First reading was given on July 21, 2020.

Dean MacDougall, Planner III, gave an overview of the proposed amendments to the Municipal Planning Strategy and Land Use By-law for Cole Harbour/Westphal to remove commercial uses and enable residential uses at 272 Auburn Drive.

Mayor Savage opened the public hearing and invited the applicant to come forward and address Council.

Lloyd Robbins, Lloyd Robbins Law Inc., Applicant, gave an overview of the proposal to remove commercial uses and rezone the property to the R-4 Zone to allow an apartment dwelling of up to 6-units. Applicant elaborated that community did not want the continuation of any store-typed commercial use of the property due to the issues related to garbage that community found difficult to control at the site.

Applicant answered the questions from the Council and mentioned that they had a discussion with engineering staff from Halifax Regional Municipality about having two driveways for this zoning application.

Mayor Savage reviewed the rules of procedure for public hearings and opened the floor for anyone wishing to speak on the matter.

Ron Cooper, Cole Harbour provided brief comments that proposed six-unit apartment building at 272 Auburn Drive could set a precedent for similar properties and would result in a major departure from what was the original vision for the community development.

MOVED by Councillor Nicoll, seconded by Councillor Russell

THAT the public hearing be closed.

MOTION PUT AND PASSED.

MOVED by Councillor Nicoll, seconded by Councillor Mason

THAT Halifax Regional Council adopt the proposed amendments to the Municipal Planning Strategy and Land Use By-law for Cole Harbour/Westphal, as set out in Attachments A and B of the staff report dated March 26, 2020, to remove commercial uses and enable residential uses at 272 Auburn Drive.

Dean MacDougall answered the questions from the Council and explained that since this matter is rezoning request, driveway locations aren't negotiated as part of the application process. Those details are worked out at permitting through the review by the municipal engineer. HRM's By-law Respecting Streets (S-300) states that residentially used lots having between 30 meters and 180 meters of frontage on one street shall have no more than two driveways. The site has roughly 30 meters of frontage on Auburn and 27 meters of frontage on Quindora so they would only be eligible for one drive on each street.

MOVED by Councillor Nicoll, seconded by Councillor Russell

THAT Halifax Regional Council modify the proposed amendments to the Municipal Planning Strategy and Land Use By-law for Cole Harbour/Westphal as set out in Attachments A and B of the staff report dated March 26, 2020 from up to 6 units to a maximum of 4 units.

John Traves, Municipal Solicitor, recommended that Council consider deferring the motion in response to Councillor Nicoll's request for a substantive amendment on the item, noting that staff would need to prepare draft amendments for consideration.

The amendment was withdrawn with the consent of Council.

MOVED by Councillor Nicoll, seconded by Councillor Russell

THAT the motion be deferred pending a supplemental report with the direction to the staff to re-draft the attachments to change to maximum four units from six units.

John Traves, Municipal Solicitor informed the Council that the property owner could withdraw the application and has a right to proceed with commercial property as it is.

Concerns were raised regarding the compatibility of six-unit residential property in the community.

MOTION TO DEFER PUT AND DEFEATED. (2 in favour, 15 against)
