Morning,

It's an idea for a solution to close the gap between the HRMs strategic policy planning and on the ground policy implementation. It is not a motionable idea, but I will be giving a demonstration/recap of a table top tactical planning exercise to demonstrate what step (that I believe) is missing from HRM planning processes.

Cheers,

Hello,

My name is Matt Stickland and I am the president of the Legal Road Users Bicycle Club. I would like to make a presentation to the TSC in November about the idea of transportation zoning. The working title of the presentation is: Transportation Zoning and you: Imagining a Halifax without congestion.

Thank you for your consideration in this matter.

Cheers,

MacDonald, Elizabeth

Hi Matt,

Sounds good, I can bring this presentation request forward at the upcoming agenda review as well, this would also be for the November meeting of the TSC?

Thanks,
Elizabeth

Hello,

Unrelated to my presentation in November, I would like to make a presentation to the TSC recommending evidence based design changes to the red book to increase street safety.

Cheers,
