## Explanation

This document is the information processed as of June 26, 2018. Please read it and keep it for your records.

The Canada child benefit (CCB) is a tax-free monthly payment made to eligible families to help them with the cost of raising children under 18. It may include the child disability benefit (CDB), a monthly benefit providing financial assistance for qualified families caring for children with severe and prolonged mental or physical impairments.

You do not qualify for the NSCB for July 2018 to June 2019 based on your family net income.

If you have eligible children and have filed all the required returns, we will review your account every July and let you know if you qualify.

### Information used to calculate your entitlement
