SUBMITTED BY: - Original Signed -

DATE: March 25, 2024

SUBJECT: Appeal Report – Case CF-2024-002333 5659 Bloomfield Street, Halifax

ORIGIN

Appeal of Order to Remedy the condition of a property pursuant to the Dangerous or Unsightly provisions of the *Halifax Regional Municipality Charter* (the “Charter”).

LEGISLATIVE AUTHORITY

Sections 355, 356 and 3(q) of the *Halifax Regional Municipality Charter*, S.N.S., 2008 C.39.

MOTION FOR CONSIDERATION

In accordance with Section 58 of Administrative Order One, the motion before the Appeals Standing Committee is to allow the appeal.

RECOMMENDATION

It is recommended that the Appeals Standing Committee uphold the Order of the Administrator and thereby deny the appeal.

BACKGROUND:

There has been three (3) previous dangerous or unsightly cases at the property. One case was closed as owner compliance and two cases were closed by HRM completing the remedy work to bring the property into compliance.

The property is zoned ER-1 (Established Residential 1).

A review of the HRM database system shows no permits have been issued for the property.

A complaint was received by service request on January 24, 2024. The complainant reported that there was a large pile of garbage in the back yard.

CHRONOLOGY OF CASE ACTIVITES:

- 02-FEB-2024 The Compliance Officer conducted a site inspection at 5659 Bloomfield Street, Halifax hereinafter referred to as “the property” (attached as Appendix B). The site inspection revealed dozens of bags of waste, tarps, recyclables, and other scattered debris.
- The Compliance Officer spoke with the property owner on site. The property owner advised the Compliance Officer that he would be cleaning up the debris.
- The Compliance Officer advised the property owner that an Order to Remedy would be issued next week if the violations remained on the property. The Compliance Officer also spoke with the property owner regarding the previous cases at the property and expectation that the property be maintained.
- 12-FEB-2024 The Compliance Officer conducted a site inspection and noted the violations still exist. The Compliance Officer provided the property owner a copy of the 7-day Order to Remedy dated February 12, 2024. The property owner was made aware of the process and their right to appeal. (attached as Appendix C).
- 16-FEB-2024 The property owner submitted a Notice of Appeal (attached as Appendix D) to the Municipal Clerk’s Office.
- 16-FEB-2024 The Municipal Clerk’s Office sent the property owner a letter advising the appeal was scheduled for the April 11, 2024, Appeals Standing Committee meeting (attached as Appendix E).

FINANCIAL IMPLICATIONS

There are no financial implications if the owner complies with the Order. If the Municipality is required to complete the work, the costs will form a debt against the property which may be collected in the same manner as taxes pursuant to the Halifax Regional Municipality Charter, S.N.S., 2008, C.39.

RISK CONSIDERATIONS

There are no significant risks associated with the recommendations in this report. The risk consideration rates low.

ENVIRONMENTAL IMPLICATIONS

No environmental impacts identified.

ALTERNATIVES

The Appeals Standing Committee may vary or overturn the Order to Remedy and in doing so, must provide reasons to be recorded in the minutes of the committee meeting.

**NOTICE OF APPEAL
REGARDING
AN ORDER TO REMEDY DANGEROUS OR UNSIGHTLY PREMISES**

IN THE MATTER OF: Property located at 5659 Bloomfield Street, Halifax, NS,
Case # CF-2024-002333

I John Wright wish to file this Written Notice of Appeal in relation to the Order I received dated the February 12th, 2024 from the Compliance Officer respecting the above noted Property.

The reason for appeal is:

I am making arrangements to store my property currently in my backyard in a different location. Obviously the recent weather/snowfall is not helpful but it is my intention to move everything as quickly as I can.

There is nothing dangerous on my property. Nothing presents harm or inconvenience to anyone.

I've been told over the years by several HRM compliance officers that material kept under tarpaulins is legal (one such person was wearing a "Halifax Legal Team" jacket). I'm now (and only now) being told this is not the case. This is not something I was prepared for.

*Hearings of the Appeals Standing Committee are open to the public and any information, including personal information, which is provided or obtained in relation to your appeal, will be a matter of public record.

DATED at Halifax, Nova Scotia, February 16, 2024.
