Item No.9.1.1 . Grants Committee August 6, 2025

TO: Chair and Members of Grants Committee

SUBMITTED BY: Cathie O'Toole, Chief Administrative Officer

DATE: July 4, 2025

SUBJECT: **Tax Relief for Non-Profit Organizations Program: Fiscal Year 2025/2026:
Proposed Amendments to Program Schedules Administrative Order
2024-001-ADM**

ORIGIN

The Tax Relief for Non-Profit Organizations Program provides annual operating assistance to eligible registered non-profit and charitable organizations located within the Municipality. The application deadline to request the addition of a property for the 2025 program was January 31, 2025. Likewise, the application deadline to submit the annual Confirmation Form for renewal of tax relief was January 31, 2025.

EXECUTIVE SUMMARY

HRM's tax relief program provides discretionary assistance to eligible registered nonprofit and charitable property owners. The value of these operating grants fluctuates annually due to changes in assessment values, municipal tax rates, or an owner's capital investment. In 2024 the program was amended to provide greater predictability to recipients including criteria to determine the level of tax relief and a maximum tax payable threshold. The cost of this type of annual operating grant is offset proportionally by other taxpayers in the region. In accordance with Administrative Order 2024-001-ADM, this report makes recommendations regarding proposed additions or removal of a property to/from the program, any reassignment between Schedules, and records management updates.

In addition to the proposed renewal of tax relief for 841 properties at a combined cost of \$7,675,143, the proposed additional cost of \$826,244 to include twenty-nine (29) more properties will remain within the 2025/26 budget allocation of \$9,554,000.

RECOMMENDATIONS ON PAGE 2

RECOMMENDATION

It is recommended that the Grants Committee recommend that the Halifax Regional Council:

1. Approve the addition of twenty-nine (29) properties to Administrative Order 2024-001-ADM as detailed in the Discussion section of this report at an estimated combined cost of \$826,244 from Operating Account M311- 8006.
2. Approve an Operating Grant by resolution of the Council for up to two (2) consecutive years to transition five (5) organizations leasing commercial/private property removed from the tax relief program effective April 1, 2025, as itemized in Table 2 of this report, at a combined cost of \$24,232 from Operating Account M311-8006.
3. Adopt the amendments to Administrative Order 2024-001-ADM, the *Tax Relief Administrative Order*, as set out in Attachment 3 of this report.

BACKGROUND

As of the January 31, 2025, deadline applications were received from twenty-two (22) organizations requesting tax relief for a combined total of 125 properties. This year's program also includes an application from the Dartmouth Non-Profit Housing Society that was deferred in 2024.

DISCUSSION

Presentation of Information:

- The format of this year's report has been amended to provide an at-a-glance summary of additions and associated budget implications in **Table 1** in the Discussion section of the report.
- The dollar values provided in this report are estimates to allow for any correction/change to a property's assessed value or pro-rated deductions. All dollar values are rounded.
- The rationale supporting a recommendation to add a property is provided in **Attachment 1: Recommended Additions to Tax Relief Program: Fiscal Year 2025/26**. The information is presented by schedule and numbered for ease of reference.
- Recommendations to defer or decline an application and ineligible applications are provided in **Attachment 2: Recommendations to Defer or Decline an Application and Ineligible Applications: Fiscal Year 2025/26**. The recommendation rationale is listed numerically for ease of reference.
- An update on annual eligibility compliance has been added to monitor default in submitting the required annual Confirmation Form and any applicable deduction in value of tax grant¹. This information will be used to detect trends and any variance from the projected cost of annual renewals and program budget.
- The format of the schedules has changed to enable compilation using TRM (Tax and Revenue Management), HRM's property tax billing system. Although some manual overrides will still be required (for example updates and calculations for **Appendix 2**) the use of TRM represents a significant administrative efficiency.
- The names of property owners and civic addresses listed in the program schedules may vary from prior reports because the data is from TRM which is populated using the assessment roll from Property Valuation Services Corporation conforming with the Nova Scotia Land Registry. Owners

can identify a specific property using the assessment account number (AAN) found on their annual Notice of Assessment from PVSC and HRM's tax bill.

Notes to Table 1:

1. The reassignment of one property (Saint Vincent De Paul Society) and the addition of a tenant (HRM/Safety Minded ATV Association) – are not additions to the number of properties in the 2025 tax relief program and are excluded from Table 1. The applicable recommendations are included in Attachment 1.
2. The creation of a new assessment account for Akoma Holdings Incorporated is considered a new property because a separate tax bill will be created in 2025 and assigned to a different schedule from that of the parent parcel.

Amended Transition Grants by Resolution of Council – Recommendation #2

The provision of tax relief for registered nonprofit and charitable organizations leasing property is contrary to provincial tax legislation which aligns tax billing with property ownership, not occupancy. Specifically, Section 71(2) of the HRM Charter states “The Municipality may not grant a tax concession or other form of direct financial assistance to a business or industry”. To comply with legislation and policy, five (5) properties owned by a commercial/private interest were removed from the program in 2024 and six (6) tenants were assisted in transition through a grant by resolution of Council. The value of grant is equivalent to what would otherwise be received under the applicable schedule. The grant is for *up to* three (3) consecutive years. The intent is to give tenants time to budget or consider alternatives such as relocation. In 2025, grant values are amended to reflect any change in assessment value or tax rates and to identify any change in eligibility as shown below in **Table 2**.

Notes to Table 2:

1. A cash grant to the Mayflower Curling Club is discontinued in 2025: the Club has made application to this year's program to add their new facility located in Timberlea which will be operational in the Spring of 2025.
2. The amount of the cash grant to the PAC Autism Nova Scotia Society has been pro-rated to reflect the society's relocation to a larger space in the Manulife Centre, Halifax, the property is owned by the Manufacturers Life Insurance Company, a registered business (RJSC#1000345). The society's Halifax and Bedford offices will co-locate with the capacity to expand program capacity in a fully accessible facility located on a bus route with designated on-site parking for clients. The move to the new location started in April and operations will resume in June. The pro-rated award reflects the occupancy of 5945 Spring Graden Road, Halifax, in April, May, and June of 2025.

Renewals: Fiscal Year 2025/2026

The combined cost of renewals in 2025 (841 properties) is estimated to be \$7,675,143. The assessment values for renewals increased by approximately 22% in 2024 and 7.5% in 2025. Assessments had been expected to increase in 2025, comparable to the increase in 2024, however five (5) high value properties with a combined assessed value of \$46M, declined in assessed value in 2025 by 7.4% and had increased by 35% in 2024.

Note: In 2025 the Adsum Association for Women and Children acquired a residential property from the Metro Non-Profit Housing Association. The new owner applied to this year's program for tax relief. The property was removed from the program due to the sale in early 2025 and the new owner of the subject property applied for tax relief and has been recommended as an addition in 2025/26.

Annual Eligibility Compliance Update: Fiscal Year 2025

In accordance with policy all organizations accepted into the tax relief program must submit an annual Confirmation Form by the January 31 deadline. Failure to comply with this requirement will result in a 50% deduction in value of tax relief up to a maximum of \$5,000 per property. If an organization has not complied with policy for three (3) consecutive years they are removed from the program and would have to make a formal application to be added in a subsequent year. Any deduction in tax relief shall be apportioned

between the interim and final tax bill and noted on the tax bills². There is no provision to pro-rate late applications; to do so exceeds administrative capacity.

As of January 31, 2025³, 74% of organizations participating in the program had submitted a Confirmation Form by the due date which represents ~65.5% of all properties. There is no correlation between the size of an organization in terms of budget, staff, or portfolio and reporting non-compliance. However, a significant number of housing cooperatives (~148 properties) are in default which may be due to the use of a third-party remittance, for example a contractor that provides property and/or financial management services to the nonprofit.

Participants will be assisted in self managing their annual eligibility through the development of a web-based form that interfaces with TRM. Print forms will still be accepted by email or mail for those organizations that do not have access to the Internet, technology, and/or for inexperienced users. A program guidebook and tax bulletins will also be developed to provide an orientation to the program with an emphasis on developing a basic understanding of property tax and the responsibilities of program participants.

Records Management

Records management reporting captures minor amendments to the program's schedules or appendices, including but not limited to any formal change to an organization's registered name, corrections, removal of a property due to conveyance, schedule reassignment, change in tenancy (**Appendix 1**) or revised exclusions (**Appendix 2**).

Schedule A

- Club 22, 3 Dundas Street, Dartmouth (AAN 01150774) is amended to correct the registered name of the organization to **Club 24**, Dundas Street, Dartmouth.
- **Metro Non-Profit Housing Association**, 2672-2676-2678 Belle Aire Terrace, Halifax (AAN 04431227) is removed from the program because the property was sold in 2024. The new owner (Adsum for Women and Children) has applied for the addition of this same property to this year's program.
- **Society of Saint Vincent de Paul**, 2445 Brunswick Street, Halifax (AAN 05289157). The subject property is a new 36-unit supportive housing facility with on-site support services provided by the North End Community Health Association. The construction was supported by federal financing under Phase 3 of the Rapid Housing Initiatives Program and added to Schedule G in 2024. The Society and property use meet all the requirements under Schedule A and although the level of tax relief is identical, reassignment to Schedule A removes encumbrances that would not otherwise apply⁴.

Schedule D

- **Central Spryfield Housing Co-operative Limited**, 3-3 Cavendish Road, Halifax (AAN 00704172) will be pro-rated in fiscal 2025 (April 1 to June 10) and removed from the program in fiscal 2026. The property was sold to a private interest June 10, 2025.
- **Tawaak Housing Association**, 90 Pinecrest Drive, Dartmouth (AAN 04771176) has been reassigned from Schedule D to Schedule F in fiscal 2025. As of January 31, 2025, the assessment roll does not

² Because the interim bill is calculated using the prior year tax rate and the current year's assessed value the final tax bill payable is typically larger if the municipal tax rates increase.

³ Confirmation Forms post-marked on or before January 31 are considered on-time as are courier or in-person deliveries that are date-stamped.

⁴ Specifically, subsection 35 (1) of policy whereby at the earlier of either the expiry of the RHI Program or the financing agreement the subject property would automatically be reassigned under subsection 35 (1) (b) (i) and (ii) to Schedule E, Schedule A, or Schedule D in accordance with the applicable criteria.

indicate the number of dwelling units, and the assessed value has decreased which suggests the property has been demolished and/or vacant. The owner has confirmed that the property is to be developed to increase the number of dwelling units from 4 to 19 but construction is not complete.

- **Westmoor 57 Co-operative Limited.** The 2025 assessment roll indicates that title to properties operated by the cooperative has been amended. Eight (8) properties located on Coleman Court, Halifax, are now listed as owned by Canada Mortgage & Housing Corporation/Westmoor 57 Co-operative Limited and the remaining forty-nine (49) properties located on Cook Avenue and Vaughan Avenue are listed as Government of Canada: Canada Mortgage & Housing Corporation. Consequently, Schedule D and Appendix 1 have been updated. The change is a result of land ownership clarification and applicable land leases.

Appendix 1. Eligible Organizations that are Tenants Recognized Under an Eligible Property Owner's Tax Relief

Appendix 1 has been updated to add or remove tenancy, as applicable. Expiry dates have also been added or updated for monitoring purposes and to encourage property owners to self-manage their continued program eligibility.

- **Halifax Curling Club**, 948 South Bland Street, Halifax (AAN 01849816) is amended to add the tenancy of Curling Nova Scotia in a defined portion of the Club's facility.
- **Halifax Regional Municipality (Senobe Aquatic Club)**, 8 Nowlan Street, Dartmouth (AAN 00767328) was listed in Appendix 1 in error. This beach area is owned by HRM, and non-exclusive licenses have been executed with both the Senobe Aquatic Club and the Mic Mac Aquatic Club. Property Valuation Services Corporation was notified in 2024 and will amend the 2025 tax assessment roll to Commercial Exempt. Appendix 1 is amended to remove reference to AAN 00767328 as a lease and taxable.
- **Halifax Regional Municipality (Safety Minded ATV Association)**, Portion of PID 00612788 11-15 Station Road, Head of St. Margaret's Bay (AAN 03376397) is amended with the addition of the Safety Minded ATV Association's tenancy in fiscal 2025. There is no change to the number of properties in the program (the property is listed in Schedule C based on the Unicorn Theatre Society's lease) but there is an increase in the cost of tax relief in 2025/26 with the addition of the ATV club's tenancy.
- **Home of the Guardian Angel**, 3 Sylvia Avenue, Halifax (AAN 05223393) was listed in Appendix 1 in error. In 2010, the facility name changed from the Single Parent Centre to the Chebucto Family Centre to be more inclusive of users, but this is an informal or colloquial name and not a registered brand name with the Nova Scotia Registry of Joint Stock Companies and is not a separate incorporated entity. The property is owner-occupied. Appendix 1 is amended to remove reference to AAN 05223393 as a lease. The property remains on Schedule B.
- **Black Cultural Society (Society for the Protection and Preservation of Black Culture in Nova Scotia)**, 10 Cherry Brook Road, Cherry Brook (AAN 04559909) is amended to remove reference to three (3) nonprofit tenants. For clarification the name on Schedule C is amended to the Black Cultural Society which is the name under which the organization was incorporated under the Black Cultural Society Act, S.N.S, c.101, 1977. This is the name under which title is registered with the Nova Scotia Land Registry and listed on the tax assessment roll.⁵
- **Government of Nova Scotia, Old Beaver Bank Road Sackville** (AAN 09423117) remains in the program pending confirmation of a lease agreement with the provincial government and tax relief eligibility.⁶

⁵ For clarification, in 1978 this organization was accepted as a registered Canadian charity by Canada Revenue Agency and listed as the Society for the Protection and Preservation of Black Culture in Nova Scotia (CRA 106797020-0001).

⁶ In 2024 Government of Nova Scotia (Sackville NS Lions Club), 67 Old Beaver Bank Road, Lower Sackville (AAN 07669925) was removed from the program because the provincial lease expired in 2021 and reverted to year-to-year pending development of the site. Evidently, there remains a second lease, with a separate assessment account number,

Appendix 2. Tax Relief Exclusions: Percentage Used for Calculation of Tax Relief by Tax Assessment Classification.

Appendix 2 has been updated to add or remove properties, or revise the % exclusion, as applicable.

- **Canadian Cancer Society**, 5826 South Street, Halifax (AAN 03984354) has been added to exclude that portion of the premises occupied by the Nova Scotia Health Authority's Innovation Hub which conducts research and cancer care initiatives.
- **Cunard Street Children's Centre**, 5557 Cunard Street, Halifax (AAN 00737321) has been removed due to discontinuation of the Commons Goods Solutions CIC lease in 2024. The property is fully owner-occupied with expansion of the childcare services (54 new spaces) funded by the Canada Nova Scotia Canada-Wide Early Learning and Child Care Agreement.
- **Halifax Regional Municipality**, 11 and 15 Station Road, St. Margaret's Bay (AAN 03376397) has been removed from Appendix 2. The exclusion of the Safety Minded ATV Association is not applicable if the club's addition to the program in fiscal 2025 is approved.
- **Sport Nova Scotia**, 5512 Spring Garden Road, Halifax (AAN 04394585) is amended to reduce that portion of the premises excluded from tax relief down from 49.77% to 47.28% in 2025.
- **Halifax Regional Municipality (City of Lakes Boxing Club)**, portion of PID 00240424 230 Pleasant Street, Dartmouth (AAN 00769851) is amended to reduce the portion of the premises excluded from tax relief down from 55.74% to 47.80% in 2025.
- **Saint Antonios Antiochian Christian Orthodox Church**, 2304 Hunter Street, Halifax (AAN 00249114) is amended to reduce the portion of the premises excluded from tax relief down from 92% to 83.51% in 2025.

Schedule A: Charitable Organizations Providing Housing and Dedicated Services for Persons with Special Needs

1.Akoma Holdings Incorporated, Portion of PID 40150567 18-29 Paris Lane, Westphal (AAN 11048765) – Supportive Housing

Akoma Holdings Incorporated (“Akoma”) is a registered Canadian charity (Community Benefit/Foundation) that provides stewardship of the former Home for Colored Children property. The parent parcel (PID 40150567) has an area of 302 acres and has been developed through renovation of existing buildings and the construction of additional amenities. In 2022, eight (8) townhouses were constructed with financing through Phase 2 of the federal Rapid Housing Initiatives Program, the Nova Scotia Department of Municipal Affairs and Housing, and the Nova Scotia Department of Community Services. Because the land was not subdivided it was not possible to address the organization’s request for full tax relief. In 2024, HRM asked Property Valuation Services Corporation (“PVSC”) if a separate account number (“AAN”) could be created for the townhouses only.

The 2025 tax roll has a new assessment account number (AAN) for only that portion representing the Fairfax Homes development. These are rent-geared-to-income 2-bedroom units leased to African Nova Scotian families selected from the community by committee and tenants have access to a support worker for assistance with access to additional programs and services, as required. Although the residential development was financed under the RHI Program, this AAN qualifies for tax relief under Schedule A based on the owner’s charitable status, audited financial statement, and the clientele served. Currently, the level of tax relief in Schedule G and A are the same, but assignment to Schedule A removes encumbrances that would otherwise not apply¹. If the addition of this tax account to Schedule A is approved the level of tax relief for the society’s supportive housing development will increase from 75% to 100% and has a modest impact on the cost to HRM’s tax relief program in fiscal 2025. The townhouse development is assessed Residential.

2.Elizabeth Fry Society of Mainland Nova Scotia, 2044-2046 Oxford Street, Halifax (AAN 03731545) – Supportive Housing

Operations are sustained by funding from the Nova Scotia Department of Community Services, donations/fundraising, rental revenue, the Law Foundation of Nova Scotia and the United Way, supplemented by non-recurring grants, and municipal tax relief. In 2023 the Society acquired a two-storey residence assisted through mortgage financing from the Nova Scotia Department of Municipal Affairs and Housing. The property’s two dwelling units are single-room occupancy accommodations wherein residents have their own bedroom and share amenities. One unit has accommodation for a live-in support worker. Clients are selected from the By Name List which is a coordinated access system administered by the Affordable Housing Association of Nova Scotia; the process assesses and prioritizes individuals and families experiencing homelessness or at-risk of homelessness. The property is assessed Residential.

¹ Specifically, subsection 35 (1) (a) of policy whereby at the earlier of either the expiry of the RHI Program or the funding agreement the property would automatically be reassigned under subsection 35 (1) (b) (i) or (ii) to Schedule E, or Schedule A in accordance with the applicable criteria.

Operations are dependent upon funding from the Government of Nova Scotia. In 2018 the Society acquire a residential property in Middle Sackville and a second property in Lower Sackville in 2021. The two properties are single-room occupancy accommodations for nine (9) clients and are assessed Residential.

In 2024 the Phoenix Youth Programs and the Affordable Housing Association of Nova Scotia ("AHNS") acquired title to two properties located in Halifax with financing provided by the Nova Scotia Department of Community Services. The two organizations are "tenants in common" meaning that each party owns a separate share of the same property, or proportional financial share, but unencumbered by survivorship rights. The applicants' have confirmed they each have an equal 50% ownership interest. However, AHNS will manage only property-related operations. Phoenix Youth Programs will manage client selection, support services, and program delivery. Each property has six (6) 2-bedroom units, one of which will be occupied by a residential support worker. Both properties are assessed Residential.

Note: Although the properties are jointly owned, they are listed in Schedule A as Phoenix Youth Programs/Affordable Housing Association of Nova Scotia to reflect the mandate and client support services provided on-site by Phoenix Youth Programs, a registered Canadian charity.

The initial term of the lease is for five (5) years with the option to renew for an additional 5-year term. As the only tenant occupying a portion of the premises the Commercial taxable assessment can be attributed to only the YWCA’s lease.

Schedule C. Cultural, Recreational, Environmental, and Community Transit Organizations.

9. Mayflower Curling Club, 82 Marketway Lane, Timberlea (AAN 11061222) - Recreation

The Mayflower Curling Club was incorporated under an Act of the Nova Scotia Legislature in 1906. The Club provides recreational and competitive curling for approximately 600 members and hosts tournaments. Operations are self-sustained through membership dues, bar sales, facility rentals/fundraising, and municipal tax relief, supplemented by non-recurring project-specific grants. The Club’s facility located in Halifax was constructed in 1962 and was sold to a developer in 2023 to partially fund construction of a larger, fully accessible facility. In 2024 the Club acquired 2.5-acres of land in Timberlea, and constructed a new facility which will open in the Spring of 2025. The property is assessed Commercial. The new facility will be reassessed by Property Valuation Services Corporation in 2026 at which time the market value is expected to increase to reflect completion of construction. Consequently, the cost of tax relief is expected to increase next year.

10. Petpeswick Yacht Club, PID 40289738 Lot A East Petpeswick Road, Musquodoboit Harbour (AAN 10360994) - Recreation

Incorporated in 1966, the Club provides access to sailing, kayaking, paddleboarding, boat storage, mooring and dock facilities. The clubhouse property² is listed on Schedule C and application has been made to add an abutting parcel of land (23,330 sq ft). The land is assessed Residential. Evidently, although the property is largely wooded and undeveloped a portion of the clubhouse encroaches and would compromise marketability.

Note: If the Residential assessment does not reflect current use, a reassessment to Commercial would increase property taxes. For clarification and efficiency, the Club also has the option of consolidating this remnant parcel with their abutting clubhouse property and may apply for funding towards associated costs (excluding municipal fees) from municipal and non-municipal sources.

Schedule D: Organizations Providing Affordable Housing Rental Accommodations

11. Dartmouth Non-Profit Housing Society 44 Dundas Street, Dartmouth (AAN 04927826) – Affordable Housing

Schedule F: Organizations with Vacant Property Under Development

Schedule F was introduced under the program redesign, primarily to address new construction (including the destruction or demolition of an existing building) or vacancy due to conversion or site redevelopment. The duration of tax relief in the Schedule is limited to **up to** three (3) years because (1) the property does not provide a direct benefit to residents of HRM in terms of programs or services, and (2) discourage speculative land holdings and incentivize project readiness. The review of an application must confirm the anticipated construction start and completion/occupancy dates. Schedule F is monitored annually for continuation, reassignment to another Schedule, or removal from the program.

12. 239 Gary Martin Drive Incorporated, 239 Gary Martin Drive, Bedford (AAN 10283388) – Affordable Housing

Accommodation spans a continuum of care that includes long-term nursing and assisted living facilities, and rental apartments for seniors able to live independently. Operations are sustained by rental revenue and service fees, and municipal tax relief on three (3) properties, supplemented by charitable donations. In 2023 Northwood Realty secured financing through the Canada Mortgage and Housing Corporation's Rental Construction Financing Initiative Program to construct a 75-unit apartment building for seniors. In the same year a separate but affiliated entity, 239 Gary Martin Drive Incorporated, was registered as a Canadian charity (Benefit to Community/Community Resource) to manage the day-to-day facility operations. Rental rates at this location include heat, water and hot water, and are based upon CMHC's "affordability" criteria based on the median market rents of the area. Although this is an independent living facility, tenants have the option to purchase housekeeping and/or meal services. All the units are rented at below market value rates and a limited number of units are leased by the Nova Scotia Department of Community Services who provide case management for their clients. The facility was operational in 2024. The property is assessed Residential. As of January 31, 2025, the 2025 assessment roll does not indicate the number of dwelling units. Therefore, this property has been assigned to Schedule F for only fiscal year 2025 and will be reviewed for reassignment to Schedule D in fiscal 2026.

The refurbished premises will provide permanent 2-bedroom rental accommodations for single-parent families in acute housing need. The property is assessed Residential. Although subsection 30 (2) of policy excludes partial vacancy such as vacancies due to tenant turnover or partial renovation to the property, in this case the entire building is vacant while remediated.

14.Affordable Housing Association of Nova Scotia, 42, 67, and 91 True North Crescent, Dartmouth (AAN 06186122, AAN 06186092, and AAN 07555792) – **Affordable Housing**

The Affordable Housing Association of Nova Scotia (“the Association”) is a registered nonprofit society whose mandate is to promote and support affordable housing throughout Nova Scotia. Operations are sustained by federal government funding supplemented by rental revenues, non-recurring grants, and municipal tax relief on four (4) properties. In 2021, HRM donated four (4) parcels of land located on True North Crescent, Dartmouth, for the purpose of construction of rental housing at below market value rental rates. Under the Agreement of Purchase and Sale a minimum of 56% of the total units are to be offered at 20% below market rent in perpetuity and construction was to be substantively completed within 60 months of closing (Section A.1). To protect the public interest a Buy-Back Agreement was executed. Following conveyance, the lands were re-zoned to HR-1 to permit multi-units and construction of Phase I for civic 80 True North Crescent commenced in 2023 with financing under the federal Rapid Housing Initiatives Program. In 2024 the Association secured funding under the Nova Scotia Housing Development Fund to construct a combined total of 32 units on the remaining three land parcels. Fifteen (15) of the units will be rented at below market value³. Occupancy of the three buildings is expected in 2025. The properties are assessed Residential. As of January 31, 2025, the 2025 assessment roll does not indicate the number of dwelling units. Therefore, these properties have been assigned to Schedule F for only fiscal year 2025 and will be reviewed for reassignment to Schedule D in fiscal 2026.

15.Dartmouth Non-Profit Housing Society, 1 Circassion Drive, Dartmouth (AAN 03551687) – **Affordable Housing**

Dartmouth Non-Profit Housing Society is a registered non-profit organization that provides rental housing to lower-or fixed income households. Operations are sustained by the Province of Nova Scotia through rent subsidies and an operating grant through the Community Housing Support Program, and municipal tax relief for a portfolio of sixty-nine (69) properties supplemented by non-recurring grants. Earned revenues primarily comprise rental income. In 2024 the Government of Nova Scotia conveyed a parcel of vacant land to the Society for the development of an 18-unit apartment building. An application for tax relief in 2024 was deferred because the property was not listed as taxable in the assessment roll received by HRM by the application deadline. Construction commenced in 2024 with a projected occupancy in 2025. The property is assessed Residential. The assessed value of this property is expected to increase once construction is complete. As of January 31, 2025, the 2025 assessment roll does not indicate the number of dwelling units. Therefore, these properties have been assigned to Schedule F for only fiscal year 2025 and will be reviewed for reassignment to Schedule D in fiscal 2026.

16.L’Acadie de Chezzetcook Association, 7039 Highway 207, West Chezzetcook (AAN 03859975) – **Cultural Centre**

The L’Acadie de Chezzetcook Association incorporated as a nonprofit in 1996 to preserve and present Acadian and Francophone culture and gained status as a registered Canadian charity in 1998 (Community Benefit/Supportive Health Care). The Association owns two properties in West Chezzetcook that operate a small seasonal museum and hosts events celebrating Acadian culture. Operations are dependent upon government funding including a municipal operating grant under HRM’s Community Museums Grants Program and tax relief for two (2) properties. In March 2024 the Association acquired the former Saint Anslem Church from the Roman Catholic Episcopal Corporation for \$1.00. Since the mid-1700’s the church served the Acadian communities of Grand Desert and West Chezzetcook. The building is to be renovated to serve as a cultural centre for meetings, interpretation, visual and performing arts assisted by a grant in the amount of \$1.5M from Canadian Heritage: Community Spaces Fund. Assistance has also been requested from HRM for access or ownership of a portion of the abutting former Lakeview School property to address under-sized well and septic systems which currently serve both the former church property and abutting residence. The cultural centre is not expected to be

operational until 2026. The property is assessed Commercial. The assessed value and corresponding tax relief is expected to increase in 2026 due to capital improvements and the consolidation of the abutting parcel of land acquired from HRM at less than market value.

17.Mi’Kmaq Native Friendship Society, 1940 Gottingen Street, Halifax (AAN 04565002) – **Cultural Centre**

The Society is a registered Canadian charity (Relief of Poverty/Organizations Relieving Poverty) that offers a diverse array of culturally appropriate programs and services to the urban Indigenous community including health, employment, education, social justice/advocacy, childcare, and housing. Operations are sustained by government funding supplemented by rental and childcare revenues, project-specific grants, and municipal tax relief for eight (8) properties in fiscal 2024. In 2023 the Regional Council approved the sale of 1940 Gottingen Street, Halifax, at less than market value to support the construction of a new cultural centre for the Mi’Kmaq community. Prior to conveyance the former office building/site remediation at this location was demolished at municipal expense and the Agreement of Purchase and sale closed in October 2024. The property is assessed Commercial.

Note: In 2025, the market value of the vacant land is assessed at \$6,432,900 and given that the initial projected capital cost of the project was in the range of approximately \$49M (2022) the cost of tax relief will increase substantially during and upon completion of construction.

18.Osprey Inspiration, 430 Pockwock Road, Upper Hammonds Plains (AAN 04369661) – **Affordable Housing**

In June 2023, Osprey Inspiration (“the corporation”) registered in with Industry Canada under the Canada Not-for-profit Corporations Act (#1513331-9) as a non-soliciting corporation. A corporation is non-soliciting if it has received no public funds, or less than \$10,000 in public funds, in each of its previous three financial years. Soliciting corporations who receive public funds must meet additional requirements to ensure transparency and accountability for that income⁴ such as but not limited to filing financial statements, demonstrated compliance with board composition requirements, and an audit if above a stated public funding threshold. The aim of these additional requirements is to establish and maintain public transparency.

The stated purpose of the corporation is to *“increase housing stability by providing programs and assistance to prospective homebuyers that will increase their ability to both achieve and maintain stable homeownership, including:*

- promoting or providing programming that will increase prospective homebuyers’ financial literacy for the sustainable maintenance of home ownership; and*
- providing programming to assist prospective home buyers to find reputable and reliable home builders; and*
- providing financial assistance to prospective home buyers to assist them in purchasing a home, such as the provision of grants to assist with a home buyers’ down-payment.”*

In March 2024 the Articles of Incorporation were amended to add *“...Developing and providing housing solutions for the public that will increase housing availability, affordability, stability and/or sustainability including housing solutions that involve home rentals, property ownership, rent-to-own arrangements and emergency housing solutions”.*

⁴ Source: <https://ised-ised.canada.ca/site/corporations-canada/en/not-for-profit-corporations/deeming-corporation-non-soliciting>

In October 2024 the corporation acquired title to 12.4 acres of land from 4318698 Nova Scotia Limited⁵ and applied to HRM's tax relief program (fiscal 2025) in December of that same year. In March 2025⁶ the federal government announced funding in support of the construction of a mixed market housing project comprising 160 2-bedroom dwelling units. Public funding comprises \$57,195,000 under the federal Affordable Housing Fund, \$5,100,000 from the Nova Scotia Affordable Housing Fund, and a \$15,000 provincial Energy Efficiency rebate. The corporation's contribution includes \$3,390,000 in land equity and a repayable loan of \$2,100,000 from 4318698 Nova Scotia Limited. The federal funding agreement requires that the less than median market value rents be maintained for 20 years and annual reporting to CMHC is required.

Although the federal and provincial mortgage agreements have restrictive covenants with respect to affordable rental rates, requires sixteen (16) units be fully accessible, and demonstrated energy efficiency, the tenant selection process and criteria are vaguely stated. Evidently, a screening tool is to be developed that would enable an assessment of a prospective tenant's ability to sustain the below market value rent and those who might be a candidate for a financial literacy program developed in 2024 in association with Saint Mary's University (Sobey School of Business) with partial funding from Mitacs Inc⁷. However, the application states that the corporation will also "partner" with other non-profit housing providers to meet their clients' needs and temporary shelter for those in need of emergency housing.

The tax relief application is for forty (40) units representing Phase 1 of *The Woods* subdivision development⁸. Four (4) of the units will be accessible. These are 2-bedroom, single or two-level stacked townhouses with high-end finishes such as quartz countertops, in-suite laundry, stainless steel appliances, heat pumps, and a designated parking stall⁹. As proposed in the application a total of 64 affordable rental units are planned and will comprise 32 units @1,047 sq.ft and 32 units @924 sq ft at rental rates at 69% of median market rent which equals \$1,380/month plus a one-time deposit of \$690. It is important to note that in addition to rent tenant's pay for their own utilities and provide their own tenant insurance.

The application to the 2025 tax relief program is for forty (40) units (Phase 1 of the larger housing project) none of which will be rent-to-own¹⁰. Technically, the development represents a multi-unit building. Consequently, although the units have individual civic addresses (53 to 149 Whiley Lane) the parent parcel has only one property identification number (PID 00424598) and one assessment account number (AAN 04369661). HRM Planning & Development staff have confirmed that the townhouses have a shared driveway and as such would not meet frontage requirements for subdivision which negates a rent-to-own option unless condominiums. Occupancy is expected to start in June 2025. The subject property is assessed Residential.

⁵ In November 2023 the corporation applied to HRM's Affordable Housing Grants Program for a grant towards construction of a 160-unit mixed phased housing development at 430 Pockwock Road at an estimated cost of ~\$69M. Of this total 40% (66 units) were identified as "affordable" with rents at 80% below median market rent. The request was declined because the applicant was not the landowner and financing was unconfirmed.

¹⁰ Email communication dated July 12, 2024.

As of January 31, 2025, the 2025 assessment roll does not indicate the number of dwelling units. Therefore, these properties have been assigned to Schedule F for only fiscal year 2025 and will be reviewed in fiscal 2026 for reassignment to Schedule D in fiscal.

Note: As recommended tax relief will only apply to the provision of below market value rental units and excludes any future development of units for sale, including any rent-to-own dwelling units. Further, if the property owner enters into a lease agreement with any third party, including a non-profit or charitable organization, a copy of the lease agreement is required in accordance with Section 36 of policy and will be subject to further review.

19.Saint Leonard's Society of Nova Scotia, 5529 Nora Bernard Street, PID 00155630 5531 Cornwallis Street, 2221 Creighton Street, 5529 Nora Bernard Street, and 5531 Nora Bernard Street, Halifax
(AAN 02295806, AAN 03035506, AAN 05755859 and AAN 03035484) – **Specialized Services (Pending Confirmation)**

The Society was established in 1968 to assist the re-integration of ex-offenders in the community through housing and supports services and obtained registered charity status (Community Benefit/Community Resources) in 1989. The Society's current property portfolio includes shelter for the homeless, trusteeship, and transitional housing to support community placement. Operations are dependent upon government funding, primarily from the Nova Scotia Department of Community Services, Correctional Services Canada, and municipal tax relief for six (6) properties. The Society raises additional revenues through fundraising and modest rental income. In 2024, the Society acquired four (4) parcels of land with funding from the Nova Scotia Department of Community Services. The Society have demolished an existing building and plan consolidation of the lands to enable construction of a new facility. Because there is no program or service delivered from the subject property assignment to Schedule F is recommended for *up to* three (3) years. Upon completion the property will be reassigned to the applicable Schedule based on the new use. In 2025, the lands are assessed Commercial.

20.Souls Harbour Rescue Mission 7020 Highway 207, West Chezzetcook (AAN 03859827) – **Affordable Housing**

The Mission is an evangelical, faith-based registered Canadian charity (Relief of Poverty/Organizations Relieving Poverty) that operate ministries in Halifax, Sackville, Bridgewater, Truro, and Sydney Mines offering food, clothing, toiletries, and shelter for homeless and lower-income individuals. The organization is sustained by donations, thrift store sales, and receives municipal tax relief for two (2) properties located in HRM. In 2021 the Mission's property portfolio expanded with the development of a shelter for women in HRM and in 2023 the Mission acquired title to a residential property from the Roman Catholic Episcopal Corporation. The latter is a vacant former residence that is to be demolished for construction of a 12-unit apartment building. The property is assessed Residential.

Recommendations to Defer or Decline a Tax Relief Application and Ineligible Applications: Fiscal Year 2025/26**Recommend Defer Application to Fiscal 2026****21. L'Acadie de Chezzetcook, 7037 Highway 207, West Chezzetcook (AAN 11086071)**

In 2024 the L'Acadie de Chezzetcook Association ("the Association") and Atlantic Slinger Services Limited, a registered business (RJSC#3008888) acquired joint ownership of the former St. Anslem Church presbytery. The owners are "tenants in common" meaning that each party owns a separate share of the same property, or proportional financial share, but unencumbered by survivorship rights. The applicant has confirmed they each have a 50% financial share. Although the Association's aim is to convert a portion of the premises into a community centre - to include temporary lodgings for an artist-in-residence or "short-term workers" - legislation does not permit tax relief for a commercial interest¹ and current tax relief policy recognizes only nonprofit or government (public) property ownership. In the interim the property is used for storage and office space. Due to the change in use the building is assessed Commercial. A deferral is recommended pending further review.

Recommend Decline Addition to the Program**22.Nova Scotia Division of the Canadian Corps of Commissionaires, 229 Damascus Road, Bedford (AAN 10719860)**

The Canadian Corp of Commissionaires ("the Commissionaires") was formed in 1925 to provide transitional and permanent employment for veterans of WW1 and has since expanded with branches throughout Canada. The Corps initially served veterans of the Canadian Armed Forces and reservists but has since expanded its employment services to include retired RCMP members and civilians. The Nova Scotia branch was incorporated under an Act of the Nova Scotia Legislature in 1955 and registered in Nova Scotia in 1999 (RJSC#3027486)². The security services provided include mobile patrols, security guards, fingerprinting, passport photographs, criminal record and employee screening checks, property alarm and video surveillance monitoring, and assistant to members applying for record suspension. Revenues comprise service charges or security contracts with government and government agencies, commercial and residential property owners, and individuals. In addition to wages, benefits, and training persons employed by the Commissionaires have access to group programs for discounted vacation travel, insurance, and banking. In 2017 the Commission sold its property located on Hollis Street, Halifax, and acquired land for the construction of a new headquarters in Bedford. The property is assessed Commercial and the Commission applied for addition to Schedule E: Community Benefit. The recommendation to decline is based on the organization's employment focus which is not exclusive to ex-military personnel. Although Schedule A of the tax relief program includes "supportive employment" this refers to specialized services to assist persons with a physical or cognitive disability or mental illness, and eligibility is restricted to registered Canadian charities.

Ineligible Applications**23.Government of Nova Scotia (MacDonald House Association) Lot 3 A Portion of PID 40310948, 4144 Lawrencetown Road, Lawrencetown (AAN 01175297)**

¹ Subsection 2 (2) (b) of Policy excludes organizations representing the interests of business, commerce, or industry.

² In 2005, an affiliated business was registered operating under the name of Commissionaires NS, Photo ID, Fingerprinting, Passport Photo Services (RJSC#3105002).

The subject property is owned by the Government of Nova Scotia and has been leased to the MacDonald House Association. The property was removed from the program in 2024 due to the expiry of the lease agreement in May 2022. The premises are primarily used for the operation of small businesses and is assessed Commercial and Residential. The Association's application for reinstatement in fiscal 2025 does not meet the program's eligibility requirements.

- A letter of offer does not comply with Section 14 of policy which requires a copy of the signed lease agreement, total area occupied under the lease, and the names of entities occupying the premises. In cases where there is more than one occupant of the premises, HRM staff will also confirm the eligibility of the occupants and, if applicable, the headlease holder's ability to assign or sub-let the premises or a portion thereof.
- The sublease with the Open View Children and Parent Association expired August 31, 2018, and the former agreement was signed by only one party. The Association is a nonprofit childcare provider that occupies ~882 sq ft (~15% of building area) and operates five (5) mornings a week from 9:30am-12 noon.
- The current zoning for the property is RPK (Regional Park) Zone which permits conservation and recreational uses, existing dwellings and accessory uses, provided they do not compromise the natural environment of this coastal location. Consequently, there may be restrictions on new uses, including any change in tenancy, or any development.

The applicant will be provided clarification with respect to eligibility and may elect to reapply to the program.

24.Vida Living (2019) Inc

In 2019, 3115711- Connolly Real Estate Holdings Inc and Vida Living Incorporated amalgamated to form Vida Living (2019) Incorporated which is a registered Limited Company (RJSC#3329901) that own and operate eleven (11) properties located in Halifax and Dartmouth assessed Residential.
