve its climate targets; and**
 - ii. add new actions that would help reduce GHG emissions beyond the scope of HRM's current climate targets.**
- 3. The incorporation into the Municipality's climate targets and actions the need to achieve net zero carbon emissions before 2050 and net negative carbon emissions in the second half of the century.**
- 4. The establishment of a remaining carbon budget for corporate and community emissions commensurate with limiting warming to 1.5°C and an annual reporting process with respect to the expenditure HRM's remaining carbon budget.**
- 5. The establishment of a "Climate and Equity" working group to provide guidance and support for the Municipality's efforts to transition off of fossil fuels in ways that prioritize those most vulnerable to climate impacts and most in need of support in transitioning to renewable energy.**

The following amendment was proposed by Councillor Zurawski:

THAT the motion be amended to remove recommendations 2 and 5 and include the following: That staff provide Regional Council with an update on current staff reports pertaining to climate change, including, but not limited to, the report for the creation of a Climate Directorate, reporting directly to the Chief Administrative Officer, and the Green Network Plan.

The amendment was deemed friendly by the Seconder. The motion before Council now reads:

MOVED by Councillor Zurawski, seconded by Councillor Craig

THAT Halifax Regional Council request that staff prepare a report and recommendations and return to Council within 90 days with respect to:

- 1. The recognition by HRM Council that the breakdown of the stable climate and sea levels under which human civilization developed constitutes an emergency for HRM.**

2. That staff provide Regional Council with an update on current staff reports pertaining to climate change, including, but not limited to, the report for the creation of a Climate Directorate, reporting directly to the CAO, and the Green Network Plan.
3. The incorporation into the Municipality's climate targets and actions the need to achieve net zero carbon emissions before 2050 and net negative carbon emissions in the second half of the century.
4. The establishment of a remaining carbon budget for corporate and community emissions commensurate with limiting warming to 1.5°C and an annual reporting process with respect to the expenditure HRM's remaining carbon budget.

In response to questions from Council, Jacques Dubé, Chief Administrative Officer provided a status update on the Climate Change Action Plan approved by Halifax Regional Council in 2017. Dubé noted that the proposed 90 day timeline for the staff report presents a challenge given the ongoing work associated with the Climate Change Action Plan. Dubé advised that a three to four-month time line after consideration and adoption of the Climate Change Action Plan by Regional Council would be a manageable target for staff to action.

In response to a follow up question, Dubé clarified future opportunities for green infrastructure funding from the federal government, which will be evaluated as part of the Climate Change Action Plan.

In response to a follow up question, Dubé advised that the term "Climate Emergency" is largely symbolic when taken into context with Emergency Management operations.

John Traves, Municipal Solicitor provided commentary on the definition of an "emergency" as it described in the Emergency Management Act as well as the provisions within that provide special authority to Council if it is enacted. Traves advised that a staff report clarifying the definitions can be provided to Council if requested.

The following additional amendment was proposed by Deputy Mayor Mancini:

THAT the proposed 90 day timeline for the report and recommendations be extended to one year.

The amendment was deemed friendly by the Mover. The motion before Council now reads:

MOVED by Councillor Zurawski, seconded by Councillor Craig

THAT Halifax Regional Council request that staff prepare a report and recommendations and return to Council within one year with respect to:

1. The recognition by HRM Council that the breakdown of the stable climate and sea levels under which human civilization developed constitutes an emergency for HRM.
2. That staff provide Regional Council with an update on current staff reports pertaining to climate change, including, but not limited to, the report for the creation of a Climate Directorate, reporting directly to the CAO, and the Green Network Plan.
3. The incorporation into the Municipality's climate targets and actions the need to achieve net zero carbon emissions before 2050 and net negative carbon emissions in the second half of the century.
4. The establishment of a remaining carbon budget for corporate and community emissions commensurate with limiting warming to 1.5°C and an annual reporting process with respect to the expenditure HRM's remaining carbon budget.
