[This email has been received from an external person or system]

Good morning, reaching out today to make application to present at the next transportation standing committee meeting. I, alone with 3 other moms have serious concerns about the traffic on Oxford St, specifically at the Oxford-Norwood crosswalk, an accident waiting to happen and we'd like to address these concerns to the transportation standing committee.

Thank you for your time, I look forward to hearing from you and moving ahead with our concerns.

Respectfully,
Kathy Ann Rainforth
