Re - Otter Lake "Dump"

Nov 11/21

I, recall well, the trials & tribulations & the closing of the Sackville dump. Also, recall well, the opposition, to the Otter Lake, proposals & the comments, of a well placed person, that ~~the~~ decision, had already been made!! Alas, I fear, history, will repeat itself!

Thanks, however, to people, such as Ray Rankin & members, of the community voluntary committee, the Otter Lake dump, has not yet become another disaster & disgrace!!!

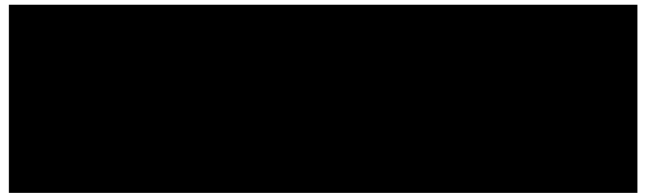

Maintain Otter Lake, as it is & instead, of empty

Readed, ideas, think, of its
ultimate closing & where, a
new dump, will be situated!!

A, big, shout out, to
persons, such as Reg Rankin
& the monitoring committee, whom
seem, to be & demonstrate

Real Concern, for, i This
instance, concern for HRM
residents!!

Leave, the dump, as
presently operating & think, of the
next dump site!!!
